Reinventing The Family:

Reinventing the Family Elisabeth Beck-Gernsheim, 2002-04-22 The traditional image of the family as a life long unit is fading fast There are fewer marriages more divorces and ever more children born to unmarried or single parents The forms of our private life are changing rapidly and people are embarking on new lifestyles based on cohabitation separation and same sex partnerships In this lively and accessible new book Elisabeth Beck Gernsheim looks at the future of our lives after the family Examining the breakdown of the conventional family unit she explores the new choices that are open to individuals and analyses our anxiety over the ensuing loss of stability In *Reinventing the Family* Beck Gernsheim describes how men and women are being confronted with competing and often incompatible demands Our areas of personal choice have been redrawn but in a space that involves new social regulations and controls The talk of family values sits uneasily with the reality of long working hours business trips weekend seminars and career moves At work we are encouraged to pursue competition speed and change at home we are expected to find community and conciliation Beck Gernsheim examines the impact of these conflicting expectations on the relationships between men women and children and searches for possible solutions *Reinventing the Family* is an important and timely contribution to the growing debate about the family and its future It will be ideal reading for students of sociology and gender studies but will also appeal to a wide general readership

Reinventing the Family Laura Benkov, 1997-06-17 *Reinventing the Family in Uncertain Times* Catherine Lee, Marie-Pierre Moreau, Cynthia Okpokiri, 2023 This edited volume looks at the reproduction and transformation of family norms in contemporary times Set against a context of far right politics calling for a return to more conservative identity politics and family norms and building on late 20th century social movements which challenged essentialist and functionalist understandings of identities and families it considers a variety of non traditional family structures Written by scholars based in Argentina Ghana Italy Portugal the UK and the USA the chapters question what counts as a family in contemporary times and considers how the discourses of power which operate in institutional and geographical contexts impact how families are recognized and valued The book includes analysis of non traditional and non heteronormative families such as single parent families childless families families with animal companions LGBTQ families families across the Global South mixed heritage families and families of friends Drawing on post structuralist critical and feminist theories the contributors discuss how power relationships linked to gender class ethnicity sexuality disability and other inequalities intersect and operate in defining what counts as a family *Representing the Family* Deborah Chambers, 2001-08-09 Looking at how the family is represented by the media and by scrutinizing the manner in which it is regulated this book uncovers the ways in which academic research and welfare policy have colluded with political rhetoric and the popular media to re invent a mythical ideal family *Representing the Family* combines perspectives from a range of theories including media and cultural studies sociology and social history to show how certain types of family life are pathologised highlights the discrepancies between

contemporary representations of the ideal family and lived experience and compares the British experience with that of the United States and Australia *Enduring Liberalism* Robert Booth Fowler, 1999 *Enduring Liberalism* pursues two objectives One it explores the political thought of public intellectuals and the general public since the 1960s Two it assesses contemporary and classic interpretations of American political thought in light of the study's findings BOOK JACKET

Reinventing Richard Nixon Daniel E. Frick, 2008 Examining Nixon's autobiographies and political memorabilia Frick offers far reaching perceptions not only of the man but of Nixon's version of himself contrasted with those who would interpret him differently He cites reinventions of Nixon from the late 1980s particularly the museum at the Richard Nixon Library and Birthplace to demonstrate the resilience of certain national mythic narratives in the face of liberal critiques And he recounts how celebrants at Nixon's state funeral at which Bob Dole's eulogy depicted a God fearing American hero attempted to bury the sources of our divisions over him rendering in some minds the judgment of redeemed statesman to erase his status as disgraced president With dozens of illustrations Nixon posing with Elvis the National Archives most requested photo Nixonian cultural artifacts classic editorial cartoons no other book collects in one place such varied images of Nixon from so many diverse media These reinforce Frick's probing analysis to help us understand why we disagree about Nixon and why it matters how we resolve our disagreements BOOK JACKET **Textbook of Couples and Family Therapy in Clinical Practice**
