Reinventing the Woman Patty Rice, 2001 Seeking to find her way after a troubled childhood and an abusing man Camille gets involved with a local women s group never dreaming that she has found her road to recovery Jacket **Reinventing the Woman** Patty Rice, 2003 *Reinventing Rachel* Alison Strobel, 2010-09-01 God let Rachel Westing down For twenty six years she s done everything by the book she figures He should have her back But then she learns her fianc is cheating on her Her parents are getting a divorce And her Christian mentor has a pill addiction Where is God in all this Nowhere as far as Rachel can see Wounded bitter and with a shattered faith she quits her job and moves across the country to live with Daphne her childhood best friend whose soul Rachel once thought she was meant to save Confident successful fun loving Daphne sets about helping Rachel reinvent herself and for a while it s exciting But when another tragedy shakes Rachel to the core what little bit of self possession she has left begins to unravel A true to life story that will draw you in and keep you biting your nails until the end *Reinventing Romantic Poetry* Diana Greene, 2004-01-15 Reinventing Romantic Poetry offers a new look at the Russian literary scene in the nineteenth century While celebrated poets such as Aleksandr Pushkin worked within a male centered Romantic aesthetic the poet as a bard or sexual conqueror nature as a mother or mistress the poet s muse as an idealized woman Russian women attempting to write Romantic poetry found they had to reinvent poetic conventions of the day to express themselves as women and as poets Comparing the poetry of fourteen men and fourteen women from this period Diana Greene revives and redefines the women s writings and offers a thoughtful examination of the sexual politics of reception and literary reputation The fourteen women considered wrote poetry in every genre from visions to verse tales from love lyrics to metaphysical poetry as well as prose works and plays Greene delves into the reasons why their writing was dismissed focusing in particular on the work of Evdokiia Rostopchina Nadezhda Khvoshchinskaia and Karolina Pavlova Greene also considers class as a factor in literary reputation comparing canonical male poets with the work of other men whose work like the women s was deemed inferior at the time The book also features an appendix of significant poems by Russian women discussed in the text Some found in archival notebooks are published here for the first time and others are reprinted for the first time since the mid nineteenth century **Redefining the Political Novel** Sharon M. Harris, 1995 While critical studies of the American political novel date from the 1920s such considerations of the genre have failed whether wittingly or unwittingly to recognize works by women The exclusion is usually based on a distinction between social novels and political novels and the result is an understanding of the political as a largely male province In this thought provoking collection of essays the contributors seek not simply to add works by women to the canon of political novels but rather to demand a conceptual revolution one that questions the very precepts on which the canon is based This redefinition of the political novel takes many factors into account including gender race and class and their relation to our most basic conceptions of literary and aesthetic value *Screening Novel Women* Liora Brosh, 2015-12-04 From Hollywood classics like

Jane Eyre or Wuthering Heights to the 1990s wave of Jane Austen films adaptations of the British Nineteenth century novel have been sensationally popular This book examines how British and American filmmakers used the domestic novels of the past to construct stable gender ideals for the present **Carolyn G. Heilbrun, Feminist in a Tenured Position** Susan Kress, 1997 Preeminent feminist critic Carolyn G Heilbrun's life experience echoes that of a generation of professional women often isolated and marginalized within inhospitable institutions Incorporating interviews with friends colleagues and Heilbrun herself author Susan Kress illuminates Heilbrun's various public identities and places her in the context of the developing women's movement **Reinventing Richard Nixon** Daniel E. Frick, 2008 Examining Nixon's autobiographies and political memorabilia Frick offers far reaching perceptions not only of the man but of Nixon's version of himself contrasted with those who would interpret him differently He cites reinventions of Nixon from the late 1980s particularly the museum at the Richard Nixon Library and Birthplace to demonstrate the resilience of certain national mythic narratives in the face of liberal critiques And he recounts how celebrants at Nixon's state funeral at which Bob Dole's eulogy depicted a God fearing American hero attempted to bury the sources of our divisions over him rendering in some minds the judgment of redeemed statesman to erase his status as disgraced president With dozens of illustrations Nixon posing with Elvis the National Archives most requested photo Nixonian cultural artifacts classic editorial cartoons no other book collects in one place such varied images of Nixon from so many diverse media These reinforce Frick's probing analysis to help us understand why we disagree about Nixon and why it matters how we resolve our disagreements **BOOK JACKET** **Writing the Polish American Woman in Postwar Ethnic Fiction** Grażyna J. Kozaczka, 2019-02-26 Though often unnoticed by scholars of literature and history Polish American women have for decades been fighting back against the patriarchy they encountered in America and the patriarchy that followed them from Poland Through close readings of several Polish American and Polish Canadian novels and short stories published over the last seven decades Writing the Polish American Woman in Postwar Ethnic Fiction traces the evolution of this struggle and women's efforts to construct gendered and classed ethnicity Focusing predominantly on work by North American born and immigrant authors that represents the Polish American Catholic tradition Grażyna J Kozaczka puts texts in conversation with other American ethnic literatures She positions ethnic gender construction and performance at an intersection of social class race and sex She explores the marginalization of ethnic female characters in terms of migration studies theories of whiteness and the history of feminist discourse Writing the Polish American Woman in Postwar Ethnic Fiction tells the complex story of how Polish American women writers have shown a strong awareness of their oppression and sought empowerment through resistive and transgressive behaviors **The Publishers Weekly**, 2000
