Arcepathy the Whole Medical System Lynette Barnard, 2020. This is not a study on archaeology or the history of ancient civilisations. My foremost intention is not to inform you about Traditional Chinese Medicine, Indian Ayurvedic Medicine, shamanism, a Paleo diet, vegetarianism, or raw foodism, but the emphasis is on the fact that those who exercise discipline in their particular fields, whether tradition or lifestyle, do so with all their might. I want you to radiate this attitude in your present lifestyle, diet, and future life expectancy. Pythagoras puts it so well: salt is born of the purest of parents, the sun and the sea.
