Relations Among Religions Today:

Relations Among Religions Today Moses Jung, 1963 The Oxford Handbook of Christianity in Asia Felix Wilfred, 2014-05-23 Named by the International Bulletin of Missionary Studies as an Outstanding Book of 2014 for Mission Studies Despite the ongoing global expansion of Christianity there remains a lack of comprehensive scholarship on its development in Asia This volume fills the gap by exploring the world of Asian Christianity and its manifold expressions including worship theology spirituality inter religious relations interventions in society and mission The contributors from over twenty countries deconstruct many of the widespread misconceptions and interpretations of Christianity in Asia They analyze how the growth of Christian beliefs throughout the continent is linked with the socio political and cultural processes of colonization decolonization modernization democratization identity construction of social groups and various social movements With a particular focus on inter religious encounters and emerging theological and spiritual paradigms the volume provides alternative frames for understanding the phenomenon of conversion and studies how the scriptures of other religious traditions are used in the practice of Christianity within Asia Principles and Practicalities of Interfaith Relationships in Nigeria Hyacinth Kalu, 2011-06-15 Given the amazing interest in interfaith relationships among the religions in Nigeria and the desire to proffer a better approach to these relationships this book proposes a trialogical approach as a solution to the religious conflicts and crises that have become the order of the day in Nigeria In this approach no religion is left out all ATR Islam and Christianity are treated as equal partners in seeking and offering solutions towards better relationships among religious followers and the Nigerian people Interfaith relationships and activities involving all three religions in Nigeria ATR Islam and Christianity without excluding any is a powerful tool for promoting religious harmony peace and cooperation for the stability and advancement of our nation This volume offers the guidelines and practical activities towards making trialogical relationships possible and fruitful among the followers of African Traditional Religion Muslims and Christians in Nigeria Korean Religions in Relation Anselm K. Min, 2016-09-30 Examines Buddhism Confucianism and Christianity in Korea focusing on their mutual accommodation exclusion conflict and assimilation Instead of simply being another survey of the three dominant religions in contemporary Korea Buddhism Confucianism and Christianity this unique book studies them in relation to each other in terms of assimilation accommodation conflict and exclusion The contributors focus on major issues that have historically challenged the relations between the three religions from the Goryeo period to the present and how each religion has responded to them The essays bring a new perspective to the study of Korean religions one that is especially pertinent in the current age of religious pluralism with all its tensions Religion, International Relations and Development Cooperation Berma Klein Goldewijk, 2023-08-28 Religion is high on the agenda of international politics today Though there has been a retreat from religion in Europe the international debate on the meaning and relevance of religion has intensified after the Iranian revolution and has gained new strength with the recent terror attacks the wars in

Iraq and Afghanistan the proliferation of intrastate conflict and the process of European integration The issues of secularism and its relationship to democracy globalization and foreign policy are explored in this book It is most relevant for politicians policymakers academic researchers non governmental organisations peace and development practitioners as well as the media The book deals with the practical and policy related consequences of the debate for development organisations and their views on poverty religion and conflict The Society for International Development SID has brought together eminent international writers and leading authorities in the field of religion coming from different backgrounds and regions Among the contributors are Peter Berger Leonardo Boff Abdullahi An Na'im Riffat Hassan Thomas Pogge Scott M Thomas and Jonathan Fox

The Transformation of Religious Orders in Central and Eastern Europe Stefania Palmisano, Isabelle Jonveaux, Marcin Jewdokimow, 2021-05-09 The first volume to explore various facets of contemporary change in consecrated religious life in selected Central and Eastern European countries this book presents a series of studies of Catholic and Orthodox monasticism With attention to changes in the economy everyday life organisation and social presence of monastic orders contributors shed light on the impact of 20th and 21st century social and cultural processes such as communism and its collapse or the growth of new communication technologies on life in the cloister Bringing together research from various locations in Central and Eastern Europe it will appeal to scholars and students of sociology religious studies and theology with interests in religious orders and transformations of religious life from a social perspective

Holy Ignorance Olivier Roy, 2013 Instead of freeing the world from religion secularization has encouraged a kind of holy ignorance to take root This book explores the options available to powers that hope to integrate or control these groups and whether marginalization or homogenization will further divide believers from their culture

The Mystery of Human Relationship Nathan Schwartz-Salant, 2003-09-02 All human relationships are containers of emotional life but what are the structures underlying them Nathan Schwartz Salant looks at all kinds of relationships through an analyst's eye By analogy with the ancient system of alchemy he shows how states of mind that can undermine our relationships in marriage in creative work in the workplace can become transformative when brought to consciousness It is only by learning how to access the interactive field of our relationships that we can enter this transformative process and explore its mysterious potential for self realization

The Relations of the State University to Religion Henry Simmons Frieze, 1888

Religious Diversity in Chinese Thought P. Schmidt-Leukel, J. Gentz, 2013-09-04 This collection of essays by major scholars analyze the religious diversity in Chinese religion bringing together topics from traditional and contemporary contexts and Chinese religions encounters with Western religion
