Dalit Theology and Dalit Liberation Peniel Rajkumar, 2016-05-13 In fulfilling the long awaited need for a constructive and critical rethinking of Dalit theology this book offers and explores the synoptic healing stories as a relevant biblical paradigm for Dalit theology in order to help redress the lacuna between Dalit theology and the social practice of the Indian Church Peniel Rajkumar's starting point is that the growing influence of Dalit theology in academic circles is incompatible with the praxis of the Indian Church which continues to be passive in its attitude towards the oppression of the Dalits both within and outside the Church The theological reasons for this lacuna between Dalit theology and the Church's praxis Rajkumar suggests lie in the content of Dalit theology especially the biblical paradigms explored which do not offer adequate scope for engagement in praxis

Untouchable Bodies, Resistance, and Liberation Joshua Samuel, 2020-02-25 In *Untouchable Bodies Resistance and Liberation* Joshua Samuel constructs an embodied comparative theology of liberation by comparing divine possessions among Hindu and Christian Dalits in South India Critiquing the problems inherent in prioritizing texts when studying religious traditions Samuel calls for the need to engage in body and people centered interreligious learning This comparative theological reading of ecstatic experiences of the divine in Dalit bodies in Hinduism and Christianity brings out the powerful liberative potential inherent in the bodies of the oppressed enabling us to identify alternative modes of resistance and new avenues of liberation among those who are dehumanized and discriminated and to find deeper and meaningful ways of speaking about God in the context of oppression

Dalits' Struggle for Social Justice in Andhra Pradesh (1956-2008) Akepogu Jammanna, Pasala Sudhakar, 2016-12-14 The complete alienation of Dalits from resources like land water and agricultural implements has led to the collective demand for an equal share in productivity This book discusses the range of socio economic and cultural problems faced by the Dalit community The movement advancing the rights of Dalits took place both before and after independence however they varied in intensity and concerned land ownership and fair wages self respect social dignity and the demand for equal rights This movement appeared to have significantly changed the very mindset and attitude of upper caste people to restrain themselves and not to resort to any discrimination or humiliation of Dalits However this seems to have been only a temporary phenomenon and the practice of suppression and humiliation continues today This book explores

the circumstances of Dalits in the Indian state of Andhra Pradesh and the current efforts attempting to achieve more social equality for the caste here

Subalternity and Difference Gyanendra Pandey, 2013-03-01 Focusing on concepts that have been central to investigation of the history and politics of marginalized and disenfranchised populations this book asks how discourses of subalternity and difference simultaneously constitute and interrupt each other The authors explore the historical production of conditions of marginality and minority and challenge simplistic notions of difference as emanating from culture rather than politics They return thereby to a question that feminist and other oppositional movements have raised of how modern societies and states take account of and manage social economic and

cultural difference The different contributions investigate this question in a variety of historical and political contexts from India and Ecuador to Britain and the USA The resulting study is of invaluable interest to students and scholars in a wide range of disciplines including History Anthropology Gender and Queer and Colonial and Postcolonial Studies
