Roseanne My Life As A Woman:

ROSANNE MY LIFE AS A WOMEN, 1989 **Roseanne** Roseanne, 1990 Roseanne Roseanne Barr, 1990-01

Roseanne Dr Barr, Roseanne Barr, 1991-07-01 The Unruly Woman Kathleen Rowe Karlyn, 2011-01-20 Unruly women have been making a spectacle of themselves in film and on television from Mae West to Roseanne Arnold In this groundbreaking work Kathleen Rowe explores how the unruly woman often a voluptuous noisy joke making rebel or woman on top uses humor and excess to undermine patriarchal norms and authority At the heart of the book are detailed analyses of two highly successful unruly women the comedian Roseanne Arnold and the Muppet Miss Piggy Putting these two figures in a deeper cultural perspective Rowe also examines the evolution of romantic film comedy from the classical Hollywood period to the present showing how the comedic roles of actresses such as Katharine Hepburn Barbara Stanwyck and Marilyn Monroe offered an alternative empowered image of women that differed sharply from the suffering heroine portrayed in classical melodramas **The Book of Mothers' Wisdom** Laurel Hoffman, 1998 From Jane Austen to Joyce Carol Oates from Princess Diana to Eleanor Roosevelt to Hillary Rodham Clinton this book is filled with contributions of mother wit on character faith happiness and love in messages that are timeless and meaningful Illustrations **Spectatorship** Roxanne Samer, William Whittington, 2017-10-25 Media platforms continually evolve but the issues surrounding media representations of gender and sexuality have persisted across decades Spectator The University of Southern California Journal of Film and Television Criticism has published groundbreaking articles on gender and sexuality including some that have become canonical in film studies since the journal's founding in 1982 This anthology collects seventeen key articles that will enable readers to revisit foundational concerns about gender in media and discover models of analysis that can be applied to the changing media world today Spectatorship begins with articles that consider issues of spectatorship in film and television content and audience reception noting how media studies has expanded as a field and demonstrating how theories of gender and sexuality have adapted to new media platforms Subsequent articles show how new theories emerged from that initial scholarship helping to develop the fields of fandom transmedia and queer theory The most recent work in this volume is particularly timely as the distinctions between media producers and media spectators grow more fluid and as the transformation of media structures and platforms prompts new understandings of gender sexuality and identification Connecting contemporary approaches to media with critical conversations of the past Spectatorship thus offers important points of historical and critical departure for discussion in both the classroom and the field Jewish Women on Stage, Film, and Television R. Mock, 2016-09-27 This book exposes and traces a previously unrecognized performance tradition of extraordinary Jewish women in the Diaspora from Rachel and Sarah Bernhardt in Nineteenth Century France to Roseanne and Sandra Bernhard in late Twentieth Century America **The Book of Mothers' Wisdom** Laurel B. Unsettling Eli Bromberg,2020-11-13 By analyzing how various media told stories about Jewish celebrities and incest Unsettling illustrates how Jewish community protective politics impacted the representation of white male Jewish masculinity in the 1990s Chapters on Woody Allen Roseanne Barr and Henry Roth demonstrate how media coverage of their respective incest denials Allen allegations Barr and confessions Roth intersect with a history of sexual antisemitism while an introductory chapter on Jewish second wave feminist criticism of Sigmund Freud considers how Freud became white in these discussions Unsettling reveals how film TV and literature have helped displace once prevalent antisemitic stereotypes onto those who are non Jewish nonwhite and poor In considering how whiteness functions for an ethnoreligious group with historic vulnerability to incest stereotype as well as contemporary white privilege Unsettling demonstrates how white Jewish men accused of incest and even those who defiantly confess it became improbably sympathetic figures representing supposed white male vulnerability
