Sims,2016-05-25 Recent college grad Lacy was running late for work because she forgot to set her alarm Tom the neighbor s cat had climbed beneath the hood of her car that she forgot to put in the garage so she had to take the freeway to make up time Finally moving forward after getting stuck in a large traffic jam Lacy was forced to slam on her brakes to miss a puppy in the road which caused her to be rear ended by the car behind her What a day Then she met Jay From that moment on her life began to change as well as all the lifetime plans she had made for herself and Spence her boyfriend since kindergarten Lacy found herself in some sticky situations and was faced with heart wrenching decisions that had to be made Which guy will she choose This romantic tale of young love follows a young woman at her first job and the choices she s forced to make *The Aesthetics of Argument* Martin Warner,2016-02-05 Argument and imagination are often interdependent The Aesthetics of Argument is concerned with how this relationship may bear on argument s concern with truth not just persuasion and with the enhancement of understanding such interdependence may bring The rationality of argument conceived as the advancement of reasons for or against a claim is not simply a matter of deductive validity Whether arguments are relevant have force or look foolish or whether an example is telling or merely illustrative cannot always be assessed in these terms Martin Warner presents a series of case studies which explore how analogy metaphor narrative image and symbol can be used in different ways to frame one domain in terms of another severally or in various combinations and how criteria drawn from the study of imaginative literature may have a bearing on their truth aptness Such framing can be particularly effective in argumentative roles which invite self interrogation as Plato saw long ago Narrative in such cases may be fictional whether parabolic or dramatic autobiographical or biographical and in certain cases may seek to show how standard conceptualizations are inadequate Beyond this whether in poetry or prose and not only with respect to narrative the logic of imagery enables us to make principled sense of our capacity to grasp imagistically elements of our experience through words whose use at the imaginative level has transformed their standard conceptual relationships and hence judge the credibility of associated arguments Assessment of the argumentative imagination requires criteria drawn not only from dialectic and rhetoric but also from poetics Redeeming Time Kenneth Paul Kramer,2007-05-15 This exploration of T S Eliot s last major poem Four Quartets examines the poem s potential to transform readers faith journeys Kramer shows that the power of Four
