Pollak, 2020-03-16 Built around 1200 and now a UNESCO World Heritage Site that draws more than a million visitors and pilgrims each year Chartres Cathedral is one of the jewels of Western Civilization How Chartres Cathedral and its priceless stained glass today the largest such collection in one location survived World War II s widespread destruction of cultural monuments is one of the great stories of recent history Saving the Light at Chartres begins half a decade before World War II when a young French architect developed a plan to save the cathedral s precious stained glass As war engulfed Europe in the fall of 1939 master glass artisans dismantled the hundreds of windows and soldiers tradesmen and laborers with local volunteers crated thousands of glass panels stowed them in the crypt and months later just before German invaders reached Chartres hauled them across the country to an underground quarry This effort to save the stained glass is but a prologue By August 1944 the U S Army had broken out of Normandy and was racing across France toward Paris and the Seine Chartres became a key battleground Allied bombing blew out the cathedral s temporary window coverings and when the Americans assisted by French Resistance fighters entered the city in the face of unexpectedly heavy defiance and snipers in the cathedral many soldiers believed German artillery spotters were occupying the cathedral s spires When Colonel Welborn Griffith Jr a senior operations officer of Twentieth Corps in Patton s Third Army arrived some were pressing to countermand the army s standing order to avoid the cathedral and threatened to destroy it to neutralize the German spotters Griffith was skeptical He inspected the cathedral himself climbed its towers but found no Germans so he rang the bell waved an American flag and ordered that the cathedral be spared saving it from destruction Griffith would be killed later that day Victor Pollak tells both stories the rescue of the windows and Colonel Griffith s fateful role in a compelling narrative Saving the Light at Chartres honors the government and local teams who saved the windows the Resistance that performed a vital role in the liberation of Chartres Welborn Griffith and the enduring

treasure that is Chartres Cathedral *The Symbol at Your Door* Nigel Hiscock,2016-12-05 Is the display of number and geometry in medieval religious architecture evidence of intended symbolism This book offers a new perspective in the retrieval of meaning from architecture in the Greek East and the Latin West and challenges the view that geometry was merely an outcome of practical procedures by masons Instead it attributes intellectual meaning to it as understood by Christian Platonist thought and provides compelling evidence that the symbolism was often intended In so doing the book serves as a companion volume to *The Wise Master Builder* by the same author which found the same system implicit in plans of cathedrals and abbeys The present book explains how the architectural symbolism proposed could have been understood at the time as supported by medieval texts and its context since it is context that can confer specific meaning The introduction locates the study in its critical context and summarizes Christian Platonism as it determined the meaning of number and geometry The investigation opens with the recurrent symbolism of the dome and the cube as heaven and earth in the Byzantine world and moves to the duality of the temple and the body in the East and West as reflections of Plato's universal macrocosm and human microcosm The study then examines each of the figures of Platonic geometry in the architecture of the West against the background of their mathematics and metaphysics before proceeding to their synthesis with the circle as seen in circular and polygonal structures the divisions of circles in Christian art and their display in window tracery culminating in the rose window In view of the multivalency of the symbolism the investigation establishes systematic occurrences of it which strongly suggest patterns of thought underlying systems of design The book concludes with a series of test cases which show the after life of the same symbolism as it overlapped with the Renaissance Angels and Goddesses Crystal Pomeroy,2022-02-08 Connect to the Sacred Feminine with Archangels and their Companion Goddesses Angels are here to help us deepen our hidden powers from healing compassion and transmutation to faith courage focus and manifestation But these light beings are not alone Crystal Pomeroy shares their ancient connections to goddesses worldwide Learn who they are how they can help and what you can do to receive their support Turn on your angelic intelligence and increase your spiritual powers Uncover the roots of the archangels in pre religious traditions Work with angels and goddesses to retrieve your sacred feminine and sacred masculine powers Discover the angelic network behind world traditions and the miraculous difference it can bring to your own inner work With dozens of hands on invocations affirmations visualizations and rituals Crystal teaches us how to work with angels and their goddess companions from around the world Crystal also provides step by step instructions for healing and prosperity mandalas an angelic dream journal a marigold love blessing and more By activating our Angelic Intelligence we can manifest our desires while restoring our confidence and true power **Library of Congress Subject Headings** Library of Congress,2012 **The Cathedrals of France** Thomas Francis Bumpus,1927 *Architecture For Dummies* Deborah K. Fattig,2014-12-09 In the time of Adam and Eve there was an Angel named Lucifer He had deceived God s newest creation and was banished from Heaven to serve in Hell Lucifer created many things himself just as God had The one that most terrifies man is the Incubi a demon that comes down to prey on unsuspecting humans while they sleep The Elders were put in charge of the Incubi world The Elders have strict rules Go to Earth Impregnate a woman in order to rule all of Earth as it was Lucifer s plan to take control over all that God had created both Heaven and Earth Many centuries ago an Incubus was created He did not believe in the old ways and fought against them The Elders had rules for such times if an Incubi refused to do what they were created for The Incubi would be banished to Earth to live like all Earth creatures lived in their form as

Incubi were shape shifters There was one rule when banished the Incubi was forced to live their life alone They were not allowed to love marry or have a family although for the incubus he could still impregnate a woman and the succubus could become pregnant but if she shifted that child would be lost The day Nate was created they say it was the beginning of the rebellion After he was banished to Earth many more followed as they too did not believe in the old ways There was just one thing the Incubi Elders failed to think of The hand of God created Lucifer the hand of Lucifer created demons Therefore the Incubi were the work of God If given the chance they would serve God The Rose Window Painton Cowen,2005 A visual study of the rose window art form covers such aspects as the form s possible origins the diffusion of styles across Europe and modern reinterpretations in a volume that features more than three hundred photographs and line drawings of some of the world s best known examples **Allegory of the Church** Calvin Kendall,2011-11-01 The Allegory of the Church is the first full length study of Romanesque verse inscriptions in the context of church portals and portal sculpture and is the product of a twenty year study **Cassell's Magazine** ,1869 **Old-fashioned and David Austin Roses** Barbara Lea Taylor,2004 A gardener friendly guide to growing roses Old fashioned roses are cherished by gardeners for their timeless beauty strong fragrance and fascinating history Growing these roses along with their hybrids offers gardeners an opportunity to bring history to life It is enormously gratifying to know that the roses blooming in one s garden were first cultivated by the Empress Josephine or were originally used to cover Cleopatra s bed Old fashioned and David Austin Roses communicates the pure romance of old fashioned roses while demystifying the process of growing them Contents include History Once flowering old roses Repeat flowering old roses David Austin roses Cultivation Landscaping with old roses Diversions making rose oil syrup and more Each section of the book is organized by species and near hybrids A concise history introduces the cultivars along with a short description that includes date of origin growing requirements and interesting historical facts Straightforward advice for planning and growing includes practical tips for feeding watering mulching deadheading cutting pruning and minimizing the effects of pests diseases and cold weather There are landscaping instructions for borders and beds containers groundcover rose shrubs hedges the woodland garden and climbers Finally a rose cookbook includes recipes for creating such ancient concoctions as rose oil perfume rose and rhubarb syrup and rose brandy Old fashioned and David Austin Roses is an accessible and essential reference for novice and experienced gardeners **Mont-Saint-Michel and Chartres** Henry Adams,2019-09-25 Reproduction of the original Mont Saint Michel and Chartres by Henry Adams
