Anne Frank, the untold story Joop van Wijk, Jeroen De Bruyn, 2018-09-04 A never before told true story about Anne Frank and a carefully hidden truth as well as Bep and her father's boundless loyalty in life are important issues Beautifully written with simplicity Many facets about the hiders in the Secret Annex in Amsterdam have been highlighted throughout the years but remarkably enough the role of Otto Frank's young secretary Bep Voskuijl Elli Vossen in Anne Frank's Diary has received very little attention Belgian journalist Jeroen De Bruyn and Bep's son Joop van Wijk dove into her past and reconstructed her tragic but fascinating life Bep is 23 years old when in 1942 she is let in on the secret of the eight hiders on Prinsengracht During the next 25 months she becomes a pillar of support for Anne Frank with whom she builds an intense friendship Bep buys clothes and food for the hiders and supplies Anne with paper to write her diary Things aren't easy for Bep her father the maker of the famous revolving bookcase becomes gravely ill in 1943 and her sister collaborates with the Germans Bep leads a double life keeping this secret from her boyfriend and family When the Germans raid the hiding place on August 4 1944 and arrest the hiders Bep escapes in horror Later she rescues a large part of Anne's writings The news of the deaths of seven out of the eight hiders only Otto Frank returns from the concentration camps leaves deep scars ANNE FRANK THE UNTOLD STORY casts a new light on Anne Frank's short life by means of previously unknown witnesses and documents That makes this book a valuable addition to her world famous Diary Moreover it's a tribute to those brave Dutch people who risked their lives to save Jews Finally the book adds a remarkable name to the list of people who could have betrayed the hiders of the Secret Annex Jeroen De Bruyn 1993 wrote for various Belgian magazines and for the Gazet van Antwerpen the newspaper for which he is currently editor Joop van Wijk 1949 is Bep Voskuijl's youngest son As a marketing manager he was connected to Dutch newspapers NRC Handelsblad and Algemeen Dagblad for years **The Last Secret of the Secret Annex** Joop van Wijk-Voskuijl, Joop van Wijk, Jeroen De Bruyn, 2023-05-16 A riveting historical investigation and family memoir that reveals the untold story of Bep Voskuijl the young Dutch woman who was Anne Frank's closest confidante during the time she spent in the Secret Annex **Representations of Anne Frank in American Literature** Rachael McLennan, 2016-08-05 This book explores portrayals of Anne Frank in American literature where she is often invoked if

problematically as a means of encouraging readers to think widely about persecution genocide and victimisation often in relation to gender ethnicity and race It shows how literary representations of Anne Frank in America over the past 50 years reflect the continued dominance of the American dramatic adaptations of Frank's Diary in the 1950s and argues that authors feel compelled to engage with the problematic elements of these adaptations and their iconic power At the same time though literary representations of Frank are associated with the adaptations critics often assume that these texts unquestioningly perpetuate the problems with the adaptations This is not true This book examines how American authors represent Frank in order to negotiate difficult questions relating to representation of the Holocaust in America and in order to consider gender coming of age and forms of inequality in American culture in various historical moments and of course to consider the ways Frank herself is represented in America This book argues that the most compelling representations of Frank in American literature are alert to their own limitations and may caution against making Frank a universal symbol of goodness or setting up too easy identifications with her It will be of great interest to researchers and students of Frank the Holocaust in American fiction and culture gender studies life writing young adult fiction and ethics

The Child's View of the Third Reich in German Literature Debbie Pinfold,2001-08-23 This book examines the ways in which German authors have used the child s perspective to present the Third Reich It considers how children at this time were brought up and educated to accept unquestioningly National Socialist ideology and thus questions the possibility of a traditional naive perspective on these events Authors as diverse as G nter Grass Siegfried Lenz and Christa Wolf together with many less well known writers have all used this perspective and this raises the question as to why it is such a popular means of confronting the enormity of the Third Reich This study asks whether this perspective is an evasive strategy a means of gaining new insights into the period or a means of discovering a new language which had not been tainted by Nazism This raises and addresses issues central to a post war aesthetic in German writing
