*Immutable* Karen Wiesner, 2020-01-30 When mankind realized Earth would become uninhabitable Humans built space habitations Their first allies arrived in 2073 and shared their technology to power ships through space corridors that fold space and time Only 58 years into their struggle for survival an enemy emerges In the wake of this threat an organic menace

is only beginning to be recognized ensuring the annihilation of every living thing if together they can't find a way to stop it. Spacefaring liveship the Aero is on a routine mission to the far flung regions of the galaxy when they receive a distress call from their oldest space habitation outside the Sol System. The structure has been brutally attacked inhabitants kidnapped or outright killed. The crew aboard the Aero including Astoria Bertoletti librarian and planet cataloger and Raze Salen mankind's emissary search for clues to explain the unprecedented tragedy. After several more similar distress calls from other habitations the savage pieces of the mystery begin to emerge and point to the culpability of humanity's short sightedness and desperation when they first began seeking out alternate spaces in the galaxy to call home. In the midst of the imminent threat of war Raze and Tori present the immutable evidence of wrongdoing both intentional and inadvertent to their government as well as to their strongest and weakest allies who may have no choice but to desert them in yet another hour of dire need.

Til Summer Comes Around Karen Wiesner, 2014 Amethyst WI is a small peaceful town on a pristine lake with an active tourist season in summer. When the air turns chill the area is transformed into a ghost town with only a handful of lifers who stay. Amethyst is bursting with mystery romance and jealousy all year round. When Quinn Rutledge and Summer Rosales met on a warm summer night on the shores of beautiful Lake Amethyst they were both young all was right in the world and the only thing on their agenda was romance one that neither of them wanted to end with the summer and closing of resort town Amethyst's tourist season. Promises and plans were made. Promises were broken. Summer was just about to begin law school with her closest friend her pole opposite who'd dragged her to Amethyst in the first place. Apple Wooten came from a rich family she didn't appreciate and was sliding her way through life trying to get the most fun she could out of it including stealing just to see what she could get away with. Summer found herself in the unfortunate position of taking the blame for one of Apple's thefts and not only spent time in jail but also was the victim of an inmate's wrath that led to the disfigurement of one side of her face before she was acquitted of all charges and allowed to pursue her law degree. Quinn had a lucrative dream career stretching out before him as an author who'd already won numerous accolades despite his youth. Though he'd returned to his livelihood after the summer with the woman he'd fallen so hard for his heart prevented him from keeping away until they could see each other again the following summer as they planned. When Summer didn't show up he'd tried to find her and couldn't. Though he should have returned to his writing he's instead found himself settling in Amethyst waiting hopefully and probably foolishly through endless winters until Summer comes around. **Shotgun Wedding** Karen

Wiesner, 2021-12-23 Trevor and Eden were married right out of high school. She'd believed she was pregnant but that hadn't been her sole motivation. Wildly in love with Trevor Johnson she'd worried he was becoming disenchanted with her his attention consumed by the needy and seductive Delaney Foster who came to Amethyst every year with her family. In the years Eden and Trevor have been married she's never felt quite secure in the belief that he married her by choice in love. During the Christmas season plagued by unspoken guilt and doubts she finds herself again competing with a soon to be divorced

distraught and disgustingly gorgeous Delaney Eden is obsessively aware she's no longer as young thin or sexy as she'd been before she had three sons To top off her growing stress Eden has discovered she and Trevor's oldest son and his girlfriend in their senior year of high school are sexually active The last thing they need is another shotgun wedding and the potential that a marriage undertaken for the sake of a baby isn't necessarily one of choice or love      **Potter's American Monthly** ,1881
