a routine checkup her doctor frowns at her chart and says I m worried about a couple of things and unpleasant suddenly seems like paradise What follows is a harrowing poignant and occasionally hysterical journey through premature motherhood from the starting point of leaking a little protein to the early delivery of her tiny daughter because of severe preeclampsia and the beginning of a new chapter of frightful lifelong love Half a million babies are born prematurely in the United States every year almost one every minute each with a unique story and Hopper eloquently gives a voice to what their parents share the shock the scares the lonely nights in the neonatal intensive care unit the fierce attention to detail that makes for sanity and craziness the light of faith the warmth of family and the terrifying attachment Through it all runs the power of words to connect us to one another as Hopper draws on her gifts as a writer first to help her navigate this uncertain territory and then to tell her story With candor grace and a healthy dose of humor she takes us into the final weeks of her pregnancy the this was not part of the plan first weeks of little Stella s life and the isolated world she and her husband inhabited when they took their daughter home at the onset of a cold Minnesota winter Finally frankly Hopper ventures into the complicated question of whether to have another child Down to earth and honest about the hard realities of having a baby as well as the true joys Ready for Air is a testament to the strength of motherhood and stories to transform lives **Alpha's Guardian** MiriGoogag, This is book 2 of Alpha s Guardian One last assignment then I can finally find my mate I have no idea why this alpha is so important but the committee has granted him the best security in existence me I m not your average wolf in fact my kind are often beaten and belittled but by some divine intervention I had been raised from a lowly omega pup to the ultimate weapon and protection for the werewolf world I protect the future the strongest and only the most important of the wolves I am the Alpha s Guardian Of course on the day I am to receive a Guardian the rogues find a hole in our defenses We have been spread thin and even though Guardians are reserved for the highest of Alphas I am being bequeathed one What would normally be an honor feels like a slap in the face when she shows up this woman who claims she was sent to protect me Female warriors are heard of sure but a female guardian This must be a joke and I refuse to be laughed at **Roaring Dawn** Colleen Gleason, 2016-07-05 From award winning New York Times and USA Today bestselling author Colleen Gleason the final installment in the Macey Gardella Vampire Hunter trilogy set in 1920s Chicago Macey Gardella Denton has loved lost and made difficult heart wrenching decisions but now she must stay strong as she battles the most malevolent of evils the horrifying Nicholas Iscariot But even facing down the most terrifying of all undead is nothing compared to the terror happening in her personal life with her father showing up after a thirteen year absence Macey can wield a stake as well as Victoria Gardella but when it comes to those she loves can she balance her heart with what s right Praise for the Gardella Vampire Hunters Sophisticated sexy surprising J R Ward One of my favorite vampire series Jeaniene Frost Colleen Gleason s irresistible series is deliciously dark and delightfully entertaining Chicago Tribune Gleason s publishing debut turns vampire stories and romances on their ear Detroit Free Press The Rest Falls Away Gleason s publishing debut turns vampire stories

and romances on their ear with a decidedly dark decidedly unsentimental Regency heroine who stakes the undead with the best of them Detroit Free Press The undead rise to great heights through Gleason s phenomenal storytelling She creates a chilling world with the perfect atmosphere of fear and sexual tension Romantic Times Gleason keeps upping the ante with each novel weaving the characters around her readers with each engaging conversation and narrative every stage set of all the appropriate gothic gloom and melting beauty Book Fetish Above all the writing is what recommends this book most Gleason s writing is sharp and taut which makes for excellent action sequences and a plot that travels quickly from the start The writing strength alone gives me ample reassurance that this potentially plot heavy series is in the right hands I m definitely looking forward to the next installment Smart Bitches Trashy Books The complete Gardella Vampire Hunters series is as follows VICTORIA The Rest Falls Away Rises the Night The Bleeding Dusk When Twilight Burns As Shadows Fade Max Stops the Presses short story MACEY MAX DENTON Roaring Midnight Raging Dawn short novel Roaring Shadows Raging Winter short novel Roaring Dawn Also related THE DRACULIA VAMPIRE TRILOGY Dark Rogue Dark Saint Dark Vixen
