Vacationing in Dictatorships Adelina Stefan, 2024-12-15 Vacationing in Dictatorships examines the political effects of international tourism in socialist Romania and Francoist Spain in the postwar era Despite sharp economic and political differences between the two dictatorial regimes at the start of the Cold War significant similarities existed as both states took advantage of international tourism to improve their image abroad and pursued processes of economic modernization to acquire hard currencies By the end of the 1970s though the two countries achieved rather different results in terms of tourism development despite the fact that both shared many features in the 1940s and 1950s By comparing the rise and evolution of international tourism on different sides of the Iron Curtain Adelina Stefan provides a different assessment of the geopolitics of postwar Europe that further refines the Cold War s geographies separating Eastern and Western Europe As a result Vacationing in Dictatorships reveals a new perspective on the Cold War that reveals not only the developmental similarities between Eastern and Southern Europe but also the ideological struggle that pitted socialist East against capitalist West *Eastern and Central Europe*, 2010 Three dimensional cutaway illustrations and floor plans of key landmarks complement these richly illustrated fully updated travel handbooks that also include enhanced maps street by street guides background information on a host of popular sights and an expanded traveler s survival guide providing tips on hotels restaurants local customs transportation medical services museums entertainment and more *DK Eyewitness Travel Guide Bulgaria* DK, 2014-08-01 The DK Eyewitness Travel Guide Bulgaria is your indispensable guide to this beautiful part of the world The fully updated guide includes unique cutaways floor plans and reconstructions of the must see sites plus street by street maps of all the fascinating cities and towns This new look guide is also packed with photographs and illustrations that lead you straight to the best attractions This uniquely visual DK Eyewitness Travel Guide will help you discover everything region by region from local festivals and markets to day trips around the countryside Detailed listings will guide you to the best hotels restaurants bars and shops for all budgets while detailed practical information will help you to get around whether by train bus or car Plus DK s excellent insider tips and essential local information will help you explore every corner
