Under Heaven's Brow Ward Hunt Goodenough,2002 For the people of Chuuk and for students of religion and Micronesian culture this book pulls together and makes available in English the somewhat scattered published accounts largely in German along with Goodenough s own as yet unpublished information about religious beliefs and ritual practices in pre Christian Chuuk The materials are presented in a way that seeks to document and illustrate a particular approach a functional one to understanding the kinds of human concerns that give rise to religious behavior Simply to describe traditional beliefs and rituals without the relevant social background information leaves the reader without any feeling for what were the emotional concerns engendered by life in Chuukese society that ritual practices helped people address Ward

Goodenough offers a theoretical introduction the necessary background information about Chuuk and the ways in which members of Chuukese society experienced themselves and their fellows the world view and overall set of beliefs providing the intellectual framework within which ritual practices were formulated and understood and the various bodies of ritual practices He concludes the book with a summary that pulls together how the rituals described appear to related to the emotional concerns that growing up and living in Chuuk tended to create *Blue Heaven's Tent* Markie Doczi,2023-03-07

Smith,2020-10-26

Tea growing was a prosperous industry in Sichuan when Wang Anshi's New Policies created a Tea Market Agency to buy up Sichuanese tea and trade it to Tibetan tribesmen for cavalry horses At first the highly autonomous agency not only acquired the needed horses but made a profit After the Junchen conquest of North China however market realities changed and the combined Tea and Horse Agency's once successful policies ruined tea farmers failed to meet quotas for horses and ran a deficit Paul J Smith details the workings of Sichuan tea farming and the tea trade examines the geopolitical factors that forced the Song to buy horses and graphically describes the difficulties of driving them more than a thousand miles through rugged mountains with only inexperienced conscripts as trail hands In this study of fiscal sociology Smith also explains how the Tea and Horse Agency transformed the Sichuan local elite which was notorious for its resistance to state power into imperial civil servants eager to tax their own region He draws on modern theories of corporate behavior to explain what made the inner workings of the Agency an extraordinary departure for the Chinese civil service and he demonstrates how the agency put into practice the most radical New Policies theories of state economic activism The Agency made entrepreneurs out of bureaucrats but ultimately became ruinously tyrannical as the system of state rewards and punishments drove its personnel to actions that crippled key sectors of the economy *Beyond Heaven's River* Greg Bear,2014-04-29

Hell Street was located on an inner city street in Houston Texas For over twenty years while being the Pastor of the Church conducting a

Christian school and conducting a skid row mission we were able to tell many fallen and lifeless addicted men and women that sweet old story that Jesus Christ saves sinners It is and was such a thrilling experience to see hope come back into their lives and see their joy because their sins and their old life had been forgiven forever Starting over is difficult but it is not impossible Hell Street was the term adopted by some of the men in our rescue mission who had walked those streets It was the term that describes the area where our church buildings were located Con men party people prostitutes and drug pushers regularly walked by the buildings At any given time of the day one could see several drug deals transpiring across the street from the church buildings Approximately thirty legal beer joints bars strip clubs porn bookstores and nightclubs owned by the Chinese Mafia and other like groups and individuals lined the streets around our church buildings When we left the area we had witnessed several bars closing and one porn shop and one abortion clinic shut down The area had changed some but it was clear that the wicked would always have their places of amusement for any unsuspecting simple person Our new home in the country setting was given the street name Heaven s Gate which sparked the title for this book The Reunion at Heaven'S Gate and Other Stories Shel Weissman,2017-12-18 The Reunion at Heavens Gate and Other Stories continues in the examination of the collision and complexities of survival redemption and change The author reveals the dark corners of characters and their immense desire to rise above what appears to be insurmountable odds Their burdens are deep yet their courage to triumph brings hope and revitalization Weissman is an optimist and is revealed through the veil of his characters which often appear in danger of losing it all Their need to move forward becomes greater than the twisted circumstances they have difficulty relinquishing The stories overflow with excitement compassion and truthfulness

Bandersnatch Erika Morrison, 2015-10-06 IDENTIFY THE EXPECTATIONS AND LABELS THAT CRAMP YOUR SOUL Contemporary Christianity seems to be suffering from an epidemic of sameness Uniformity Monotony Those trapped inside are often afraid to step beyond established norms and innovatively express themselves or they simply don't know how And those on the outside of Christianity often see very little that attracts them Yet God out of the abundance of his own artistic force made each one of us unique Peculiar Irreplaceable So why so much pressure to conform Bandersnatch explores this intersection of disillusionment and welcomes readers to a liberating journey an odyssey of the soul This process is an opportunity for fellow Christians who are feeling weary or stifled by established norms to find God in unconventional ways as well as an invitation for people on the outside to reimagine what following the mystery of Christ could be like It is organized around four terms viewed through the life of Jesus Avant Garde Alchemy Anthropology and Art Each expression reveals a diverse facet of God's unorthodox creativity planted within us provides a fresh look at the divine nature and offers a reframed collection of definitions by which to live Erika Morrison gives us permission to break free from the expectations and labels that cramp our souls Then through the lens of singularity she encourages her readers to cultivate artful holistic contributing lives that matter to both heaven and earth A BANDERSNATCH WHILE MORE COMMONLY KNOWN AS THE WILD FEROCIOUS AND MYTHICAL CREATURE OF LEWIS CARROLL'S CREATION IS ALSO A PERSON WITH UNCONVENTIONAL HABITS AND ATTITUDES
