A.B. Simpson and the Making of Modern Evangelicalism Daryn Henry, 2019-12-26 A shrewd synthesizer gifted popularizer and inspiring founder of the Christian and Missionary Alliance movement A B Simpson 1843 1919 was enmeshed in the most crucial threads of evangelical Christianity at the turn of the twentieth century Daryn Henry presents Simpson's life and ministry as a vivid fascinating and paradigmatic study in evangelical religious culture during a time when the conservative wing of the movement has often been overlooked Simpson's ministry Henry explains fused the classic evangelical emphasis on revivalist conversion with the intensification of that sensibility in the quest for the deeper Christian life of holiness Recovering the practice of divine healing Simpson emphasized a dynamically empowered and supernaturally animated Christianity that would spill over into nascent

Pentecostalism His encouragement of cross cultural missions was part of a trend that unleashed the dramatic rise of world Christianity across the Global South All the while his Biblical literalism antagonism to modernist theology campaigns against evolution and views on premillennialism Biblical prophecy and the role of Israel in the end times made Simpson a precursor of the fundamentalist melees of subsequent decades From his upbringing in rural Canada and confessional Scottish Presbyterianism Simpson journeyed into the heart of American evangelicalism revolving around his base in New York City Against most previous writing on Simpson Henry s biography presents both continuities and discontinuities in the development of modern interdenominational evangelicalism out of the denominational evangelicalism of the nineteenth century

Your Sister in the Gospel Quincy D. Newell,2019-04-05 Dear Brother Jane Manning James wrote to Joseph F Smith in 1903 I take this opportunity of writing to

ask you if I can get my endowments and also finish the work I have begun for my dead Your sister in the Gospel Jane E James A faithful Latter day Saint since her conversion sixty years earlier James had made this request several times before to no avail and this time she would be just as unsuccessful even though most Latter day Saints were allowed to participate in the endowment ritual in the temple as a matter of course James unlike most Mormons was black For that reason she was barred from performing the temple rituals that Latter day Saints believe are necessary to reach the highest degrees of glory after death A free black woman from Connecticut James positioned herself at the center of LDS history with uncanny precision After her conversion she traveled with her family and other converts from the region to Nauvoo Illinois where the LDS church was then based There she took a job as a servant in the home of Joseph Smith the founder and first prophet of the LDS church When Smith was killed in 1844 Jane found employment as a servant in Brigham Young s home These positions placed Jane in proximity to Mormonism s most powerful figures but did not protect her from the church s racially discriminatory policies Nevertheless she remained a faithful member until her death in 1908 Your Sister in the Gospel is the first scholarly biography of Jane Manning James or for that matter any black Mormon Quincy D Newell chronicles the life of this remarkable yet largely unknown figure and reveals why James s story changes our understanding of American history
