Reveal Meggan Watterson, 2013-04-03 The Wall Street Journal bestselling author of *Mary Magdalene Revealed* Even as a little girl Harvard trained theologian Meggan Watterson knew something was missing from traditional religion the voices of women She knew these voices had never been silenced just buried so she began a pilgrimage to uncover the presence of the Divine Feminine What she discovered along the way were not only the many stories images and voices of the Divine Feminine in world religions Christianity's Mary Magdalene Hinduism's Kali Ma Buddhism's Green Tara but also her own spiritual voice the one veiled beneath years of fear and self doubt After a revelation at a sacred site of the Black Madonna in Europe Meggan realized that being spiritual for her was intricately tied to her view of her body Rather than transcending the body denying or ignoring it she found that she must accept her body as sacred Only then could she truly hear the voice of unfaltering love inside her the voice of her soul Watterson soon found that she was not alone that there are countless women who long for a spirituality that encourages embodiment that inspires them to abandon their fears but never themselves and that shows them how to be led by the audacious and fiercely loving voice of truth inside them No matter where you rest on the spectrum of spirituality religious or secular devout believer or chronic doubter freelance mystic or borderline agnostic this story is about the desire to shed what's holding you back With passion humor poetry and raw honesty Meggan provides what religion has left out a way to lift the veils of your own fear and self doubt to reveal your soul and find the Divine within
