Roger Ebert's Movie Yearbook 2005 Roger Ebert, 2004 Containing reviews written from January 2002 to mid June 2004 including the films *Seabiscuit* *The Passion of the Christ* and *Finding Nemo* the best and the worst films of this period undergo Ebert's trademark scrutiny It also contains the year's interviews and essays as well as highlights from Ebert's film festival coverage from Cannes

Merry Murderers Zsófia Anna Toth, 2011-07-12 This book explores the different trends and the various changes in the representational history of femmes fatales within twentieth century American culture While providing precedents discussing the Western cultural history of this iconic female figure as well as presenting the cultural and theoretical debates surrounding her the major focus lies in Maurine Dallas Watkins's story entitled *Chicago* and how its diachronic and transmedial revivals contributed to this debate and what kind of an interpretation it provided of the lethal woman Through a cultural historical literary and cinematic excavation this book argues that the story of *Chicago* produces a unique kind of deathly woman figure the farcical femme fatale by combining the traditionally tragic aspects with comic modes of discourse and representation In addition to the theorization of the femme fatale within Western culture the discussion of the comic as well as various comic genres and comic strategies of representation Mikhail Bakhtin's theory of the carnival and the carnivalesque is discussed in great detail with an emphasis on scapegoating as well as Judith Butler's concept of gender performativity and Joan Riviere's womanly masquerade in order to understand how the farcical femmes fatales of *Chicago* manage to get away with their sins and crimes Additionally the Vice of sixteenth century drama as well as the figure of the homme fatale are also taken under scrutiny since it is argued that in the various versions of *Chicago* we encounter farcical femmes fatales who are the minions of a modernized Vice figure and all their comic grotesque performances and masquerades take place in the heterotopic space of the carnival While also examining their historical and cultural contexts the different versions of *Chicago* are investigated one by one starting from the original *Chicago Tribune* articles and ending in the 2002 film adaptation This book reveals what strategies can be employed to justify the modification of the traditionally tragic scenario of the femme fatale It is a scholarly work that is informative thorough as well as entertaining

Kander and Ebb James Leve,2009-03-01 Composer John Kander and lyricist Fred Ebb collaborated for more than forty years longer than any such partnership in

Broadway history Together they wrote over twenty musicals Their two most successful works Cabaret and Chicago had critically acclaimed Broadway revivals and were made into Oscar winning films This book the first study of Kander and Ebb examines their artistic accomplishments as individuals and as a team Drawing on personal papers and on numerous interviews James Leve analyzes the unique nature of this collaboration Leve discusses their contribution to the concept musical he examines some of their most popular works including Cabaret Chicago and Kiss of the Spider Woman and he reassesses their flops as well as their incomplete and abandoned projects Filled with fascinating information the book is a resource for students of musical theater and lovers of Kander and Ebbs songs and shows All That Jazz Ethan Mordden,2018-06-01 In 1975 the Broadway musical Chicago brought together a host of memes and myths the gleefully subversive character of American musical comedy the reckless glamour of the big city newspaper the mad decade of the 1920s the work of Bob Fosse and Gwen Verdon two of the greatest talents in the musical s history and the Wild West gangsterville that was the city of Chicago itself The tale of a young woman who murders her departing lover and then tricks the jury into letting her off Chicago seemed too blunt and cynical at first Everyone agreed it was show biz at its brilliant best yet the public still preferred A Chorus Line with its cast of innocents and sentimental feeling Nevertheless the 1996 Chicago revival is now the longest running American musical in history and the movie version won the Best Picture Oscar As author Ethan Mordden looks back at Chicago s various moving parts including the original 1926 play that started it all a sexy silent film directed by Cecil B DeMille a talkie remake with Ginger Rogers the musical itself and at last the movie of the musical we see how the American theatre serves as a kind of alternative news medium a town crier warning the public about the racy devious interior contradictions of American society Opinionated witty and rich in backstage anecdotes All That Jazz brings the American Musical to life in all its artistry and excitement **Women in True Crime Media** Jen Erdman,2022-11-11

While many people think true crime is a new phenomenon Americans have been obsessed with the genre for over a century and popular culture continuously tries to cash in The names of infamous serial killers are well known but the identities of their often female victims are frequently lost to history This text flips the script and focuses on the women to keep their identities known and remembered This is the first book to examine how popular culture has mistreated women as both perpetrators and victims of crime covering a hundred year span from 1920 to 2020 Detailed is popular culture s interest in true crime and how women in true crime documentation have largely been sexualized and victim blamed over the decades
