Great Scandals of the Victorians Debbie Blake, 2024-07-30 Great Scandals of the Victorians features a collection of true stories that shocked outraged angered or simply amused the Victorians in nineteenth century Britain Drawing on a wide variety of original material seven disreputable stories that dominated the national newspapers for many weeks are explored including the Great Warwickshire Scandal a highly publicized divorce case where for the first time in history a Prince of Wales was called to give evidence in court a baby scandal that disrupted Queen Victoria's court and threatened the monarchy the sex scandals of the Abode of Love a mysterious religious cult founded by a defrocked clergyman Henry James Prince and the sensational trial of Fanny and Stella two outrageous cross dressers accused of sodomy Some scandals though traumatic for the people involved produced a positive outcome such as the scandalous custody battle between Caroline Norton and her husband which led to the passing of the Custody of Infants Act granting mothers custody of their children following a divorce and the case of 13 year old Eliza Armstrong sold to a brothel keeper for 5 which caused a major scandal and public outrage but also led to a change in the law raising the age of consent from 13 to 16 years Victorian Sensation Michael Diamond, 2004-10-04 Victorian Sensation sheds light on the Victorians fascination with celebrity culture and their obsession with gruesome and explicit reportage of murders and sex scandals With a vivid cast of characters ranging from the serial poisoner William Palmer to Charles Dickens Jumbo the Elephant distinguished politicians and even the Queen herself this passionate analysis of the period reveals how the reporting methods of our own popular media have their origins in the Victorian press and shows that sensation was as integral a part of society in the nineteenth century as it is today **The Prime Minister and His Mistress** Sir Oliver Popplewell, 2014-07-22 Herbert Henry Asquith had a heart that burned for politics and women At sixty years old in 1912 he had five children by his first wife and two by his second wife He was also the prime minister of Great Britain at a critical time just two years before the outbreak of World War One Venetia Stanley was only twenty two years old and the best friend of Asquith's daughter Violet who later became Lady Violet Bonham Carter Between 1912 and 1915 Asquith wrote more than five hundred passionate love letters to Venetia Asquith wrote to her while conducting Cabinet meetings and during debates in the House of Commons Once war began he told her government secrets and he reportedly valued her advice above all others Historians have long been haunted by whether or not the relationship

ever turned into a physical affair Like a good detective story you ll be led to your own conclusion in The Prime Minister and His Mistress I Will Steal You the Stars Alivia Fleur,2024-07-03 Can a rookery thief steal a fair maid s heart Mina always follows the rules Ever since she came to the Duke Street orphanage as a frightened girl the rules have given her safety and purpose in a world of uncertainty But when her first placement ends in disgrace Mina learns that there are different rules for different people especially maids of all work Dismissed alone and ashamed she turns to the unlikelyst of saviours Enzo the scruffy haired boy who once shared her games within the orphanage walls The boy who broke her heart when he fled those same walls leaving her behind At 14 Enzo escaped Duke Street He embraced a life of thievery and rough justice preferring to live life on his own terms instead of chasing a well turned heel He has only one regret that he left behind the girl with the blonde plaits and the shy smile a girl he still looks for on busy street corners And like magic there she is in the dank depths of the rookery and asking for his help A tale of resilience and romance set against the harsh backdrop of 1852 London rich with the grit of working class life and fleeting moments of beauty I will Steal you the Stars is a historical romance of hardship hope tough choices and the power of a dream Because even in the poorest chapters of history every heart deserves a happy ending The Speedicut Papers Book 8 (1895-1900) Christopher Joll,2017-06-07 Book 8 of The Speedicut Papers is primarily concerned with Speedicuts involvement with the young Winston Churchill on the North West Frontier of India in the Sudan at the Battle of Omdurman and in the Second Boer War during which Speedicut is captured along with Churchill When not acting as nursemaid to Britains future greatest Prime Minister Speedicut plays a central role invariably with disastrous consequences in the notorious Jameson Raid Queen Victorias Diamond Jubilee and the assassination of the Empress of Austria Speedicuts opinions on the great figures of our time give a whole new meaning to the word iconoclast Dr Samuel Johnson If all the men and women Speedicut slept with were laid end to end I wouldnt be at all surprised Dorothy Parker In defeat defiance in victory magnanimity in peace goodwill except where that shit Speedicut is concerned Winston S Churchill Beyond Deviant Damsels Anne-Marie Kilday,David Nash,2023 Beyond Deviant Damsels offers a new interpretation of women s criminality in the nineteenth century countering assumptions that women commit crime in highly gendered ways and questioning the value of using stereotypes to analyse criminality an approach that marginalises the importance of circumstances and individual choice Bertrand's Brother Ruth Derham,2021-04-15 Frank Russell was the grandson of Prime Minister Lord John Russell and elder brother of philosopher Bertrand He was in his own right a radical political reformer and outspoken self determined moralist He was also a serial adulterer and convicted bigamist sent down from Oxford for supposed homosexual practices Oxford Dictionary of National Biography 2005-2008 Lawrence Goldman,2013-03-07 Who made modern Britain This book drawn from the award winning Oxford Dictionary of National Biography tells the story of our recent past through the lives of those who shaped national life Following on from the Oxford DNB s first supplement volume noteworthy people who died between 2001 and 2004 this new volume offers biographies of

Queen Victoria Charles V. Reed,2025-01-07 Queen Victoria was until the 21st century the longest reigning monarch in British history and reigned over an empire on which the sun never set While countless volumes have been written about the Great Queen recent scholarly work has meaningfully explored the queen's and the monarchy's place and role in Britain's global empire as well as the place of the monarchy and the queen in the complex and often brutal history of British imperialism The long story of Victoria is the story of multiple Victorias over the course of a long reign who was employed as a symbol of benevolent British rule who engaged some of her colonial subjects with interest and even empathy but who also supported and advocated for the worst excesses of British warfare and expansion Queen Victoria A Reference Guide to Her Life and Works explores the queen as well as the people events and ideas that shaped the life of the second longest reigning monarch in British history It features a chronology an introduction a bibliography and over 100 cross referenced dictionary entries It gives particular attention to the imperial and global impact of the queen's rule and her engagement with various colonial subjects across the globe *The Sherlock Holmes Book* DK,2015-10-20 The Sherlock Holmes Book the latest in DK's award winning Big Ideas Simply Explained series tackles the most elementary of subjects the world of Sherlock Holmes as told by Sir Arthur Conan Doyle The Sherlock Holmes Book is packed with witty illustrations clear graphics and memorable quotes that make it the perfect Sherlock Holmes guide covering every case of the world's greatest detective from A Study in Scarlet to The Adventure of Shoscombe Old Place placing the sorties in a wider context Stories include at a glance flowcharts that show how Holmes reaches his conclusions through deductive reasoning and character guides provide handy reference for readers and an invaluable resource for fans of the Sherlock Holmes films and TV series The Sherlock Holmes Book holds a magnifying glass to the world of Sir Arthur Conan Doyle's legendary detective *The Wharnccliffe Companion to Wakefield & District* Leonard Markham,2005-11-01 Aimed at visitors and residents alike this companion to the history of Wakefield is an indispensable reference guide to the long varied and sometimes surprising story of the town Essential information on the people places and events that played key roles in the story is presented in a convenient A to Z format Famous and notorious individuals are portrayed here dramatic sometimes tragic events are remembered and familiar local myths and legends are explored The volume is a source of fascinating insights into Wakefield's past and should provide answers to frequently asked historical questions the whos wheres and whys that make up the rich history of the town *Vice and the Victorians* Mike Huggins,2015-12-17 Vice and the Victorians explores the ways the Victorian world gave meanings to the word vice and the role this complex notion played in shaping society Mike Huggins provides a richer and more nuanced understanding of a term that despite its vital importance to the Victorians has thus far lacked a clear definition Each chapter explores a different facet of vice Firstly the book seeks to define exactly what vice meant to the Victorians exploring how the language of vice

was used as a tool to beat down opposition and dissent It considers the cultural geography and spatial dimensions of vice in the public and private spheres before moving on to look at specific vices the unholy trinity of drink sex and gambling Finally it shifts from vice to virtue and the efforts of moral reformers and reassesses the relationship between vice and respectability in Victorian life In his lively and engaging discussion Mike Huggins draws on a range of theory and exploits a wide variety of texts and representations from the periodical press parliamentary reports and Acts novels obscene publications paintings and posters newspapers sermons pamphlets and investigative works This will be an illuminating text for undergraduates studying Victorian Britain as well as anyone wishing to gain a more nuanced understanding of Victorian society
