by veterans who served in this formidable unit It is a story of young men who were to play a key role in freeing Europe from Nazi tyranny From the D Day landings in Normandy to fierce battles in Holland some were taken prisoner by the enemy and sent to camps until freed at the end of the war in 1945 Included are eyewitness accounts of the Normandy landings involvement of the RAF Royal Navy and American forces 10 Inter Allied Commando and the effect on local populations who got word of the actions in which this Commando took a major part Formed from 10th Battalion Royal Marines and reinforced by volunteers from several parts of the British armed forces they distinguished themselves by sheer determination and professionalism Over 900 men served in or were attached to this Commando keeping their overall strength up to 420 Many gave their lives never to return home so others might live to tell their story *Royal Marines Commandos* John Parker,2013-02-28 The Royal Marines were originally formed under the auspices of the Royal Navy to guard its sailing ships from harm They are proud of their history and origins but the Navy heritage is fading John Parker charts how the units have moved away from their nautical beginnings to develop over time into the most versatile force in the British military containing one of their most elite brigades The Royal Marines Commandos have over the past few years developed into the premier fighting organisation on land sea and air This history deals with events associated with the Royal Marines and subsequently in their commando role starring in all major conflicts including Italy Malaysia the Borneo confrontation with Indonesia and more recently Afghanistan Too Few Too Far Malcolm Angel,2008-12-15 British Commando George Thomsen s action filled account of combat during the Falklands War **Wearing the Green Beret** Jake Olafsen,2012-01-17 With the authenticity of Jarhead and Bravo Two Zero and the straight up narrative of Contact Charlie this military memoir describes what really goes on in the training of an elite soldier and his tours in Afghanistan In 2004 Jake Olafsen signed up for the Royal Marines Commandos He left everything behind at home in Canada on the basis of a spur of the moment decision The Royal Marines have the toughest and longest basic training of any infantry unit in the world For Olafson this meant eight months of wet and cold in England and Wales It was hell but he came out with the four Commando qualities that the corps look for courage determination unselfishness cheerfulness in the face of adversity Olafsen went on to serve for four years as a Commando in the Royal Marines an elite military unit based in the United Kingdom He went to Afghanistan twice in 2006 he went to confront the Taliban in Helmand Province for six months and in 2007 he was sent to do it all over again His story is filled with good experiences like the sense of accomplishment patriotism and camaraderie and the opportunity to travel the world But all good things come at a price The sacrifices he made for the Corps are significant he has killed the enemy and he has buried his friends And in telling his story Olafsen hopes that he can make sense of it all This is an honest gutsy story about the mud and the blood the triumphs and the tragedies From the Hardcover edition *The Green Beret: The Story Of The Commandos, 1940-1945* Lt. Hilary St. George Saunders,2016-01-18 I am not worried about the fighting I know you re fairly bloody minded But I want to speak of discipline during the battle You must get ashore if you have to swim

and I hope some of you will return as you ll be very useful for the next show The words of a Commando officer to his men before they stormed the beaches of Sicily under heavy machine gun fire sum up the swashbuckling devil may care spirit of the toughest fighting men produced the Commandos For their raids and battles far behind enemy lines in France North Africa Sicily Italy and Burma the men in the Green Beret have become a legend This book shows how this legend was forged

When Shall Their Glory Fade? James Dunning,2011-04-11 Written by a Commando veteran of World War II this is a remarkable vivid and honest account of the battles and actions behind the award of the thirty eight Battle Honours that were awarded to the Army Commandos by Her Majesty the Queen in 1958 These Battle Honours are emblazoned on the Commando Flag that hangs in Westminster Abbey in London almost opposite the tomb of the Unknown Warrior The story of each honour is presented in the most direct way using the stories and experiences of the commandos officers and men who actually took part in the fighting It should be emphasised that the operations mentioned as battle honours recognised only those deemed to be thoroughly outstanding feats of arms and represent only a fraction of the raids and battles fought by the Commandos in their five years of active service The formation of the Commandos was due to Winston Churchill who proposed their formation in a directive dated 18 June 1940 which advocated limited offensive action against the enemy s extended and vulnerable coastline This compilation includes photographs of training and combat in Norway Dieppe Normandy Flushing and many more locations

True Stories Of The Commandos Robin Hunter,2013-03-31 Raised in the dark post Dunkirk days of 1940 to carry the war to the enemy in five short and violent years the British Army Commandos established a reputation that has made the name Commando the mark of the fighting man The Commandos began as small scale raiders but their operations grew in size and destruction as the war progressed until in the end there were four full Commando Brigades superb units which fought in every theatre of war from Norway to Burma from the coast of France to the islands of Yugoslavia The Commandos were disbanded in 1945 46 but reformed in the 1970s and in 1982 about 1000 army Commandos set sail to fight in the Falklands War The long and proud history of the army contains accounts of many fine and distinguished units but few can equal and none exceed the story of the British Army Commandos

Up Close and Personal David Lee,2006-04-01 An in depth analysis of what it was really like to fight at the sharp end in every

theater of the Second World War from the author of Beachhead Assault In 1947 US General S L A Marshall controversially wrote that out of every one hundred combat soldiers only fifteen to twenty five actually fired their weapons at the enemy because of the innate human reluctance to take another s life Others maintained the opposite view that soldiers enjoyed killing David Lee demonstrates that the situation was far more complex than either of these positions arguing that the crucial factor for a unit s success in battle was the type of training it received To illustrate this Lee covers actions from each theater of the war in depth and with comprehensive coverage of weapons and tactics First there is the story of what happened when a battalion of British soldiers trained in the traditional manner came up against the Waffen SS whose training was formidable and bore close resemblance to the Commandos The success of No 4 Commando at Dieppe is covered to show how this was put into effect For the desert war there is a detailed look at how a rifle battalion held the snipe position against overwhelming odds and how that same battalion was virtually wiped out when it later went to Italy For the Far East Lee explains how hatred of the Japanese Army gave impetus to British soldiers fighting at Kohima and American soldiers at Iwo Jima And finally there is the story of one US infantry regiment on D Day
