When The Hammer Falls Julian Powers, 2014-06-20 What would you do if you had wishes More to the point what would you do if you were 12 years old and you had just discovered that you had wishes Jack was blissfully unaware of his pact with the devil and his ability to wish for whatever he wanted Not knowing could be catastrophic but knowing could not only be life changing but could also destroy everyone he loves and all of mankind Jack

had escaped from the Malorians but their nanotechnology tracked him back to Earth Meanwhile Jack met a troublesome girl called Megan who could also wish As Jack grew up he became the most successful and recognised man on the planet as Jackplug s frontman He also made blockbuster films and TV shows He married Megan and they travelled through time and space sometimes with disastrous results Throughout his life Jack s guardian angel had saved him as the devil attempted to kill him Megan wished that they had no wishes and no super powers before leaving Who would be the first to kill Jack the devil the Malorians or would he kill himself Jack survived a car crash and awoke from a coma Had he dreamt it all Perhaps it was a parallel universe The strange futuristic sunglasses beside his hospital bed may hold the answer Megan wasn t even a memory and his life resumed where it had nearly ended A former life had become a reality and he recovered and became the frontman of Jackplug Jack s mother was kidnapped and he was told to kill his manager or she would die This was all about revenge Many people hated the Falcon as Jack s manager was called Would Jack kill his boss or would a bomb onboard a Boeing 747 kill Perry Green and 329 others
