*Sarah's Way* Amber N. Paul, 2021-06-03 Sarah a young fitness crazed barista never expected to lead the life she would be swept up by Alex a very easy on the eyes Airman came into the coffee shop one day and wouldn't take no for an answer Why is this guy so pushy she thought It wasn't until she was swept off her feet and married to him that she quickly realized his womanizing and demeaning nature Alex cheated every chance he got and it didn't matter who with Sarah finally got the courage to stop relying on Alex and start to be her own woman As she becomes successful a past lust interest Ethan resurfaces Sarah falls madly in love with him while trying to divorce Alex A horrible sexual attack lands Sarah in the hospital for months and Alex gone forever Sarah's mystery love interest stays by her side the entire time Sarah wasn't prepared for what would happen while she was hospitalized but it would turn out to be the best thing that ever happened to her Watch as everything unfolds and Sarah and her new husband Ethan come out on top and stronger than ever before      Greater Than Rubies (Christian Romance) Hallee Bridgeman, 2012-12-16 Robin Bartlett said Yes Will she say I do when the big day arrives From his cultured handsome looks to his vast fortune Antonio Tony Viscolli is every red blooded American girl's dream match It doesn't hurt that he completely loves and adores Robin with all his heart and soul from practically the moment they first meet Robin comes from a blistering past struggling and fighting for the survival of herself and her two younger half sisters in a cold cruel world By the time Tony thaws her heart she has known hunger poverty violence and want Robin never had a chance to dream of a white wedding gown or a prince charming Instead her dreams were nightmares dark and clouded with fear and desperation For months Tony courted the blond beauty with the sapphire eyes He teased Robin and pursued her He showered with attention respect and charm He covered her in diamonds sapphires and rubies Tony satisfied every heart's desire Finally Robin came to understand God's love for her as imitated by the unconditional love Tony freely offered Then on a sunny Florida beach Tony proposed and Robin eagerly said Yes Back in bitter cold Boston doubts about becoming a billionaire's bride begin to crowd out her hopes for happiness Robin worked for tips until just a few months before Tony proposed on that sunny stretch of sand In fact she waited his table less than half a year earlier Having no experience facing these challenges Robin struggles to cope feeling the pressures of relocating of unreliable transportation of the never ending details of the shower the ceremony the reception the honeymoon of worries that her sisters will smoothly transition along with her of changing her name all while dealing with her father's very serious legal problems As the date draws inexorably near and the pressure mounts Robin begins to grasp the scale of her fiancé's vast material wealth and holdings the responsibilities of the virtual empire he commands She witnesses his generosity when he takes on a young protégé straight from the tough South Boston streets Ultimately Robin questions whether she is truly the girl of Tony's dreams Is she the

woman God has made for him In taking her on as a wife would she act as helpmeet or poison apple In truly loving Tony would it be better to bind herself to him for all eternity or return his freedom When her nightmares return in full force they remind Robin of an even deeper and more terrifying prospect Will she give in to her insecurities and cancel Boston s Royal Wedding for good Or with God s guidance will Tony sacrifice everything to prove to his beloved Robin her true worth **SPECIAL**

**Showing Off, Showing Up** Laurie Frederik, Kimberley Bell Marra, Catherine A. Schuler, 2017-05-18 The interdisciplinary essays in *Showing Off Showing Up* examine acts of showing a particular species of performance that relies on competition and judgment active spectatorship embodied excess and exposure of core values and hidden truths Acts of showing highlight those dimensions of performance that can most manipulate spectators and consumers often through over the top heightening and skewing of presentation Many forms of showing and of heightened performance however operate more enigmatically and covertly while still profoundly affecting the social world even if our reactions to them are initially flippant or unconcerned because it's just a

show Examining a wide range of examples from dog shows to competitive dancing to carnivals to striptease the essays illuminate how such events variously foster competition exaggerate a characteristic and reveal hidden truths There is as much to be learned about the power of showing through subtlety and underlying intentionality as through overt display The book s theoretical introduction and 12 essays by leading scholars reveal how diverse particularly efficacious genres of showing are theoretically connected and why they merit more concerted attention especially in the 21st century
