Royalty In A Cedar Box:

Royalty in a Cedar Box Phyllis Jean Robinson, 2005-06-28 Ciara Norman has been told from early childhood that she is a direct descendant of African royalty. Since her family lives a nice but ordinary life she finds this story hard to believe until her favorite Aunt gives her a cedar box filled with documents that are written in a strange African language that neither she nor anyone around her can decipher. Her aunt claims that these documents prove that they truly are members of a royal African family. Dr. Samson Randolph, a handsome archaeologist and curator of the Black History Museum, is planning an expedition to Africa to research a Lost Nubian Tribe. Ciara, a news reporter for the Chicago Reporter Newspaper, requests and is given the assignment to cover the archaeological expedition of Dr. Randolph. While in Egypt, Ciara pursues her quest to uncover the mystery of the cedar box and her royal lineage, and Dr. Randolph, intrigued with Ciara, the beautiful reporter, helps her research its authenticity. In the end, Ciara has to choose between a dream life as an African princess or true love in

America with the man of her dreams. Report of the Royal Commission in Reference to Certain Charges Made Against Hon. Sir Adolphe P. Caron Canada. Department of the Secretary of State, 1893. *Royal Autobiography in the Book of Qoheleth* Y.

V. Koh, 2012-02-14 This book examines the literary genres to which the book of Qoheleth belongs and on which it is modelled. It suggests that Qoheleth is best described as a royal autobiography based on the arguments of specific literary features of style and content, resemblance to various kinds of royal autobiographical narrative from the ancient Near East, and the existence despite first impressions of a coherent worldview. The analyses in this book cover various aspects from textual criticism through aspects of vocabulary and style to the interpretation of particular passages and the problem of making sense of the book as a whole. The attraction that David Archer feels for his fellow midshipman William Marshall seems impossible until desperate circumstances force their emotions to light in Ransom. After a year spent hiding their feelings in *Winds of Change*, Eye of the Storm, traitors and war with France threatens to destroy everything they've worked so hard for. In *Home Is the Sailor*, a different kind of battle awaits them when David's eldest brother dies under mysterious circumstances. And finally in *Sail Away*, explore the missing moments of David and William's romance as well as the lives of friends and family in a series of short stories including a special nit-picking vignette from Charlie Cochrane.
