Rubian Centralism Ukrainian Autonomy:

Independent Ukraine Bohdan S. Wynar, 2000 Approximately 1700 entries describe monographs scholarly essays and doctoral dissertations published in the Ukraine from 1990 to 1999 The material is arranged in chapters with an introduction outlining developments and important authors and their works Russian Centralism and Ukrainian Autonomy Zenon E. Kohut, 1988 Kohut examines the struggle between Russian centralism and Ukrainian autonomy He concentrates on the period from the reign of Catherine II during which Ukrainian institutions were abolished to the 1830s when Ukrainian society had been integrated into the imperial system Squaring of the Circle Arnon Rubin, 2005 **The Current Digest of the Post-Soviet Press**, 2000 **Arts & Humanities Citation Index**, 1991 **The Sovietization of Ukraine, 1917-1923** Jurij Borys, 1980 *The Ukrainian Revolution, 1917-1920* John Stephen Reshetar, 1972 **The abolition of Ukrainian autonomy** Zenon E. Kohut, 1975 *The Abolition of Ukrainian Autonomy (1763-1786)* Zenon Eugene Kohut, 1977

Borot'bism Ivan Maïstrenko, 2007 Much has been written on the 1917 20 revolution in Ukrainian on the national movement the Makhnovists and the struggle of the Bolsheviks Yet there were others with a mass following whose role has faded from history One such party was the Borotbisty an independent party of Ukrainian revolutionary socialists seeking to achieve national liberation and social emancipation Though widely known in revolutionary Europe in their day the Borotbisty were decimated during the Stalinist holocaust in Ukraine Out of print for over half a century this lost text by Ivan Maistrenko the last survivor of this party provides a unique account Part memoir and part history this is a thought provoking study which challenges previous approaches to the revolution and shows how events in Ukraine decided the fate not only of the Russian Revolution but the upheavals in Europe at the time Ivan Maistrenko's Borotbism is more than just a historical document The debates during and after the Ukrainian revolution of 1917 still have a contemporary relevance and Ukrainian debate was especially rich because if extended beyond the ranks of the Bolsheviks to the national communist parties the Borotbisty and Ukapisty Ukrainian national communism proved ephemeral when reborn in the late 1980s and early 1990s but arguably because it failed to reconnect with earlier polemics being as Maistrenko predicted in the 1950s little more than a cover story for the nomenklatura to pursue its self enrichment The debate about the relative importance of national and or social liberation is still of great importance however especially as Ukrainians arguably now have the former without the latter In Putin's Russia market capitalism has to struggle with the state and the left has often been prisoner to imperial nostalgia The popular hatred of oligarchs is as visceral in Ukraine as it is in Russia but these sentiments are currently better tapped by opposition politicians like Yuliia Tymoshenko and Yurii Lutsenko Both are often dismissed as populists but building a non communist Ukrainian left remains as important a task today as it was in 1917 or 1954 Andrew Wilson Senior Lecturer in Ukrainian Studies at the School of Slavonic East European Studies University College London Jewish National Autonomy in Ukraine 1917-1920 Salomon Goldelman, 1968 Political Thought of the Ukrainian Underground, 1943-1951 University of
