decisions Since our personal decision making does have consequences we all struggle making good decisions In reality what  
we believe affects every area of our actions and lifestyle including our decision making process For that reason the Bible

must be the centerpiece for Christian decision making In our ministry we have observed many good Christian people struggle with life due to their poor decisions You don t have to live a life of regrets if you will just apply God s Word to your daily decision processes The wise King Solomon recognized this problem in his own life Therefore early in life he sought to learn wisdom and understanding with his whole heart Later in life as he watched his own children grow he became burdened with their lack of wisdom God used this burden to inspire King Solomon to write the book of Proverbs for his children s benefit We can profit greatly if we understand and give heed to these same proverbs After earning his BA degree from Tennessee Temple College he furthered his training and earned a BD degree from Temple Baptist Theological Seminary in 1972 While recovering from heart surgery in 1991 he completed the requirements and received his PhD in Biblical Studies from Emmanuel Baptist University He was ordained at Canton Baptist Temple of Canton Ohio in August 1972 He began his first pastorate at Lakeshore Baptist Church of Mentor Ohio Over the next 36 years he pastored churches in Ohio Pennsylvania North Carolina Virginia and Indiana Since November of 1993 he has been the senior Pastor of Northwest Baptist Church of Indianapolis Indiana He and his wife Sue have four grown children
