Managing Ethnic Tensions In Multi Ethnic Societies Sri Lanka 1880 1985

Constantine P. Danopoulos

Managing Ethnic Tensions In Multi Ethnic Societies Sri Lanka 1880 1985:

Managing Ethnic Tensions in Multi-Ethnic Societies K. M. De Silva, 1986-06-25 Co published with the Institute of Asian Affairs Hamburg and the International Centre for Ethnic Studies Kandy Colombo **The Political Economy of Ethnic Conflict in Sri Lanka** Nikolaos Biziouras, 2014-03-26 At the point of independence in 1948 Sri Lanka was projected to be a success story in the developing world However in July 1983 a violent ethnic conflict which pitted the Sinhalese against the Tamils began and did not come to an end until 2009 This conflict led to nearly 50 000 combatant deaths and approximately 40 000 civilian deaths as well as almost 1 million internally displaced refugees and to the permanent migration abroad of nearly 130 000 civilians With a focus on Sri Lanka this book explores the political economy of ethnic conflict and examines how rival political leaders are able to convince their ethnic group members to follow them into violent conflict Specifically it looks at how political leaders can influence and utilize changes in the level of economic liberalization in order to mobilize members of a certain ethnic group and in the case of Sri Lanka shows how ethnic mobilization drives can turn violent when minority ethnic groups are economically marginalized by the decisions that the majority ethnic group leaders make in order to stay in power Taking a political economy approach to the conflict in Sri Lanka this book is unique in its historical analysis and provides a longitudinal view of the evolution of both Tamil and Sinhalese ethnic drives As such this interdisciplinary study will be of interest to policy makers as well as academics in the field of South Asian studies political science sociology development studies political economy and security studies The Intra-Group Dimensions of Ethnic Conflict in Sri Lanka Kenneth Bush, 2003-12-09 Through an examination of the critical junctures in post colonial Sri Lanka Kenneth D Bush refines and advances our understanding of the dynamics underpinning violent and non violent ethnic conflict The book enables us to understand how the ebb and flow of relations within ethnic groups affects relations between groups for good or for ill **Political Violence in Sri Lanka, 1971-1987** Gāmiṇi Samaranāyaka, 2008 This book is the revised version of his doctoral thesis on Political Violence in the Third World A Case Study of Sri Lanka 1971 1987 It is a systematic empirical study of the left wing insurrection by the Janatha Vimukthi Peramuna JVP in April 1971 and the ethnic insurrection by the Liberation Tigers of Tamil Eelam LTTE up to the Indo Sri Lanka Accord of 1987 This is an in depth study regarding a crucial phase of the on going political violence in Sri Lanka The book emphasizes that the root cause for the Political Violence in Sri Lanka is not only confined to ethnic groups but also on socio economic basis too The study explores the socio economic and political background that paved the way to the origin and development of underground movements the genesis of ideologies the strategies and tactics adopted leading to the escalation of political violence This book will therefore serve as a core reading material to understand the political violence in Sri Lanka Consequently it will serve as a very useful authentic reference material for the students of political science and policy makers concerned in search of a sustainable consensus and compromise for setting the political violence in Sri Lanka Contents List of Tables Abbreviations Foreword Preface

Introduction Theories on Political Violence An Analytical Framework Preconditions of Political Violence in Sri Lanka The 1971 Insurrection Precondition of Tamil Guerrilla Warfare Origin Development and Form of Guerrilla Organisations Ideologies Strategies and Programmes Pattern of Political Violence 1971 1987 Conclusion Appendices Bibliography Index

The Title Political Violence In Sri Lanka written authored edited by Gamini Samaranayake published in the year 2008 The ISBN 9788121210034 is assigned to the Hardcover version of this title This book has total of pp 432 Pages The publisher of this title is Gyan Publishing House This Book is in English The subject The Separatist Conflict in Sri Lanka Asoka Bandarage, 2008-11-19 The book provides a detailed historically based analysis of the origin evolution and potential resolution of the civil conflict in Sri Lanka over the struggle to establish a separate state in its Northern and Eastern provinces This conflict between the Sri Lankan government and the secessionist LTTE Liberation Tigers of Tamil Eelam is one of the world's most intractable contemporary armed struggles The internationally banned LTTE is considered the prototype of modern terrorism It is known to have introduced suicide bombing to the world and recently became the first terrorist organization ever to acquire an air force The iron law of ethnicity the assumption that cultural difference inevitably leads to conflict has been reinforced by the 9 11 attacks and conflicts like the one in Sri Lanka However the connections among ethnic difference conflict and terrorism are not automatic This book broadens the discourse on the separatist conflict in Sri Lanka by moving beyond the familiar bipolar Sinhala versus Tamil ethnic antagonism to show how the form and content of ethnicity are shaped by historical social forces It develops a multipolar analysis which takes into account diverse ethnic groups intra ethnic social class caste and other variables at the local regional and international levels Overall this book presents a conceptual framework useful for comparative global conflict analysis and resolution shedding light on a host of complex issues such as terrorism civil society diasporas international intervention and secessionism

Legacies of British Rule Matthew Lange, 2025-09-30 The relationship between colonial pluralism and nationalist civil war in former British colonies Why do some communities fight civil wars over national self rule while others do not In Legacies of British Rule Matthew Lange offers insight into this question through a rigorous multimethod and comparative analysis that pinpoints the combined impact of precolonial statehood and British colonialism During transitions from empire to nation state postcolonial officials in places with large and long standing precolonial states commonly try to build a unified nation around the dominant community in ways that discriminate against and exclude smaller communities While such national chauvinism can fuel reactions leading to nationalist civil war a history of British colonialism intensifies these reactions by increasing sensitivity to national chauvinism and empowering communities to act Consequently nationalist civil wars are three times more common in former British colonies than in other former overseas colonies And yet Lange finds that British colonialism exerts a very different effect on places with a limited history of precolonial statehood in an environment with little national chauvinism British colonialism deters nationalist civil war by promoting more inclusive postcolonial states that strengthen

plurinationalism and limit fear and anger over reduced communal autonomy Lange's account provides valuable new insights into the roots of nationalist civil war broad patterns of conflict and the mixed effects of colonialism and pluralism *Civilian Rule In The Developing World* Constantine P. Danopoulos, 2019-03-07 This book presents a number of case studies focusing on the factors methods and means of civilian control of the military in Sri Lanka India Malaysia the Philippines Guyana Jamaica Jordan Saudi Arabia Morocco Cameroon Kenya Tanzania and Zambia

The Routledge Handbook of Gender and Development Anne Coles, Leslie Gray, Janet Momsen, 2015-02-20 The Routledge Handbook of Gender and Development provides a comprehensive statement and reference point for gender and development policy making and practice in an international and multi disciplinary context Specifically it provides critical reviews and appraisals of the current state of gender and development and considers future trends It includes theoretical and practical approaches as well as empirical studies The international reach and scope of the Handbook and the contributors experiences allow engagement with and reflection upon these bridging and linking themes as well as the examining the politics and policy of how we think about and practice gender and development Organized into eight inter related sections the Handbook contains over 50 contributions from leading scholars looking at conceptual and theoretical approaches environmental resources poverty and families women and health related services migration and mobility the effect of civil and international conflict and international economies and development This Handbook provides a wealth of interdisciplinary information and will appeal to students and practitioners in Geography Development Studies Gender Studies and related disciplines

Dynamics of Regional Politics William Howard Wriggins, 1992 Dynamics of Regional Politics explores the patterns of international conflict and cooperation in four geographical subsystems the Horn of Africa the Persian Arabian Gulf the South Asian subcontinent and Southeast Asia Wriggins's book argues that to understand how the end of the Cold War will affect these areas it is necessary to look closely at their individual dynamics over time to differentiate characteristics that are intrinsic to the regions from those caused by the Cold War involvement of the United States and the Soviet Union

Abiding by Sri Lanka Qadri Ismail, Ismail demonstrates that the problems in Sri Lanka raise fundamental concerns regarding the relationship between democracies and minorities He redefines the concept of minority not as numerical insignificance but as conceptual space where distinction without domination can be achieved

Reviewing **Managing Ethnic Tensions In Multi Ethnic Societies Sri Lanka 1880 1985**: Unlocking the Spellbinding Force of Linguistics
