Managing For Results An Agenda To Improve The Usefulness Of Agencies Annual Performance Plans:

Managing for Results J. Christopher Mihm, 1998-06-01 Reviews the FY1999 annual performance plans of the 24 government agencies covered by the Chief Financial Officers Act which account for 98% of the federal governments outlays. These reviews assessed the usefulness of agencies plans for decisionmaking by determining the extent to which the plans provide a clear picture of intended performance, discuss strategies, resources to achieve performance goals, provide confidence that performance information will be credible. The objectives were to 1 summarize observations on the agencies performance plans 2 identify opportunities to improve the usefulness of future plans. **Managing for results views on ensuring the usefulness of agency performance information to Congress : report to the chairman, Committee on Health, Education, Labor, and Pensions, U.S. Senate ,** **Managing for Results** United States.
