Bowen's theory of resources and expenses as an important way to understand budgetary decision making in colleges and universities. Special attention is paid to the use of restricted funds, the budget implications of faculty appointments and the challenges caused by personnel policies for staff. In addition, greater attention is given to development and implementation of repair and replacement programs in auxiliary enterprises. The challenges that arise when budget problems are postponed are also discussed. The volume contains a number of suggestions for practitioners with new budgeting and fiscal responsibilities.

Managing the Entrepreneurial University J. Douglas Toma, 2011-06-06 As universities have become more market focused, has the law kept up? This book explains and grounds legal concepts indicating where doctrines and standards have evolved, where difficulties may arise and where change may be merited. **Higher Education**, 1958 **Higher Education Aid for Minority Business** United States. Office of Minority Business Enterprise, 1970 **Cultural Competency for Emergency and Crisis Management** Claire Connolly Knox, Brittany "Brie" Haupt, 2020-03-27 Disasters are complex and dynamic events that test emergency and crisis professionals and leaders, even the most ethical ones. Within all phases of emergency management, disasters highlight social vulnerabilities that require culturally competent practices. The lack of culturally respectable responses to diverse populations underscores the critical need for cultural competency education and training in higher education and practice. Using a case study approach that is both adaptable and practical, this textbook is an accessible and essential guide on what makes teaching effective in emergency and crisis management. **Key Features:** An in-depth understanding of cultural competence makes it well suited for teaching effectively in emergency preparedness. Expert guidance from leading authorities ensures a fresh perspective in various aspects of emergency and crisis management. National and international emergency and crisis management case studies containing ground rules, a scenario, roles, actors, guiding questions, facilitator questions, and resources. Pedagogy and andragogy theories that drive design and implementation. Pre and post tests for each case study allow faculty and trainers to empirically measure the participants' learning outcomes. Short case study structure can be easily implemented in a course as a group discussion, group assignment, or individual assignment. With unparalleled resources to reach every participant and facilitator, **Cultural Competency for Emergency and Crisis Management** offers educators a roadmap for successfully engaging participants in various aspects of cultural competency, knowledge, skills, and abilities. *International Encyclopedia of Business Management*, 2025-09-01 The *Encyclopedia of Business Management* Four Volume Set is a comprehensive resource that covers over 200 topics across various areas of business management.
