Managing Success Aasta S. Lubin, 1987 **Women Between Two Worlds** Myra Dinnerstein, 2010 An in depth study traces the experiences of 22 middle class women and their evolution from traditional wives and mothers to career women

The New Insecurity Jerald Wallulis, 1998-01-01 Examines the impact of the loss of expectations of permanent employment and enduring family relationships on individuals today and explores how changes in the collective endeavor to provide security could help *Military Families* A. Sue Goodman, 1990 **Women of Academe** Nadya Aisenberg, Mona Harrington, 1988 Drawing on more than sixty interviews this book examines women s struggle to gain authority in the academic profession and to use the at authority to change conventional practices The authors argue that as women rise in academe they are stymied at a certain level by the remaining force of the old norms which in the past barred women from professional life altogether BRS Bulletin Bibliographic Retrieval Services, Inc, 1990 **Wall Street Women** Melissa S. Fisher, 2012-06-19 Wall Street Women tells the story of the first generation of women to establish themselves as professionals on Wall Street Since these women who began their careers in the 1960s faced blatant discrimination and barriers to advancement they created formal and informal associations to bolster one another s careers In this important historical ethnography Melissa S Fisher draws on fieldwork archival research and extensive interviews with a very successful cohort of first generation Wall Street women She describes their professional and political associations most notably the Financial Women s Association of New York City and the Women s Campaign Fund a bipartisan group formed to promote the election of pro choice women Fisher charts the evolution of the women s careers the growth of their political and economic clout changes in their perspectives and the cultural climate on Wall Street and their experiences of the 2008 financial collapse While most of the pioneering subjects of Wall Street Women did not participate in the women s movement as it was happening in the 1960s and 1970s Fisher argues that they did produce a market feminism which aligned liberal feminist ideals about meritocracy and gender equity with the logic of the market **Successful Women in Singapore** Guat Tin Low, 1993 **Leadership, Military Leadership** , 1991 *The Balancing Act* Brenda Hanson Smith, 2000
