Managing The Problem Employee:

The Complete Idiot's Guide to Dealing with Difficult Employees Robert Bacal, 2000 Provides managers techniques such as intervention and arbitration to maintain a productive working environment despite problem employees and discusses ways employees can effectively communicate with difficult bosses and co workers *Managing the Problem Employee* Edward Roseman, 1982 Identifies common employee problems and recommends specific actions to remedy them and restore productivity How to Manage Problem Employees Glenn Shepard, 2010-12-30 There was a time when people were committed to working hard and being productive in the work force Today however some workers have an entitlement mentality and the labor pool includes some people who don't want a job just a paycheck In response to this trend Glenn Shepard has written How to Manage Problem Employees This comprehensive book will tell you how to set new hires up for success structure compensation packages to maximize their involvement and work ethic deal with problem areas before they become bad behavior and motivate slow and often unmotivated employees You'll learn the different personality types and how to handle specific manifestations of each including gossiping backstabbing direct confrontation hypochondriacs breaking the chain of command and sarcasm as well as how to terminate employees while staying on solid legal ground

From Losers to Winners V. Clayton Sherman, 1987 Managing problem employees is costly legally risky frustrating and essential for every company **Managing the Problem Employee** Canada. Transport Canada. Management Advisory and Employee Counselling Service, Personnel, 1976 *Imported fire ant*, 1983-May 1987 Evelyn A. Brownlee, 1987 *Dealing With Problem Employees* Amy Delpo, Lisa Guerin, 2023-12-26 Manage employee problems legally and effectively Every workplace has occasional problems with employees This book is packed with the legal and practical information you need to handle all kinds of issues from small corrective actions to major problems that put your company at risk It provides proven techniques and immediate solutions Find out how to quickly and legally investigate problems and complaints lay the groundwork for termination handle severances and references prevent discrimination and other types of lawsuits avoid hiring problem employees in the future stop bullying and harassment and create policies for remote employees The 12th edition is completely updated to reflect the latest employment laws in every state It provides sample policies forms and checklists to help you at every step Managing Difficult Employees Joseph Koob, 2008 This book is about what YOU as a manager and leader bring to the table It addresses two key questions Is your leadership conducive to a positive work environment with few personnel concerns and when concerns do arise are you prepared to handle them effectively and efficiently The first part of this book focuses on avoiding difficulties through knowledgeable and inspired leadership Part II of this work will demonstrate how to apply your personal strengths and your management and leadership skills to working successfully with difficult personnel concerns and in difficult situations *Problem Employee Management* Willa M. Bruce, 1990-05-07 Written for human resources managers and executives this book takes a pragmatic approach to a problem

all organizations face but is often neglected in management handbooks what to do about the problem employee As the author notes at the outset problem employees constitute from ten to twenty percent of the workforce yet usually require as much as eighty percent of a manager s time This volume provides a practical guide on how to both reduce the numbers of problem employees in an organization and decrease the time required to manage them Bruce calls for a proactive approach toward the problem employee and demonstrates field tested methodologies for dealing with a variety of problem workplace behaviors Particular emphasis is given to the techniques of Performance Monitoring a technique based on Reality Therapy Bruce also offers an extensive discussion of the advantages and limitations of Employee Assistance Programs and explains in detail legal issues associated with employee discharge for undesirable behavior The author begins by defining the problem employee and offering examples of typical problem employee response patterns She goes on to offer a theoretical explanation of the causes of problem behavior in the workplace and demonstrates why traditional remedies generally do not improve performance Two chapters introduce effective methods for dealing with the problem employee Performance Monitoring is discussed in detail as are methods for dealing with particular types of problem employees such as substance abusers those involved in family crises and employees with health related problems Turning to situations that require outside help Bruce provides a step by step procedure for both establishing an Employee Assistance Program and utilizing an existing one Directions for training supervisors to handle problem employees are provided Because the experience of managing a problem employee can be an extremely difficult one Bruce provides a technique for helping the manager reduce stress understand transition and formulate a personal plan to survive the impact of the problem employee Finally Bruce explains the legal rights of the employee the supervisor and the organization presents relevant court decisions and shows the manager how to work within the law when employee discharge becomes the only option

Managing Difficult People Marilyn Pincus, 2004-10-08 Managing Difficult People helps readers identify and deal with personality types such as the bully the complainer the know it all the silent type the social butterfly the rookie the manipulator and more
