Managing To Make It Urban Families And Adolescent Success:

Managing to Make It Frank F. Furstenberg, 1999-03-15 Challenging misconceptions about life in the inner city *Managing to Make It* shows that poor parenting is not necessarily more common in disadvantaged neighborhoods and explains why neighborhood advantaged is not invariably linked to success At the same time the study offers a wealth of information about programs services and policy decisions that will be indispensable to policy makers sociologists educators and anyone concerned with the fate of the urban poor *Managing to Make It* Frank F. Furstenberg, Thomas D. Cook, Jacquelynne Eccles, Glen H. Elder Jr., 2000-12 One of the myths about families in inner city neighborhoods is that they are characterized by poor parenting Sociologist Frank Furstenberg and his colleagues explode this and other misconceptions about success parenting and socioeconomic advantage in *Managing to Make It* This unique study the first in the MacArthur Foundation Studies on Successful Adolescent Development series focuses on how and why youth are able to overcome social disadvantages Based on nearly 500 interviews and case studies of families in inner city Philadelphia *Managing to Make It* lays out in detail the creative means parents use to manage risks and opportunities in their communities More importantly it also depicts the strategies parents develop to steer their children away from risk and toward resources that foster positive development and lead to success Indispensable to anyone concerned about breaking the cycle of poverty and helplessness among at risk adolescents this book has a readable graphic style easily grasped by those unfamiliar with statistical techniques Library Journal *Adolescent Development and School Achievement in Urban Communities* Gary Creasey, Patricia A. Jarvis, 2012 This timely volume explores essential themes issues and challenges related to adolescents lives and learning in underserved urban areas Distinguished scholars provide theoretically grounded multidisciplinary perspectives on contexts and forces that influence adolescent development and achievement The emphasis is on what is positive and effective what can make a real difference in the lives and life chances for urban youths rather than deficits and negative dysfunction Going beyond solely traditional psychological theories a strong conceptual framework addressing four domains for understanding adolescent development undergirds the volume developmental continuities from childhood primary changes biological cognitive social contexts of development adolescent outcomes A major federal government initiative is the development of programs to support underserved urban areas Directly relevant to this initiative this volume contributes significantly to gaining a realistic understanding of the contexts and institutions within which urban youths live and learn *Couples, Kids, and Family Life* Jaber F. Gubrium, James A. Holstein, 2006 Part of the Social Worlds from the Inside Out series this book introduces undergraduates to the study of the family one of the largest courses taken on sociological institutions It aims to present the social world of the family from the inside out through the lived experiences of its participants **Pioneering Paths in the Study of Families** Gary W Peterson, Suzanne Steinmetz, 2014-03-18 Meet the men and women whose groundbreaking work elevated the field of family studies In *Pioneering Paths in the Study of Families*

The Lives and Careers of Family Scholars you'll find 40 autobiographies written by leading scholars in sociology family studies psychology and child development Their fascinating stories demonstrate how their family experiences educational opportunities and occupational endeavors not only shaped the disciplines they chose but also shaped the theoretical perspectives they utilized and the topics they researched From the editors These autobiographies document the experiences of scholars from the early twentieth century to the present The descriptions of early influences on their education of their graduate school experiences and of their academic career paths provides a wealth of valuable material Since four of these scholars have died and a number are in their eighties or older these histories provide rich case studies on factors that influence the decision to go to college get married pursue an advanced degree make specific occupational choices and investigate certain topics These autobiographies also detail the barriers that early women scholars in the social sciences faced The scholars whose lives you will learn about in *Pioneering Paths in the Study of Families* include Joan Aldous Katherine R Allen Pauline Boss Carlfred B Broderick Wesley R Burr Catherine Street Chilman Harold T Christensen Marilyn Coleman Rand D Conger Randal D Day William J Doherty Evelyn Millis Duvall Glen H Elder Jr Bernard Farber Margaret Feldman Mark A Fine Greer Litton Fox Frank F Furstenberg Viktor Gecas Harold D Grotevant Gerald Handel Michael E Lamb Ralph LaRossa Gary R Lee Helena Znaniecka Lopata Harriette P McAdoo Hamilton McCubbin Brent C Miller Phyllis Moen Gerhard Neubeck Gary W Peterson Ira L Reiss John Scanzoni Walter R Schumm Barbara H Settles Laurence Steinberg Suzanne K Steinmetz Sheldon Stryker Marvin B Sussman Irv Tallman

Families with Adolescents Stephen Gavazzi, 2011-05-13 Despite their flocking to social networking sites in unprecedented numbers research confirms that adolescents continue to be influenced primarily by their families rather than their peers and other social contexts Consequently the family unit remains a vital setting for understanding and intervening with youth Synthesizing important findings from the literature on family science and such related fields as psychology sociology social work and public health *Families with Adolescents* focuses a unique panoramic lens on the study of adolescent development This concise volume offers a clear blueprint for more consistently improved practice emphasizing family process and structure instead of individual developmental stages Its chapters deftly summarize the recent knowledge base across the mental health and social services disciplines illustrating family concerns and theoretical perspectives coupled with real world vignettes and making cogent use of family assessment measures Featured topics include Central concepts of family development family systems ecological attachment and social learning theories in relation to families with adolescents Impact of the family on adolescent behavior education and mental health outcomes Selected studies on parenting behaviors conflict resolution and other major aspects of families with adolescents Application topics in family based intervention and prevention programs Integrating theory research and applications to create a triple threat model *Families with Adolescents* is an essential resource for researchers and graduate students as well as mental health therapists in clinical child and developmental psychology family

studies human development sociology social work and education **Resources in Education** ,1999-10 **Socioeconomic Status, Parenting, and Child Development** Marc H. Bornstein, Robert H. Bradley, 2014-04-04 This volume presents cutting edge thinking research on linkages among SES parenting child development The authors represent an array of different disciplines they approach the issues of SES parenting child dev from a variety of perspectives **Children and Families in Communities** Jacqueline Barnes, Ilan Barry Katz, Jill E. Korbin, Margaret O'Brien, 2006-05-01 In the past decade the relationship between communities children and families has inspired a wealth of research and policy initiatives because of a growing belief that the breakdown of families and communities is a significant factor in social problems including child abuse and juvenile crime The latest policy initiatives to tackle social problems have therefore targeted communities as well as high risk families This title amalgamates the latest research on the relationship between children families and communities and explores policy and practice implications Material for practitioners and community development workers is also included The book is divided into three parts 1 theory 2 the effect of community on children parents and families 3 interventions and policy implications Problem Behavior Theory and the Social Context Richard Jessor, 2017-06-19 This third and final volume of Richard Jessor's collected works explores the central role of the social context in the formulation and application of Problem Behavior Theory It discusses the effect of the social environment especially the social context of disadvantage and limited opportunity on adolescent behavior health and development The book examines the application of the theory in social contexts as diverse as the inner cities of the United States the slums of Nairobi Kenya and the urban settings of Beijing China It also provides insight into how adolescents and young adults manage to succeed despite disadvantage limited opportunity and even dangers in their everyday life settings It illuminates how these youth manage to stay on track in school avoid unintended pregnancy and dropout keep clear of the criminal justice system and remain uninvolved in heavy drug use In addition the book discusses the conceptual and methodological issues entailed in engaging the social context including the role of subjectivity and meaning in an objective behavioral science the contribution of the perceived environment in determining behavior the continuity that characterizes adolescent growth and development the necessity for a social psychological level of analysis that avoids reductionism the importance of a framework that engages the larger social environment and the advantage of adhering to systematic theory for the explanatory generality it yields Topics featured in this volume include Home leaving and its occurrence among youth in impoverished circumstances The continuity of adolescent developmental change The impact of neighborhood disadvantage on successful adolescent development Successful adolescence in the slums of Nairobi Kenya Explaining both behavior and development in the language of social psychology Problem Behavior Theory and the Social Context is a must have resource for researchers professors clinicians and related professionals as well as graduate students in sociology social and developmental psychology criminology criminal justice public health and allied disciplines
