David Blatt

Manchester United Ruined My Life:

Manchester United Ruined My Life Colin Shindler, 2012-05-24 Colin Shindler was dealt a cruel hand by Fate when he became a passionate Manchester City supporter In this brilliant sporting autobiography he recalls the great characters of his youth like his eccentric Uncle Laurence as well as his professional heroes Threaded through these sporting events is the author's own story which touches on a universal nerve growing up in a Jewish family his childhood destroyed by the sudden death of his mother and his slow emotional recovery through his love for Manchester City It is a tale that reveals what it is like to be on the outside looking in with his nose pressed up against the sweet shop window watching the United supporters take all the wine gums

Manchester United Ruined My Wife David Blatt, 2004 There've been books written by reformed nutters There've been books written by anoraks But rarely has a book been written that so painfully yet humorously conveys the all-consuming red-hot passion joy and despair felt by the vast majority of football fans Until now With highs so intense it reduces sex to mere skin rubbing David Blatt takes the reader on a journey that millions of so-called ordinary football fans can relate to How can girls compete with getting up at 5.00am for a 400 mile round trip for every home game For 35 years David has been following The Reds home and away and in Europe when he should have been doing the washing up putting up shelves and changing nappies You'll laugh you'll cry you'll fall asleep but if you're a football fan you'll have to agree he tells it like it really is cradle to the mid 50s tale of just how dominant a part of our lives football can become His wife has stated on more than one occasion that if ever they get divorced she will name Manchester United as the other woman When people get married it is Till death do us part yet for almost 40% of the population marriage ends in divorce BUT when you get the calling and fall truly madly deeply in love with your football team there IS no divorce you do not stray Your team is the one constant consistent permanent all-consuming passion in your life As David says There are two types of football fan in the world The Withnail I I'm not an I I'm a Withnail What makes Withnails tick Forget Relate Read on

Manchester City Ruined My Life Colin Shindler, 2012 Colin Shindler tells the story of his sorrowful disenchantment with his home town club as on the instruction of its new foreign owners it turns itself remorselessly into a global brand He watches his team get steadily more successful and to his own bewilderment feels steadily more alienated from it

Manchester United David L. Andrews, 2004 This is the first book to offer a rigorous theoretically grounded treatment of the Manchester United phenomenon with each chapter from a leading academic addressing a particular aspect of the central theme
