does not choose agreeing to drop out of the picture Sill as much of a stubborn hillbilly girl as she was when they first met her Melissa again refuses to choose between them The issue unresolved as ever the affair otherwise continues in secret at the family house The years roll on Melissa marries out of necessity but which one did she choose Find out how this convoluted love affair ends *Making a Life* Melanie Falick, 2019-10-29 A Publishers Weekly Best Book of 2019 Why do we make things by hand And why do we make them beautiful Led by the question of why working with our hands remains vital and valuable in the modern world author and maker Melanie Falick went on a transformative inspiring journey Traveling across continents she met quilters and potters weavers and painters metalsmiths printmakers woodworkers and more and uncovered truths that have been speaking to us for millennia yet feel urgently relevant today We make in order to slow down To connect with others To express ideas and emotions feel competent create something tangible and long lasting And to feed the soul In revealing stories and gorgeous original photographs *Making a Life* captures all the joy of making and the power it has to give our lives authenticity and meaning *Children, Deafness, and Deaf Cultures in Popular Media* John Stephens, Vivian Yenika-Agbaw, 2022-12-28 Contributions by Cynthia Neese Bailes Nina Batt Lijun Bi H l ne Chardon Stuart Ching Helene Ehriander Xiangshu Fang Sara Kersten Parish Helen Kilpatrick Jessica Kirkness Sung Ae Lee Jann Pataray Ching Angela Schill Josh Simpson John Stephens Corinne Walsh Nerida Wayland and Vivian Yenika Agbaw *Children Deafness and Deaf Cultures in Popular Media* examines how creative works have depicted what it means to be a deaf or hard of hearing child in the modern world In this collection of critical essays scholars discuss works that cover wide ranging subjects and themes growing up deaf in a hearing world stigmas associated with deafness rival modes of communication friendship and discrimination intergenerational tensions between hearing and nonhearing family members and the complications of establishing self identity in increasingly complex societies Contributors explore most of the major genres of children s literature and film including realistic fiction particularly young adult novels as well as works that make deft use of humor and parody Further scholars consider the expressive power of multimodal forms such as graphic novel and film to depict experience from the perspective of children Representation of the point of view of child characters is central to this body of work and to the intersections of deafness with discourses of diversity and social justice The child point of view supports a subtle advocacy of a wider understanding of the multiple ways of being D deaf and the capacity of D deaf children to give meaning to their unique experiences especially as they find themselves moving between hearing and Deaf communities These essays will alert scholars of children s literature as well as the reading public to the many representations of deafness that like deafness itself pervade all cultures and are not limited to specific racial or sociocultural groups
