Red Sauce Ian MacAllen,2023-10-15 Tells the story of Italian food arriving in the United States and how your favorite red sauce recipes evolved into American staples In Red Sauce Ian MacAllentraces the evolution of traditional Italian American cuisine often referred to as red sauce Italian from its origins in Italy to its transformation in America into a new distinct cuisine It is a fascinating social and culinary history exploring the integration of red sauce food into mainstream America alongside the blending of Italian immigrant otherness into a national American identity The story follows the small parlor restaurants immigrants launched from their homes to large popular

destinations and eventually to commodified fast food and casual dining restaurants. Some dishes like fettuccine Alfredo and spaghetti alla Caruso owe their success to celebrities and Italian American cuisine generally has benefited from a rich history in popular culture. Drawing on inspiration from Southern Italian cuisine, early Italian immigrants to America developed new recipes and modified old ones. Ethnic Italians invented dishes like lobster fra Diavolo spaghetti and meatballs and veal parmigiana and popularized foods like pizza and baked lasagna that had once been seen as overly foreign. Eventually the classic red checkered table cloth Italian restaurant would be replaced by a new idea of what it means for food to be Italian, even as red sauce became entrenched in American culture. This book looks at how and why these foods became part of the national American diet and focuses on the stories, myths, and facts behind classic and some not so classic dishes within Italian American cuisine.

Italian American Women, Food, and Identity Andrea L. Dottolo, Carol Dottolo, 2018-03-02 This book is about Italian American women, food identity, and our stories at the table. This mother-daughter research team explores how Italian American working-class women from Syracuse, New York, use food as a symbol and vehicle which carries multiple meanings. In these narratives, food represents home, loss, and longing. Food also stands in for race, class, gender, sexuality, immigration, region, place, and space. The authors highlight how food is about family and tradition as well as choice and change. These women's narratives reveal that food is related to celebration, love, power, and shame. As this study centers on the intergenerational transmission of culture, the authors' relationship mirrors these questions as they contend with their similar and disparate experiences and relationships with Italian American identity and food. The authors use the recipe as a conversational bridge to elicit narratives about identity and the self. They also encourage readers to listen closely to the stories at their own tables to consider how recipes and food are a way for us to claim who we are, who we think we are, who we want to be, and who we are not.

A Taste for All Seasons Eleanor Rodio Furlong, 2021-02-25 **Lidia's**

Italian-American Kitchen Lidia Matticchio Bastianich, 2010-08-18 From the beloved TV chef and best-selling author loved by millions of Americans for her simple, delectable Italian cooking comes her most instructive and personal cookbook yet. Focusing on the Italian American kitchen, the cooking she encountered when she first came to America as a young adolescent, Lidia pays homage to this cuisine of adaptation, born of necessity. But she transforms it subtly with her light, discriminating touch, using the authentic ingredients not accessible to the early immigrants, which are all so readily available today. The aromatic flavors of fine Italian olive oil, imported Parmigiano Reggiano and Gorgonzola dolce, latte, fresh basil, oregano, and rosemary, sun-sweetened San Marzano tomatoes, prosciutto, and pancetta permeate the dishes she makes in her Italian American kitchen today. And they will transform for you this time-honored cuisine as you cook with Lidia, learning from her the many secret, sensuous touches that make her food superlative. You'll find recipes for Scampi alla Buonavita, the garlicky shrimp that became so popular when Lidia served the dish at her first restaurant, Buonavita. Clams Casino with roasted peppers and good American bacon, Caesar Salad, shaved Parmigiano makes the difference, baked cannelloni with roasted pork

and mortadella and lasagna blanketed in her special Italian American Meat Sauce But just as Lidia introduced new Italian regional dishes to her appreciative clientele in Queens in the seventies so she dazzles us now with pasta dishes such as Bucatini with Chanterelles Spring Peas and Prosciutto and Long Fusilli with Mussels Saffron and Zucchini And she is a master at teaching us how to make our own ravioli featherlight gnocchi and genuine Neapolitan pizza Laced with stories about her experiences in America and her discoveries as a cook this enchanting book is both a pleasure to read and a joy to cook from
