Mango Opera:

The Mango Opera, 2012 *Mongo Mango Cookbook* Cynthia Thuma, 2015-10-01 If you've never tried mangoes you're in for a treat. Not only are mangoes light, delicious and juicy, they go with anything from grilled pork chops to ice cream. Discover mouth-watering recipes that feature mangoes in salads, meat and seafood dishes, desserts, drinks and even salsas and chutneys. An appealing blend of Asian, Mexican, Indian and American recipes awaits. One taste and you'll know why the mango is called the king of fruits. But much more than a book of easy-to-make recipes, *The Mongo Mango Cookbook* is also a compendium of mango history, legend, literature and lore that includes lists of current cultivars and mango growing countries, information on nurseries and garden clubs around Florida and a list of mango festivals around the globe **Octopus Alibi** Tom Corcoran, 2004-06-14 Corcoran takes his critically acclaimed Key West mystery series to new heights in this fourth outing in which Alex Rutledge must uncover the link between two high-profile murders and a 30-year-old land deal. Martin's Press *Gumbo Limbo* Tom Corcoran, 2000-11-20 Part-time Key West crime scene photographer Alex Rutledge's vacation is cut short when an old buddy arrives in town and promptly disappears *Bone Island Mambo* Tom Corcoran, 2025-10-16 A pleasant Key West Sunday in January turns into a tropical nightmare. It's early. The tourists are still asleep. Freelance and part-time crime photographer Alex Rutledge bicycles near vacant streets, taking pictures for his own enjoyment. But he's challenged at a restoration district construction site, accused by a developer of snapping photos for an expose. An hour later, the city police request Rutledge's forensic photo expertise. A murder victim has been found at the same work site. Detective Dexter Hayes Jr. is caustic and inept, and Rutledge is dismissed before he completes his work. An hour later, the county sheriff, Chicken Neck Liska, asks Alex to photograph another murder victim, this time on nearby Stock Island. Rutledge soon suspects that the murders are linked illogically through him. He can't divulge the link to his lover, Teresa Barga, for fear of compromising her police media liaison job. Alex questions the detective's blundering while the cops begin to link him to the crimes. A powerful real estate broker offers Rutledge an odd, lucrative job. Friends are threatened. He and Teresa dodge gunshots. Yet there is no identifiable antagonist, no motive, no reason for Rutledge to be a hub for evil. To protect himself and his friends, to avoid arrest, unsuccessfully at first, he must scratch for information on an island where few tell the truth. At the core of *Bone Island Mambo* is betrayal, retribution and revenge. The plot twists in surprising directions, and Corcoran's characters are true characters, never as laid-back as they first appear. Visit Key West and hang on for dear life *Air Dance Iguana* Tom Corcoran, 2025-09-23 Two men, twenty miles apart, are killed in the same strange way on a quiet summer morning in the Florida Keys. Forensic photographer Alex Rutledge finds that he may be the only person interested in pursuing justice, especially when his brother becomes a key suspect. Alex connects the current day murders to a thirty-year-old scam amidst revenge smoldering since the Nixon years. He races time to thwart a final killing and, if possible, to prove his brother's innocence. Tom Corcoran once again delivers a deftly plotted and gripping mystery with all of the flavor and intrigue that Key

West can offer Florida on the Boil Kenneth F. Kister, 2007 Provides incisive reviews of more than 300 recommended novels and short story collections set in Florida Numerous Florida fiction writers past and present are represented in the book including such diverse talents as Edna Buchanan Harry Crews Connie May Fowler and others Excerpted from book cover

Jimmy Buffett Ryan White, 2017-05-09 A candid compelling and rollicking portrait of the pirate captain of Margaritaville Jimmy Buffett In *Jimmy Buffett A Good Life All the Way* acclaimed music critic Ryan White has crafted the first definitive account of Buffett's rise from singing songs for beer to his emergence as a tropical icon and CEO behind the Margaritaville industrial complex a vast network of merchandise chain restaurants resorts and lifestyle products all inspired by his sunny but disillusioned hit Margaritaville Filled with interviews from friends musicians Coral Reefer Band members past and present and business partners who were there this book is a top down joyride with plenty of side trips and meanderings from Mobile and Pascagoula to New Orleans Key West down into the islands aboard the Euphoria and the Euphoria II and into the studios and onto the stages where the foundation of Buffett's reputation was laid Buffett wasn't always the pied piper of beaches bars and laid back living Born on the Gulf Coast the son of a son of a sailing ship captain Buffett scuffed around New Orleans in the late sixties flunked out of Nashville and a marriage in 1971 and found refuge among the artists dopers shrimpers and genuine characters who'd collected at the end of the road in Key West And it was there in those waning outlaw days at the last American exit where Buffett like Hemingway before him found his voice and eventually brought to life the song that would launch Parrot Head nation And just where is Margaritaville It's wherever it's five o'clock it's wherever there's a breeze and salt in the air and it's wherever Buffett sets his bare feet smiles and sings his songs

The Miracle Strip Nancy Bartholomew, 2013-11-12 A Sexy Stripper Sleuth Bares It All to Catch a Cold Blooded Killer in The Miracle Strip by Nancy Bartholomew The whip smart Sierra Lavotini is the hottest act on Panama City's strip scene She's the headliner at the bare all bar the Tiffany Club Besides her bodacious business Sierra's life is fairly simple And that's the way she likes it But when a good friend Denise seeks her help Sierra's life takes a murderous turn Seems Denise's furry friend Arlo has just been dog-napped From the pricey ransom note Sierra figures there's much more to this case than meets the eye And her hunch proves correct when a quick trip to Denise's apartment reveals a fresh corpse Sierra can't shake the feeling that her friend isn't telling her the whole story especially after Denise turns up missing and the body count continues to rise Determined to reveal the naked truth Sierra tackles this steamy caper head on digging in her stiletto heels until the dangerous job is done

Mile Marker Zero William McKeen, 2011-10-04 True stories of writers and pirates painters and potheads guitar pickers and drug merchants in Key West in the 1970s For Hemingway and Fitzgerald there was Paris in the twenties For others later there was Greenwich Village Big Sur and Woodstock But for an even later generation one defined by the likes of Jimmy Buffett Tom McGuane and Hunter S Thompson there was another moveable feast Key West Florida The small town on the two by four mile island has long been an artistic haven a wild refuge for people of all

persuasions and the inspirational home for a league of great American writers. Some of the artists went there to be literary heroes. Some went to re-create themselves. Others just went to disappear and succeeded. No matter what inspired the trip, Key West in the seventies was the right place at the right time where and when an astonishing collection of artists wove a web of creative inspiration. Mile Marker Zero tells the story of how these writers and artists found their identities in Key West and maintained their friendships over the decades despite oceans of booze and boatloads of pot through serial marriages and sexual escapades in that dangerous paradise. Unlike the Lost Generation of Paris in the twenties, we have a generation that invented, reinvented, and found itself at the unending cocktail party at the end and the beginning of America's highway.
