Mankind And The Year :

The Ego-Mankind's Inner Terrorist! Gene Matlock,2005-09 Gene Matlock says personal testimonies of reincarnation contact with spirits bilocation and all manner of psychic events are invalid as scientific proofs Most people aren t conscious of psychic experiences and events operating in their lives Gene says that we can and must provide our fellow humans with a common and collective memory of having lived before They don t need to remember any details of past lives but just the memory of having had repeated births and deaths Gene claims to have valid evidence that all of us remember having lived before Gene also traces the original meaning of God back to its North Indian roots telling how God reveals his her existence through natural archetypes He says Christianity originated more than ten millenniums ago in India as Krishtaya providing historical evidence He also explains carefully why religion can never be eradicated plus many other fascinating and little known facts Gene shows how anyone can break the Bible Code easily without computer assistance Within these pages is a simple instant Cabala for all people of all religions **Encyclopaedia Britannica** ,1817 *Encyclopædia Britannica* ,1810

2012 Gold's History Solves Mankind's Mystery Michael Brumfield,Mike Brumfield,2005-06 A fascinating story of two men researching the origins of religion Their journey takes them down THE ROAD of shocking scientific discoveries in our ancient past Primitive mans heaven is irrefutably up in all religions and yet Michael s buddy remains steadfast in his belief of a spirit world However Michael sees the matching evidence provided by science today We are going up need gold to do it and last but not least are creating robots to assist us with the obvious He presents the evidence to prove religions story is todays science Up and space is religions heaven and our logical goal in achieving the immortality of our own species We have come full circle Religion matches todays science What they look like and why they stay away is the climax of his research Religions universal up theme proves space is inhabited by flesh and blood scientific beings We are going up space the final frontier
