Mankind My Church:

Mankind My Church Colin Morris, 1971-01-01 **ManKind** Suzanne M Mendy-Sambou, 2025-01-31 Mankind by Suzanne Mendy Sambou is an inspiring exploration of humanity's collective strength and capacity for connection empathy and healing Drawing from her experiences as an immigrant adapting to a new culture Suzanne offers a heartfelt guide for fostering meaningful relationships and combating modern challenges like isolation anxiety and depression The book underscores the transformative power of small acts of kindness optimism and open communication in building a more compassionate world Through anecdotes and practical advice it advocates for self healing as a precursor to helping others illustrating how love and understanding can act as remedies for life's struggles Suzanne highlights the importance of community and the profound impact of acknowledging others worth showing that we can create a ripple effect of healing and hope through shared humanity A blend of personal narrative reflective exercises and motivational guidance Mankind is both a call to action and a comforting reminder that every individual can make a difference in their own lives and the lives of others **Our Lady of Unity's Co-Founder's Formation and Mission Handbook** Romeo Deiparine, 2019-04-22 For thousands of years religion existed revealing humanity's need and hunger for the invisible and unfathomable God Billions of souls were drawn to religion especially when the children of Israel shared to us the invisible and unfathomable God that is always presence in our lives Religion forms and prepares us in our long and demanding journey to God and this book was written as a manual of divine direction shaping and transforming our soul into the likeness of God This book was specially made for serious souls who want to give their all to God and achieve salvation This is dedicated solely for the greater glory and honor of the Triune God through our Lady of Unity Mankind's Last Chance Richard Poole, 2013-09-27 Drawing extensively on his experiences of more than thirty years as a humanitarian worker Richard Poole takes us on a journey from our earliest origins to our present day one that enables us to see how far we have strayed from our guiding principles to create a world that is bent on self destruction Mankind's Last Chance argues that the repair of our broken societies our collapsing economies and our wrecked environment lies not in the application of any new form of political and economic governance but in a moral reawakening and a renewed commitment to the common good that can only come from a spiritual transformation on a universal scale More importantly it tells us where the source of such a transformation is to be found and how it can be achieved *THE GOSPEL OF THE LIGHT OF MANKIND* Alfred Schmielewski, Yogi A.S. Narayana, In this age of hunger and despair where universal war is threatening where all of the world's religions and political institutions have been declining for decades where mankind finds itself in a state of total spiritual and moral bankruptcy where the world's nations are politically and culturally bankrupt where the life of the human species is threatened by ecological disaster one of the hidden sages a saint of God addresses the human race He is a religious recluse who prefers to remain anonymous for being a friend of God and the human race can be a greater offence than being an outright criminal One of the great sages is coming to terms with God and

the world is making a stand against the murder of the human race Maha Yogi A S Narayana Siddha GuruGiri One of the great sages is coming to terms with God and the world is making a stand against the murder of the human race Maha Yogi A S Narayana Siddha GuruGiri
