J. O'Rourke, 2018-09-01 An extremely funny take on the decline of civility from the 1 New York Times bestselling author of *How the Hell Did This Happen* The Plain Dealer In *Modern Manners* cultural guru P J O'Rourke provides the essential accessory

for the truly contemporary man or woman a rulebook for living in a world without rules Traditionally good manners were a means of becoming as bland and invisible as everyone else thus avoiding calling attention to one's own awkwardness and stupidity Today with everyone wanting to appear special stupidity is at a premium and manners as outrageous and bizarre as possible are a wonderful way to distinguish ourselves or at least have a fine time trying This irreverent and hilarious guide to anti-etiquette offers pointed advice on topics from sex and entertaining to reading habits and death With the most up-to-date forms of vulgarity churlishness and presumption the latest fashions in discourtesy and barbarous display O'Rourke is our guide to the art of incivility Modern Manners is O'Rourke doing what he has always done making hilarious insightful often vicious fun of the world and all its inhabitants People A reader who rushes through Modern Manners from cover to cover like I did will feel like a child who has gorged on chocolate cake happy but a bit disappointed that it's all gone The reason O'Rourke's book is so successful however is not just his great sense of humor O'Rourke's writing has a cutting edge behind it which makes a reader's laughter just a bit thought provoking and just a bit rueful Very funny Chicago Tribune
