HENRY J. VAN-LENNEP, D.D.,1875 Bible Lands Henry John Van-Lennep,2017-12-07 Excerpt from Bible Lands Their Modern Customs and Manners Illustrative of Scripture In every nation however usages are found which can not be explained or accounted for by a reference to the physical character of the country These customs have an historical original lost and forgotten perhaps in the lapse of time but still maintaining its sway over the minds and manners of those who have inherited them The fact that the customs now prevalent in Bible lands are so different from those of the West and yet essentially identical with the ancient manners of the East is of the greatest practical importance to the Biblical student The Hebrew commonwealth has perished its people are scattered among all the nations of the earth whose manners they have adopted The principal clue therefore to what they once were and our chief means of explaining much that is obscure in Holy Writ will be found in the customs of the modern East And we propose in the second part of the present work to consider all such details of Oriental life as appear to have in the main an historical origin About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works Bible Lands D.
