My Two Lives Race Driver To Restaurateur:

My Two Lives René Dreyfus, Beverly Rae Kimes, 1983 **The Racers: How an Outcast Driver, an American Heiress, and a Legendary Car Challenged Hitler's Best (Scholastic Focus)** Neal Bascomb, 2020-10-06

The heart pounding story of an unlikely band of ragtags who took on Hitler's Grand Prix driver. In the years before World War II Adolf Hitler wanted to prove the greatness of the Third Reich in everything from track and field to motorsports. The Nazis poured money into the development of new race cars and Mercedes-Benz came out with a stable of supercharged automobiles called Silver Arrows. Their drivers dominated the sensational world of European Grand Prix racing and saluted Hitler on their many returns home with victory. As the Third Reich stripped Jews of their rights and began their march toward war, one driver, René Dreyfus, a 32-year-old Frenchman of Jewish heritage who had enjoyed some early successes on the racing circuit, was barred from driving on any German or Italian race teams which fielded the best in class due to the rise of Hitler and Benito Mussolini. So it was that in 1937 Lucy Schell, an American heiress and top Monte Carlo Rally driver, needed a racer for a new team she was creating to take on Germany's Silver Arrows. Sensing untapped potential in Dreyfus, she funded the development of a nimble tiger of a new car built by a little-known French manufacturer called Delahaye. As the nations of Europe marched ever closer to war, Schell and Dreyfus faced down Hitler's top drivers and the world held its breath in anticipation, waiting to see who would triumph.

Simply Bev... James H. Cox, 2010

This biography of Beverly Kimes was written by her beloved husband, Jim Cox. This is not a book about the illustrious career of Beverly Kimes, first woman editor of *Automobile Quarterly*, renowned author, or the foremost classic car historian of her time. But a story about Beverly Kimes, daughter, sister, friend, mentor, wife, and inspiration to women and men who had the distinct honor of having her be part of their lives. Determination is everything. This was her mantra, the creed that she lived by from the time she was a small girl growing up in West Chicago until the day she died in 2008. Beverly Kimes was a woman on a mission to do whatever it was she was destined to do, and she did plenty by taking on a leadership role and helping those who travelled with her. This biography chronicles Beverly's early years, taken from copious notes, letters, and pictures found in numerous personal scrapbooks saved over the years. It follows her adult life in New York through her rise up the ranks to editor of *Automobile Weekly*, her notoriety as an automobile historian, and life with her husband, family, and friends. How does someone so determined for greatness make it happen in a career she initially knew nothing about? When she went to her interview with Scott Baily at *Automobile Quarterly*, she told him, "The only thing I know about automobiles is that I have a driver's license." This inspiring story is about a woman in a man's world overcoming odds, getting involved, and touching the hearts of all types of people worldwide along the way. The road to greatness was not easy for Beverly; in fact, it took its rocky turns. Life was filled with obstacles due to illness, circumstances, or just plain fate. But she travelled on nonetheless with dignity and style. And for all who had come to know and love her, it was a hell of a ride.
