My Vietnam Ed Kugler, 2008-07-25 My Vietnam is a one of a kind look at the Vietnam War In a small high school in Montana a project was begun over a decade ago One teacher at Frenchtown High School and two veterans started what is now the Frenchtown Vietnam Symposium There is a history class on the Vietnam War and each year in May the seniors in the class host the Symposium They invite up to forty Vietnam War veterans to come and discuss the war their role in it and they are honored by the students My Vietnam is a book featuring thirteen Montana veterans telling what their Vietnam was like What makes it one of a kind is that these veterans are from all services many military occupations from Marine sniper to fighter pilot grunts and artillerymen They cover many years of the war and they answer twenty six of the most commonly asked questions by the students each year My Vietnam is very special heart warming and healing for all You won't want to miss this special look at the war that shook our nation to its core

Women Vietnam Veterans Donna A. Lowery, 2015-09-24 *Women Vietnam Veterans Our Untold Stories* by Donna Lowery a Vietnam veteran chronicles the participation of American military women during the Vietnam War This little known group of an estimated 1 000 women from the Army Marine Corps Navy and Air Force left its mark in Vietnam from 1962 to 1973 They served in a myriad of duties from intelligence analysts flight controllers clerk typists translators physical therapists dietitians and communications specialists among many others Our Untold Stories allows the women to speak for themselves about their experiences and for the first time ever brings names facts and figures together in one literary work The purpose of the book is to be historically significant to future researchers The history of the military women in Vietnam began in 1962 with Army Major Anne Marie Doering She was born in what became North Vietnam Her father was a French officer her mother a German citizen When her father died her mother married an American businessman Her service in Vietnam as a Combat Intelligence Officer is a compelling story of the US military women in a war zone It was not until 1965 that the US Women's Army Corps WAC sent two women as advisors to assist the newly formed Vietnam Women's Armed Forces Corps The following year the Army authorized the establishment of a WAC Detachment in Vietnam Soon thereafter the Air Force Marine Corps and Navy also sent women to serve in various capacities In March 1973 under the Paris Peace Accords the last women left Vietnam along with the remaining men The impact they had in Vietnam set the stage for the expansion and integration of women into additional roles in the military

Today women serve in areas of active combat demonstrating their abilities and dedication to the mission Vietnam George Donelson Moss, 2020-12-30 Now in its 7th edition *Vietnam An American Ordeal* continues to provide a thorough account of the failed American effort to create a viable non Communist state in Southern Vietnam Unlike most general histories of U S involvement in Vietnam which are either conventional diplomatic or military histories this volume synthesizes the perspectives to explore both dimensions of the struggle in greater depth elucidating more of the complexities of the U S Vietnam entanglement It explains why Americans tried so hard for so long to stop the spread of Communism into Indochina and why they failed In this new edition George Donelson Moss expands and refines key moments of the Vietnam War and its aftermath including the strategic and diplomatic background for United States involvement in Indochina during World War II how the French with British and American support regained control in southern Vietnam Saigon and the vicinity in the fall 1945 the account for the formation of SEATO and the account of the Sino Vietnamese War of 1979 The text has also been revised and updated to align with recently published monographic literature on the time period The accessible writing will enable students to gain a solid understanding of how and why the United States went to war against The Democratic Republic of Vietnam and why it lost the long bitter conflict This book will be of interest to students and scholars of American history the history of foreign relations and the Vietnam War itself **Vietnam** John Prados, 2009-04-21 The Vietnam war continues to be the focus of intense controversy While most people liberals conservatives Democrats Republicans historians pundits and citizens alike agree that the United States did not win the war a vocal minority argue the opposite or debate why victory never came attributing the quagmire to everything from domestic politics to the press The military never lost a battle how then did it not win the war Stepping back from this overheated fray bestselling author John Prados takes a fresh look at both the war and the debates about it to produce a much needed and long overdue reassessment of one of our nation s most tragic episodes Drawing upon several decades of research including recently declassified documents newly available presidential tapes and a wide range of Vietnamese and other international sources Prados s magisterial account weaves together multiple perspectives across an epic sized canvas where domestic politics ideologies nations and militaries all collide Prados patiently pieces back together the events and moments from the end of World War II until our dispiriting departure from Vietnam in 1975 that reveal a war that now appears to have been truly unwinnable due to opportunities lost missed ignored or refused He shows how from the Truman through the Eisenhower Kennedy Johnson and Nixon administrations American leaders consistently ignored or misunderstood the realities in Southeast Asia and passed up every opportunity to avoid war in the first place or avoid becoming ever more mired in it after it began Highlighting especially Ike s seminal and long lasting influence on our Vietnam policy Prados demonstrates how and why our range of choices narrowed with each passing year while our decision making continued to be distorted by Cold War politics and fundamental misperceptions about the culture psychology goals and abilities of both our enemies and our allies in Vietnam By turns

engaging narrative history compelling analytic treatise and moving personal account Prados's magnum opus challenges previous authors and should rightfully take its place as the most comprehensive up to date and accurate one volume account of a war that judging by the frequent analogies to the current war in Iraq has not yet really ended for any of us **Popular**

Music of Vietnam Dale A. Olsen, 2008-06-30 Based on the author's research in Ho Chi Minh City Hanoi and other urban areas in Vietnam this study of contemporary Vietnamese popular music explores the ways globalization and free market economics have influenced the music and subcultures of Vietnamese youth focusing on the conflict between the politics of remembering nurtured by the Vietnamese Communist government and the politics of forgetting driven by the capitalist interests of the music industry Vietnamese youth at the end of the second and beginning of the third millennium are influenced by the challenges generated by a number of seemingly opposite ideologies and realities such as the past versus the present socialism versus capitalism and cultural traditionalism versus globalization Vietnam has undergone a radical demographic shift with a very pronounced youth movement and consequently Vietnamese popular culture has been radically reshaped by a young population coming of age in the twenty first century As Olsen reveals the way Vietnamese young people cope with these opposing and contrasting forces is often expressed in their active and passive music making **A Vietnam**

Trilogy, Vol. I Raymond M. Scurfield, 2004 In this study of the psychiatric impact of war on soldiers and veterans Scurfield social work U of Southern Mississippi recounts his three different experiences in Vietnam first in 1968 as an Army social work officer working with psychiatric casualties and in 1989 and 2000 when he and other veterans returned on missions of peace Scurfield **The Boys of Chattahoochee: Sons of the Greatest Generation** Darrell S. Mudd, The Boys of Chattahoochee Sons of the Greatest Generation are memories recalled through the eyes of Cold War era military veterans Tested up to and including the extremes of combat leadership in Vietnam they were taught by one of the finest organizations in the world the U S Army Infantry Officer Candidate School OCS at Fort Benning Georgia Eleven contributors placed their fingerprints upon these pages From all parts of the USA they came together as classmates for a period of time that 50 years later continues to arouse the most deeply felt of feelings What some might describe as typical sons of the Greatest Generation you the readers will turn the pages to stories much more than expected as told by this assembly of young American boys turned into leaders of men Low Level Hell Hugh L. Mills, Jr., 2009-01-16 The aeroscouts of the 1st Infantry

Division had three words emblazoned on their unit patch Low Level Hell It was then and continues today as the perfect concise definition of what these intrepid aviators experienced as they ranged the skies of Vietnam from the Cambodian border to the Iron Triangle The Outcasts as they were known flew low and slow aerial eyes of the division in search of the enemy Too often for longevity's sake they found the Viet Cong and the fight was on These young pilots 19-22 years old invented the book as they went along Praise for Low Level Hell An absolutely splendid and engrossing book The most compelling part is the accounts of his many air to ground engagements There were moments when I literally held my breath

Dr Charles H Cureton Chief Historian U S Army Training and Doctrine TRADOC Command Low Level Hell is the best bird s eye view of the helicopter war in Vietnam in print today No volume better describes the feelings from the cockpit Mills has captured the realities of a select group of aviators who shot craps with death on every mission R S Maxham Director U S Army Aviation Museum **Lasting Visions of Floy Bugg Fenwick: Mother of Five Marine Sons** Frederick Fenwick,2013 Merriam Press Personal Chronicle 5 First Edition 2013 This is the story of a woman who made a difference here on earth Born in 1914 she touched the lives of many people during her 90 years Growing up in the heartland of Kentucky she married a farmer and lived her entire life working and providing for her family of nine She was the most wonderful kind inspirational and loving mother On the farm she prepared hearty and bountiful meals three times a day for her family A lot of hard work was involved in preparing all sorts of food Fruits and vegetables were planted harvested and preserved during the summer to sustain a growing family during the dead of winter Biscuits pies and cakes were all made from scratch One of her most precious talents was playing the piano She had learned to play at a very young age and it stuck with her throughout her entire life She raised five sons and four daughters All five sons would serve their country in the US Marine Corps 90 photos map *Courage Under Fire* Ed Sherwood,2021-03-26 A thorough examination of Operation Lamar Plain from the point of view of the soldiers on the ground particularly those of Sherwood s company ARMY Magazine *Courage Under Fire* is the first book published about Operation Lamar Plain After 50 years the story of the renowned 101st Airborne s major offensive near Tam Ky South Vietnam remains largely unknown Fighting at Tam Ky by the 1st Brigade began 15 May 1969 while the 101st s 3rd Brigade battled on Hamburger Hill The political consequences of Hamburger Hill s high casualties caused Lamar Plain and its high casualties to remain classified and undisclosed Decades later the fighting at Tam Ky is mostly forgotten except by those who fought there Sherwood s superb research of now declassified records uncovers how such a large battle could remain hidden and undisclosed But that is not the heart of his story His focus is on the courage and commitment of the young infantry soldiers who fought *Courage Under Fire* uses actual battle records and eyewitness accounts to follow Never Quit Delta Company and its sister companies through 28 days of continuous combat at Tam Ky Delta Company s soldiers lived up to their motto despite increasing casualties a tough enemy harsh battlefield conditions and loss of leaders For all who fought at Tam Ky their bravery and devotion to duty in an increasingly unpopular war is worthy to be remembered With veterans of Tam Ky now growing older and fewer in number it is past time to tell their story Sherwood has written one of the best most comprehensive accounts of Vietnam War combat published to date MHQ The Quarterly Journal of Military History **Vietnam's Most Unjust** Thomas E. Dick Miller, 2018-01-24 Dick Miller is a retired special agent with the US Army Criminal Investigation Division who faithfully served his country for over twenty three years in the military and an additional twenty years working for various US government law enforcement intelligence and security agencies His book *Army Detective Life and Times of Dick Miller* not only chronicles his early years growing up in a small coal mining town in southwestern Indiana but goes into his first tour in the US Army where he served a year in Vietnam then left to pursue a college degree He writes about how his personal life studies and aspirations to work in law enforcement were hindered by his wife's refusal to support his career ambitions which overflowed into her disruptive personality and own personal desires to make him stay in their hometown without the hope of pursuing any type of career Knowing his life would be forever stagnated without hope of achieving his goals and realizing his marriage was a failure he reentered the US Army and achieved his career goal at the same time by seeking to serve as a CID special agent His decision caused his marriage to end but opened the opportunity to find true love with a different woman and establish a stronger bond with his son Chris His journey to become successful picked up momentum at this stage and as he rose through the ranks from a street investigator to senior investigative manager he accomplished a lifelong dream of having that career in law enforcement The many gruesome and violent crimes he investigated took their toll on his health and psyche Realizing what his lifelong career had done he had to find an avenue to allow him to keep associated with his work without the trials and tribulations of the job Knowing it was a risk to get out of investigations he pursued a position with the US Army Protective Services Unit This action would allow him to continue working until retirement This decision caused him to leave investigations but to stay in the job until his retirement At the end the US Army did offer him a chance to return to criminal investigations but he turned them down and retired He moved to Sun City Center Florida where he enjoys spending time with his wife of thirty five plus years Elda traveling throughout the United States and other parts of the world with her and reading the many books accumulated over the years
