## **My War Fighter Pilot:**

**My War** Andy Rooney, 2008-03-18 *My War* is a blunt funny idiosyncratic account of Andy Rooney's World War II. As a young naïve correspondent for *The Stars and Stripes*, Rooney flew bomber missions, arrived in France during the D-Day invasion, crossed the Rhine with the Allied forces, traveled to Paris for the Liberation, and was one of the first reporters into Buchenwald. Like so many of his generation, Rooney's life was changed forever by the war. He saw life at the extremes of human experience and wrote about what he observed, making it real to millions of men and women. *My War* is the story of an inexperienced kid learning the craft of journalism. It is by turns moving, suspenseful, and reflective. And Rooney's unmistakable voice shines through on every page.

**My War, My Life** K. Sophie Stallman, 2013 Three generations ago, author Sophie Stallman was a young girl living a normal and happy existence with her traditional and privileged Polish family. But when the Germans invaded Poland on September 1, 1939, Sophie's life as she knew it would cease to exist. Under Nazi-occupied Poland, Sophie and her family were forced to endure a daily life of deprivation, fear, and struggle, but despite the abysmal war conditions to which she was subjected, Sophie was determined to pursue her own life in spite of the war. Pressing forward with her academic education and following her love of music, she excelled, developing her modern dance talents and mezzo-soprano voice. Sophie also made the courageous decision to join the Polish resistance organization, a move that would put her life in constant jeopardy, especially during the 1944 Warsaw uprising.

**Cold War Fighter Pilot** Harold Wade, 2004-07-08 *Cold War Fighter Pilot* covers experiences leading up to USAF pilot training for the author and then describes in considerable detail the flight training and a variety of experiences that are intended to explain what military pilots do, as well as how and why they do it. Technical terminology is minimized or explained; yet enough of it is included to give the reader an idea of the complexity of the job. The author logged over 3,000 hours as a USAF fighter pilot, instructor pilot, and maintenance flight test pilot, much of it in supersonic aircraft.

**A Cold War Fighter Pilot in Peacetime and War** Derek J. Sharp, 2019-03-19 Historically rich in detail with previously unpublished photographs, *A Cold War Fighter Pilot in Peacetime and War* is a must-have for military enthusiasts, historians, modellers, and those interested in the complexities of aircraft design and manoeuvres during the Cold War. A fascinating and eye-opening memoir that will appeal to fliers and non-fliers alike on how to fly the fastest jets in the RAF. This is the remarkable and true story of Squadron Leader Derek J. Sharp and his incredible adventures. Nothing perhaps was more astonishing than his survival after striking a mallard duck at 500 mph and his subsequent return to pilot in command. That he survived to the age of thirty was astonishing; that he continued unashamedly on to a ripe old age was nothing short of a miracle. Conceivably, he followed the advice written on a fridge magnet in his kitchen: 'Never drive faster than your guardian angel can fly.' This fascinating book follows the adventures of Sharp from schoolboy to highly respected aviator. He flew fighters and nuclear bombers, finally seeing action in the first Gulf War, flying defenceless transport jets close to the Iraq border. Sharp consequently survived Saddam Hussein's Scuds and American Patriot missiles; friendly fire aimed directly at

the author He flew Her Majesty The Queen and lived in a time long before political correctness the breathalyser and motorcar safety checks He achieved all that he set out to do and more That would undoubtedly be his epitaph **Cold War Fighter Pilots Songbook** Fortuna Call Sign:,2024-01-26 The compilation of the book contains not all the songs Fighter Pilots sung during the Cold War era but quite a lot The sources were exclusively my collection of unpublished Squadron Songbooks throughout the English speaking Fighter Pilots Community They reflect the sheer emotions the black humors of ill fated conflicts and the absence of women during their deployments At the time the compilation is published most of the songs are already banned from the Squadrons and O Clubs and within short time they will be forgotten as a Social Squadron Part of a special Breed of Aviators during the 60s through 90s Some songs contain words which were used only at the bar after some beer *My Life- My War- World War 2* Stanley B. Loomis,2010 Wars are started by a person or persons and are usually a quest for power for a person or a group of people and they don't really care how many people are killed nor how many families are losing a father mother or brothers or whole families and their relatives Sometimes it is necessary to start a war by a peaceful nation against countries that are harming and have the publically displayed their intentions to extend their borders by taking land from established countries' land and people This I would consider declaring a war to be the only necessary solution to the problem but still a war with people getting maimed and killed In World War One Germany was the problem once again lust for power I wasn't even thought of at that period of time in fact I hadn't even arrived on the scene at that point of time But think about it for a moment there's not one inch of land that has increased in size in those thousands of years of civilization and wars I was a training in Camp Blanding in Florida we could look in any direction and there was a sign posted in large letters Kill or Be Killed Kill or Be Killed We were just 18 or 19 year old kids think about it Kill or Be Killed what an education but necessary to imprint it inside our young brains It gave us young kids a reason to become killers hesitate for a second and you're dead Back then in training we used to repeat over and over was that wars were necessary to Decrease The Surplus Population It is most certainly a true statement **One Fighter Pilot's War** John W. Walcott,2015-10-16 Author John W Walcott was a citizen soldier who went through rigorous training in order to escort bombers in a P 51 Mustang fighter during World War II In *One Fighter Pilot's War* he recalls that journey in vivid detail offering an insiders view of the military system of the time painting a fascinating portrait of his colorful fellow cadets and the skilled instructors who delivered highly trained pilots to the theater of war He remembers climbing into the cockpits of the Army Air Corps trainers confronting German jets strafing Nazi convoys and rail lines flying escort missions with observation aircrafts and bombers alike and working to save the crews of disabled aircraft He also recounts the dangerous rescue of downed pilots in the mountainous Balkans His is the story not of an ace but of one of the dedicated men and women who served every day in the war to do their part This memoir tells the personal story of a World War II fighter pilot bringing to life for all generations those years of sacrifice and achievement **Fighter Pilot "McScotch"** Mannock,2020-01-10

McScotch himself describes his book and pays tribute to a colleague in this note which appears at the front of the volume This book consists of the reminiscences of an ordinary fighter pilot of the R F C who had the privilege of serving in one of the leading Fighter Squadrons and who had the honor of being the friend of the supreme fighter of all the Air Forces that indomitable and lovable patriot MICK MANNOCK V C D S O M C Available records and publications show McScotch himself as a fighter pilot with 40 Squadron holding the rank of lieutenant and then captain He is credited with 12 kills of German opponents This is a detailed and exciting account of squadron life and shows the bravery and true comradeship of these flyers
