

A woman in a white suit and black hat stands in a grand, arched train station, looking out at a blurred train track. The station has high ceilings with exposed steel beams and large arched windows. The train tracks are visible in the foreground, with a train blurred in motion.

My Three Score And Ten:

Three Score Ten M. R. Mercer, 2018-10-01 M R Mercer invites us to reflect upon life death and Christian faith in the latter portion of our lives In a world that seems intent on ignoring mortality he encourages us to engage the reality of our human limits reflectively and with deep faith and hope To live well he argues we must include in our thinking the truth that we won't live forever Three Score and Ten Simonne Ferguson, 2022-04-19 By the summer of 1944 as the Allies moved into Belgium and Holland and it began to look like they had a chance to win the war Sheila was at last posted to the European side of the English Channel and was excited to think she would finally see some real action and have some adventures on the Continent She didn't expect it to change her life forever While sorting through her mother Sheila's letters pictures and poems after her death Simonne Ferguson discovered a woman that she had only seen glimpses of as she was growing up Three Score and Ten is a personal memoir of her mother's life from her childhood in England the daughter of a patriotic Irish Catholic father and a middle class English Protestant mother to joining the British Army on the second day of WW2 a decision she never regretted then leaving everything behind to come to Canada as a war bride and adapting to life as a rural Ontario housewife married to William Brownie Eccles and mother of four A touching tribute to her mother Three Score and Ten gives readers a glimpse into the life of a woman who was not afraid to stand up against injustice and for what she believed in and who always tried to achieve her dreams but was often frustrated and disappointed by the restrictions placed on women in the twentieth century **Threescore and Ten** Barry Blackstone, 2024-12-23 Threescore and Ten is a book of reflections and remembrances of a country boy turned city pastor compiled throughout his seventieth year of life These are the observations and opinions of a man who has been a preacher of the gospel for over fifty years who became a widower during his seventieth year and who had to alter and adjust his ministry far beyond his comfort zone because of the COVID pandemic Travel with this pastor from the coast of Maine as he takes the reader through the dramatic and difficult changes that have engulfed Christianity in his lifetime in ways not always to his liking Within these pages the reader will discover that this old fashion man of the cloth believes that the philosophy of the Stranger of Galilee and the theology of Jesus of Nazareth are still relevant and could be prevalent again in the twenty first century just like they were in the first century if only Christianity would return to the tenets and truths of the faith established by its founder the Christ Contained within this book is a lifetime of study service and supplications of a nobody who has tried to tell everybody about somebody that can save anybody This is the prayer of this threescore and ten pastor heading for fourscore The days of our years are threescore years and ten and if by reason of strength they be fourscore years yet is their strength labour and sorrow for it is soon cut off and we fly away Ps 90 10 Three Score and Ten Angela Thirkell, C.A.
