My Village In Israel:

My Village in Israel Sonia Gidal, Tim Gidal, 1963-01-01 *My Village in Israel* S. Gidal, T. Gidal, 1996 **Arab Local Government In Israel** Majid Al-haj, 2020-01-16 A study in the project The Status and Condition of the Arabs in Israel under the direction of Professor Henry Rosenfeld In this book the authors present a historical analysis of local authorities in Arab communities prior to and since the establishment of the state of Israel They discuss the workings of Arab local councils municipalities and national political groupings as well as the circumstances of internal conflicts in Arab settlements They also present comparative data on budgets in Jewish and Arab communities Works of Israel Zangwill: Dreamers of the ghetto Israel Zangwill, 1921 **Palestinian Activism in Israel** H. Dahan-Kalev, E. Le Febvre, Amal El' Sana-Alh'jooj, Emilie Le Febvre, 2012-10-15 A close description of Amal El Sana Alh jooj s experiences as a Palestinian Bedouin female activist this book explores Amal s activism and demonstrates that activists biographies provide a means of understanding the complexities of political situations they are involved in *Years of No Decision (RLE Israel and Palestine)* Muhammad El-Farra, 2015-05-22 This book first published in 1987 examines British American and Israeli practices in the Middle East It explains these countries attitudes in the United Nations towards the Palestinian problem and the role of the United States regarding every Arab Israeli war It attempts to acquaint the reader with the reasons why so many years were years of no decision and why the debates were mere exercises in futility **Jesus and Menachem** Siegfried E. van Praag, 2013-05-02 Jesus and Menachem places Jesus Jeshua in the historical context of the Roman occupation of Judea Second Temple period The fictional character of Menachem is introduced to deepen and clarify the relationship between Jesus the Pharisees the Sadducees the Zealots and Rome In a 1949 review in Commentary magazine this book is compared favorably to The Nazarene by Sholem Asch Menachem fights the Romans at the side of the Zealot Ben Necher killing them as he murmurs thou shalt not kill He loves Jesus but does not believe in him as Jesus would have him believe He is not a Pharisee and yet cannot be against the Pharisees When Pontius Pilate offers the Jews a choice between Barabbas the robber and Jesus the negator of God he refuses to choose for Barabbas is not a robber but a Zealot and Jesus not a negator of God but perhaps a Messiah Van Praag has painted Palestine with a simplicity containing nothing unnecessary or barbarous with a palpable mellowness which can be touched inhaled heard on every page *Nakba and Survival* Adel Manna, 2022-09-13 A free open access ebook is available upon publication Learn more at www.luminosoa.org Beginning in 1948 Israeli paramilitary forces began violently displacing Palestinian Arabs from Palestine Nakba and Survival tells the stories of Palestinians in Haifa and the Galilee during and in the decade after mass dispossession Manna uses oral histories and Palestinian and Israeli archives diaries and memories to meticulously reconstruct the social history of the Palestinians who remained and returned to become Israeli citizens This book focuses in particular on the Galilee using the story of Manna s own family and their village Majd al Krum after the establishment of Israel to shed light on the cruelties faced by survivors of the military regime While scholars of the

Palestinian national movement have often studied Palestinian resistance to Israel as related to the armed struggle and the cultural struggle against the Jewish state Manna shows that remaining in Israel under the brutality of occupation and fighting to return to Palestinian communities after displacement are acts of heroism in their own right **Israel/Palestine**

Alan Dowty,2005-06-20 Of all the hot spots in the world today the apparently endless clash between the Jews and the Arabs in the Middle East seems unique in its longevity and resistance to resolution This text places the conflict in its broad historical context before presenting an overview that serves as a road map to a long term resolution Struggle and Survival in Palestine/Israel Mark LeVine,Gershon Shafir,2012-09 This book is a collection of narratives collects from family archives interviews and published memoirs They tell the stories of everyday people living a conflict ridden world emphasizing individual interaction introducing marginal voices alongside more renowned ones defying typical definition of Israelis and Palestinians *What is God Doing in Israel?* Julia Fisher,2016-02-19 In the Holy Land despite the politics and conflict that divide Jews and non Jews the Body of Christ is growing Author Julia Fisher presents fourteen true stories from Jewish Arab and Palestinian believers living in Israel and Palestinian areas that describe what God is doing despite the current tide of political and religious turmoil Reconciliation is at the heart of each story though reconciliation in the context of the Middle East is fraught with danger and seemingly impossible challenges These interviews demonstrate how despite the tensions and the dreadful headlines the Christian faith is growing More and more Muslims are becoming Christians stories of Palestinian Muslims becoming Christians and stories of Jewish people some of them former orthodox Jews becoming believers Interviewees include expatriate Jews children of Holocaust survivors believers from Muslim backgrounds a former drug addict a pastor in Bethlehem and an Egyptian setting up an underground church in Gaza This will be enjoyed by those fascinated by the land of Israel and the narrative of the Jewish people **Under Olive Trees** Bahous Sally Bahous,Sally Bahous,2010-02 When Israel attacked Jordan Egypt Iraq and Syria on June 5 1967 husband and wife Sally Bahous and Delmas Allen knew that to ensure their safety they must soon leave Beirut Lebanon which had been their home for the last four years With their three young children Carrie Jimbo and Sudie they boarded the USS Exilona bound for the United States At that time more than forty years ago author Sally Bahous didn t realize she would never return to Beirut Based on letters Sally and Delmas wrote to their parents during the four years they lived in Beirut this memoir vividly conveys the richness of Palestinian family life history and culture before and after Israel took possession of Palestinian lands the political forces that originated and sustained Israel s occupation of Palestinian lands and the injustice to the people that followed Through a detailed portrayal of the daily lives of Sally s family in the Palestinian community already in exile in Beirut Under Olive Trees describes the events and attitudes that led to that exile Interwoven throughout are easy to follow memories of life in Palestine before the exile to Beirut Bahous paints a beautiful portrait of a life enriched by family and friends **Mental Health and Palestinian Citizens in Israel** Muhammad M. Haj-Yahia,Ora Nakash,Itzhak Levav,2019-10-01 Social work

studies examining the mental health issues faced by Arab Palestinian service users their families and their communities in Israel Minorities face particular social strains and these are often manifested in their overall mental health In Israel just under a quarter of the citizens are Arab Palestinians yet very little has been published exploring the spectrum of mental health issues prevalent in this population The work collected here draws on the first hand experience of experts working with Israeli Palestinians to highlight the problems faced by service users their families and their communities Palestinians in Israel face unique social gender and family related conditions that also need reliable research and assessment Mental Health and Palestinian Citizens in Israel offers research and observation on three central topics socio cultural determinants of mental health mental health needs and mental health service utilization From suicidal behaviors and addiction to generational trauma and the particular concerns of children and the elderly this broad and careful collection of research opens new dialogues on treatment prevention and methods for providing the best possible care to those in need

In Pursuit of Peace in Israel and Palestine Gershon Baskin, 2021-04-30 Gershon Baskin's memoir of thirty eight years of intensive pursuit of peace begins with a childhood on Long Island and a bar mitzvah trip to Israel with his family Baskin joined Young Judea back in the States then later lived on a kibbutz in Israel where he announced to his parents that he had decided to make aliya emigrate to Israel They persuaded him to return to study at NYU after which he finally emigrated under the auspices of Interns for Peace In Israel he spent a pivotal two years living with Arabs in the village of Kufr Qara Despite the atmosphere of fear Baskin found he could talk with both Jews and Palestinians and that very few others were engaged in efforts at mutual understanding At his initiative the Ministry of Education and the office of right wing prime minister Menachem Begin created the Institute for Education for Jewish Arab Coexistence with Baskin himself as director Eight years later he founded and codirected the only joint Israeli Palestinian public policy think and do tank in the world the Israel Palestine Center for Research and Information For decades he continued to cross borders often with a kaffiyeh Arab headress on his dashboard to protect his car in Palestinian neighborhoods Airport passport control became Kafkaesque as Israeli agents routinely identified him as a security threat During the many cycles of peace negotiations Baskin has served both as an outside agitator for peace and as an advisor on the inside of secret talks for example during the prime ministership of Yitzhak Rabin and during the initiative led by Secretary of State John Kerry Baskin ends the book with his own proposal which includes establishing a peace education program and cabinet level Ministries of Peace in both countries in order to foster a culture of peace

Israel and its Palestinian Citizens Nadim N. Rouhana, 2017-01-30 This volume presents new perspectives on Israeli society Palestinian society and the Israeli Palestinian conflict Based on historical foundations it examines how Israel institutionalizes ethnic privileging among its nationally diverse citizens Arab Israeli and American contributors discusses the paradoxes of democratic claims in ethnic states as well as dynamics of social conflict in the absence of equality This book advances a new understanding of Israel's approach to the Palestinian citizens covers the

broadest range of areas in which Jews and Arabs are institutionally differentiated along ethnic basis and explicates the psychopolitical foundations of ethnic privileges It will appeal to students and scholars who seek broader views on Israeli society and its relationship with the Arab citizens and want to learn more about the status of the Palestinian citizens in Israel and their collective experience as both citizens and settler colonial subjects **Children of Israel, Children of Palestine**

Laurel Holliday,2014-02-04 Israeli Jews and Palestinians appear side by side for the first time in this remarkable book to share powerful feelings and reflections on growing up in one of the world s longest and most dangerous conflicts Here thirty six men and women boys and girls tell of their coming of age in a land of turmoil From kibbutzim in Israel and the occupied territories to Palestinian refugee camps in the West Bank and the Gaza Strip Israeli Jews and Palestinians tell of tragedy and transcendence as they face their deepest fears and dream of a peaceful future Listen to them as they recount stories of their brief and often violent youth No matter what their ethnic identity how much and how long they have suffered these courageous autobiographers most often reveal a deep longing for peace Perhaps their hopes and fears are best illustrated by a parable retold by eighteen year old Redrose a pseudonym Two frogs got trapped in a jar of cream They couldn t jump out of the liquid and they couldn t climb because the sides of the jar were slippery One frog said By dawn I ll be dead and went to sleep The second frog swam all night long and in the morning found herself floating on a pat of butter **The Birth of**

Israel: The Drama as I Saw it Jorge Garcia-Granados,2023-12-26 A fascinating story of the events that lead to the birth of the State of Israel in 1947 48 Jorge Garcia Granados was member of UNSCOP the body created by the UN to investigate and recommend a solution for the issue of Palestine The British mandate initiated at the end of WWI were to finish in 1948 In his own words Ambassador Garcia Granados reveals the insides of the pressures and international intrigues that took place during the labors of the UNSCOP The ambassador describes how during an exploratory trip to Palestine learns of the bloody repression of the English authorities against the local Jewish population A highlight of this journey is his meeting with Prime Minister Menachem Begin Begin at that moment was a leader of a terrorist clandestine group fighting against the British who had a price on his head He also witnessed the misery and hope of the thousands of European Jews living in post WWII refugee camps trying to reach Israel and repressed at sea by the British Navy He writes the sad story of the hunt of the wooden ship Exodus told by an eyewitness of the tragedy The book is still actual written seventy five years ago by

Ambassador Garcia Granados The facts were updated and revised by his grandson Historian Sergio Garcia Granados **To Be an Arab in Israel** Laurence Louër,2007-03-06 To Be an Arab in Israel fills a long neglected gap in the study of Israel and the contemporary Arab world Whether for ideological reasons or otherwise both Israeli and Arab writers have yet to seriously consider Israel s significant minority of non Jewish citizens whose existence challenges common assumptions regarding Israel s exclusively Jewish character Arabs have been a presence at all levels of the Israeli government since the foundation of the state Laurence Lou r begins her history in the 1980s when the Israeli political system began to take the Arab

nationalist parties into account for the political negotiations over coalition building Political parties especially Labour sought the votes of Arab citizens by making unusual promises such as ownership and access to land The continuing rise of nationalist sentiments among Palestinians however threw the relationship between the Jewish state and the Arab minority into chaos But as Lou r demonstrates Palestinization did not prompt the Arab citizens of Israel to set aside their Israeli citizenship Rather Israel s Arabs have sought to insert themselves into Israeli society while simultaneously celebrating their difference and these efforts have led to a confrontation between two conceptions of society and two visions of Israel Lou r s fascinating book embraces the complexity of this history revealing the surprising collusions and compromises that have led to alliances between Arab nationalists and Israeli authorities She also addresses the current role of Israel s Arab elites who have been educated at Hebrew speaking universities and the continuing absorption of militant Islamists into Israel s bureaucracy To Be an Arab in Israel is a discerning treatment of an enigmatic little known but nevertheless highly influential people Their effect on the balance of power in the Middle East seems destined to grow in the twenty first century

Breaking Cycles of Violence in Israel and Palestine Franke Wilmer, 2021-02-02 Victimization narratives arise out of the experience of historical and ongoing injury and often intersect or in part constitute identity narratives Unless transformed through reconciliation these narratives can be used by political leaders to mobilize and perpetuate violence Victimization narratives are grounded in lived experiences whether by contemporary generations or passed on from one generation to another as a historical narrative about the prior experience of victimization Therefore cycles of violence cannot be ended sustainably unless those narratives are transformed and first narratives of victimization and cycles of violence must be disrupted This is the work of many peace activists in Israel and Palestine whose relationships are built on empathic engagement This book reviews theories of empathy across a broad range of scholarly work It then applies a framework of political psychology to understand the role of empathy in the accounts of peace activists whose identities as victims were transformed by their empathic engagement It includes a chapter providing historical background and concludes with a consideration of alternative futures for the Israeli and Palestinian people and communities *The Jewish Audio-visual Review* ,1959
