Working with Portuguese Corpora Tony Berber Sardinha, Telma de Lurdes São Bento Ferreira, 2014-04-10 Although Portuguese is one of the main world languages and researchers have been working on Portuguese electronic text collections for decades e.g. Kelly 1970, Biderman 1978, Bacelar do Nascimento et al. 1984, see Berber Sardinha 2005, this is the first volume in English that encapsulates the exciting and cutting edge corpus linguistic work being done with Portuguese language corpora on different continents. The book includes chapters by leading corpus linguists dealing with Portuguese corpora across the world and their contributions explore various methods and how they are applicable to a wide range of language issues. Together, these sections present the reader with a broad picture of the field.

The Portuguese Tresor; Or, the Art of Translating Easy English Into Portuguese, at Sight Louis Philippe R. Fenwick de Porquet, 2024-06-12 *The Color of My Heart* Sarah Martin Byrd, 2012-09-26 Living in the foothills of North Carolina, Laura Carter has it all: a nice home, wonderful adoptive parents, two lovely teenage daughters, and a to-die-for handsome husband. As they celebrate freedom on the Fourth of July, she's certain that nothing could ever shatter her perfect American life. Or could it? An unexpected letter from her great grandmother brings Laura face-to-face with her birth family. At their first shocking meeting, she receives a stack of diaries that trace a heartbreaking voyage from Africa to Jekyll Island, Georgia, via a slave ship. Thanks to the missionary who lived with her ancestors in Africa and taught them how to speak and write English, Laura holds in her hands a gripping record of their lives. Could the realities of her mixed-race heritage destroy her family? Laura tries to live honorably, but her husband resists, and daughter Lakin has her own secrets. Lurking in the shadows is a small group called the Brethren. The Brethren's dirty deeds are meant to p...

Resistance Naldo Rei, 2011-03-16 Naldo Rei was just six months old when Indonesia invaded East Timor in December 1975. He spent the first three years of his life in the jungle where his family had fled for safety. After his father was murdered for his work in the resistance movement, nine-year-old Naldo was recruited by the clandestine Fretilin network and began his own extraordinary journey fighting for East Timor's freedom. Throughout his teenage years, Naldo was imprisoned and tortured regularly for his covert resistance to the brutal Indonesian regime. Eventually, in too much danger to remain in his homeland, he escaped to Indonesia and then Australia for several years. Now living in an independent East Timor, Naldo Rei can tell his incredible story. His life is proof that no amount of danger and loss can crush the human spirit.

No Fist Is Big Enough to Hide the Sky Basil Davidson, 2017-02-15 *No Fist Is Big Enough to Hide the Sky* stands as a key text in the history of the eleven-year struggle against Portuguese rule in Guinea-Bissau and Cape Verde. Though perhaps less well-known than the struggles in Angola and Mozambique, the liberation war waged by the African Party for the Independence of Guinea and Cape Verde (PAIGC) easily ranks alongside those conflicts as an example of an African independence movement triumphing against overwhelming odds. Basil Davidson, a leading authority on Portuguese

Africa who witnessed many of these events first hand draws on his own extensive experience in the country as well as the PAIGC archives to provide a detailed and rigorous analysis of the conflict The book also provides one of the earliest accounts of the assassination of the PAIGC s founder Amilcar Cabral and documents the movement s remarkable success in recovering from the death of its leader and in eventually attaining independence Featuring a preface by Cape Verde s first president Aristides Pereira and a foreword by Cabral himself *No Fist is Big Enough to Hide the Sky* remains an invaluable resource for the study both of the region and of African liberation struggles as a whole Letters, from Portugal, Spain, and France, during the ... campaigns of 1811, 1812, & 1813 James Hope (of the Gordon highlanders.),1819 *How Big Is Your God?* Paul Coutinho,2011-09-29 Do you have a real relationship with God or do you just have a religion Do you know God or do you just know about God In *How Big Is Your God* Paul Coutinho SJ challenges us to grow stronger and deeper in our faith and in our relationship with God a God whose love knows no bounds To help us on our way Coutinho introduces us to people in various world religions from Hindu friends to Buddhist teachers to St Ignatius of Loyola who have shaped his spiritual life and made possible his deep personal relationship with God **European Identity** Inés María Gómez-Chacón,2003-01-01 This book on European Identity aims to promote reflection on the mutual relationship between educational processes and European construction It attempts to get down to what this means at the everyday level the notion of European Identity for all citizens specially in the educational field and identify elements for the promotion and anchorage of this concept To this end the authors have contemplated articulating the topic around the axis individual group society and the content has been distributed in two blocks europe read from an educational perspective and European Identity new challenges for the school New Spain, New Literatures Luis Martín-Estudillo,Nicholas Spadaccini,2010-09-27 Hispanic Studies Literature Latin American Studies
