Deadshifted Cassie Alexander, 2023-06-08 As Nurse Edie Spence embarks on her latest supernatural adventure from Cassie Alexander the perils of the deep threaten to pull her under Edie Spence is in desperate need of a vacation some R R away from the craziness that shadows her as a nurse dealing with paranormal patients But as she and her shapeshifter boyfriend Asher set sail on a cruise for Hawaii they ll realize that seasickness isn t the only thing threatening their romantic getaway DEADSHIFTED While on board Asher comes face to face with Nathaniel an old nemesis from his dark past Asher is convinced he s up to no good especially when passengers start to come down with a mysterious illness unlike anything Edie and Asher have ever encountered Soon Edie finds herself fighting for the life of the one person who means the most to her Asher As chaos explodes will Edie be able to save their future together or will this close encounter with the paranormal side be her last Life in St-Lucia Shedrac Decaille, 2005-10-18 There was only one way this book could be written I had to go undercover and pose as a redneck At any moment my cover could have been blown placing my life in danger At the very least my Bloomingdales credit card could have been confiscated and my complete collection of Barry Manilow CDs destroyed In spite of these risks I persevered It was only after I made my way back to Yankee lines that I was able to write this book I still suffer from episodes of Post Traumatic Stress Syndrome in which I am chased by a giant killer crawfish Hopefully therapy medication and a liberal amount of Jack Daniel s will erase that demon from my subconscious My World MICHAEL JEAN NYSTROM-SCHUT, 2004-05-19 Let me tell you how much fun it is to be a book writer One of my friends recently said to me I dont even know anyone whos ever READ a book let alone WRITE one I was amused Well you know its really not so hard to write a book You just talk about what you feel and organize your thoughts along the way At some point as you stay determined to make it happen the book comes into the world For me now having compiled over 30 book length manuscripts of various topics and subject matter I have become more and more inclined to share the way I see the world with others along the way You might call what I like to write about as having to do with personal philosophy or individual world view Everyone has a way they see their world this book is part of how I see mine It seems that all kinds of people have something to say about what life is and is not I am like most people so am no exception I have come to enjoy giving such opinions and points of view with just about anyone who will listen I wrote this book MY WORLD The First 50 Years because I wanted to be sure and document the way life appeared to be to me at the half century mark in my personal growth and evolution I did it in a way that enables you to read right through it or if you prefer you can take it slowly over a one year span of time and think about the ideas and thoughts carefully How you read the book is entirely up to you Ten years earlier I had written a similar book Earth Dwelling An Owners Manual for Life in order to share thoughts about the meaning and purpose of life It is amazing the difference that ten years can make I like to think that I am growing Gee Could that be I sure hope so People from the worlds of philosophy religion and the popular culture are anxious to share the way they see the world with others I

have a passion to do that also and so I wrote this book in order to summarize how things in life appeared to me I could be way off you decide for yourself At any rate my world is MY way of seeing life in YOUR world you will see it your special way and that is part of the beauty of this life Each person is free to see it differently and that is our basic right to do so I like that I actually feel so strongly about what I am saying here that I created a web site which is called HowIseetheworld.com to talk about and share ideas with others Take a look at it some time Thoughts are powerful and have a tendency to either make you great or even destroy you before your time So think good thoughts And enjoy the book as well *The 100 Best Volunteer Vacations to Enrich Your Life* Pam Grout, 2009-05-19 Travel industry experts report that more and more people are combining vacations with volunteer work the growing phenomenon called voluntourism Professionals predict this will be a key growth area for years to come the voluntourists themselves find it a rewarding activity good for body and soul And nobody provides such a fun inviting overview of the possibilities as savvy travel writer Pam Grout in the latest title in our 100 Best Vacations series With its elegant two color design playful cover and winningly positive goal it is a travel guide with heart inexpensive yet inspiring an ideal gift book for people who care to share From building houses in Appalachia to saving sea turtles in Costa Rica to teaching English in Thailand this book is a rich resource of ways to use your skills to help out the world and reap some lasting benefits yourself Like its two predecessors it includes an engagingly descriptive menu of choices for tastes and talents of all kinds along with detailed specifics to turn good intentions into satisfying reality Throughout sidebars describe nearby places to visit little known facts and more providing depth and variety while a comprehensive resource listing gives additional information about the different organizations offering volunteer vacations **Foundations of Philosophy** Michael Jean Nystrom-Schut, 2019-06-30 This book is designed to provide basic philosophy and information regarding the vast number of subject matters covered This was assembled in the understanding that the publisher and the author are not engaged in rendering legal consultative or other professional services If such expert assistance is required the services of competent and appropriate professionals should be sought The author and the publisher shall have neither liability nor responsibility to any person or entity with respect to any loss or damage that may be indirectly or directly caused or alleged to be caused by the content of this book It is also not the purpose of this book to reprint information that is otherwise available to the author publisher or reader Rather it seeks to complement amplify and or supplement other texts available The reader is urged to review all relevant material and learn as much as possible about life tailoring that information to their individual situation Further efforts have been made to make this book as accurate as possible However there are undoubtedly editorial typographical and contextual errors contained herein Therefore the text should be viewed and utilized as a general guide not as an ultimate source of information related to the various topics This book also contains information that may no longer be relevant or accurate despite our desire to think our words and thoughts about life are timeless and perfect Finally the primary objective of this volume has something to do with the four Es to enlighten edify

educate and entertain perhaps even in that order Personal philosophy and worldview are something we develop and maintain as individuals who evolve throughout life It is the ambition of the writer to amplify these Es hoping that in doing so it will allow the reader to experience a more meaningful balanced complete and productive encounter with life

LENGTH each romantic comedy is a full length novel of about 74 000 words or between 280 285 printed pages each

DISCLAIMER the books contain occasional profanities and mild sexual references

Year of the Chick Romi Moondi, 2014-04-21 Book 1 in the Year of the Chick series There s a bit of a cliffhanger to end this book but the sequel addresses any unanswered questions An awkward family homecoming at Christmas A humiliating public weigh in with two judging parents as the audience The announcement of a deadline for arranged marriage doom And that s just the first two chapters In Year of the Chick Romi Narindra must find love before her parents find her a husband a seemingly absurd concept that s the norm in many cultures To escape her fate Romi wades through the waters of secret dating where self consciousness is at an all time high and experience at an all time low It s the sort of thing that would turn almost anyone into a man crazy freak with romance tunnel

vision and that's exactly what happens to her. All the while a lack of inspiration in her corporate job leads Romi to her love of writing in what quickly becomes a man quest play by play. From whiskey breath scum bags to uni brow creeps and everything in between Romi and her wingmen come up empty time after time. And that's when she meets a fellow writer. On the Internet. So will it be arranged marriage doom or an Internet affair that's not as creepy as *To Catch a Predator*? Time will tell in the year of the chick a twelve month quest to find love. Tick tock. Year of the Chick is book 1 in a series and the sequel *Last Minute Love* is available now. LENGTH 75 000 words or 288 pages. DISCLAIMER this book contains profanities blunt accounts of the dating scene and cringe worthy awkward family moments free freebie chicklit love romance romantic comedy funny humor humour long distance multicultural marriage dating relationships *My Whole Life Was a Vacation* William Haeseler, Buck Haeseler, 2002-07-01 In this combination autobiography and travelogue the author looks back on travels and experiences in more than 150 countries around the world.
