significant today belief in miracles sustains the hope that if there is a reality that surpasses our ordinary lives it is capable of exercising from time to time creative liberating enlightening and healing power in our world      Animals in Heaven? Susi Pittman,2009 It is always hard to say good bye As Catholics we know that our human loved ones are called by Christ to join Him in eternity dwelling in heavenly bliss before God enlightened by the light of glory sharing in the fullness of the eternal life Christ has prepared for us But what about our pets and the animals that fill the earth and our lives with such special beauty Does God have a place for them Where do animals go when they die Are they just dust What is the destiny of creation Does God really care about any of creation besides man Would God the Author of all life cast the non human creation He called good into nothingness Isn't it illogical to believe that God would find worthless that which is hard wired to give Him praise Is it so hard to understand that animals created by God with a particular good would not also have knowledge of their Creator It is a universal concern for stewards of creation who in their humanness consider such questions in their hearts I write this book as a way to explore tenets of the Catholic faith that address creation of bringing insight and spiritual truths to animal lovers and lovers of creation and as evidential support of the truth that all creation was given its order time place and purpose from its Creator who sustains and preserves it at all times always      **Eyewitness to Miracles** Randy Clark,2023-08-22 This is such a wonderful book Bill Johnson bestselling author of When Heaven Invades Earth Never before has a minister of the gospel gone to such great lengths to meticulously record so many miraculous events The blind see the lame walk and the dead are raised Dr Randy Clark shares the captivating results of a global healing ministry and provides links to video testimonies throughout the book He also addresses the skeptics Dr Clark has gone to great lengths to follow up months later with each person to verify the healing Eyewitness to Miracles is endorsed by university scholars and leaders from a variety of church backgrounds Anglicans Baptists Catholics and Methodists After all if Jesus healed people in his day why shouldn't we expect to see people healed today Eyewitness to Miracles is a remarkable read that will make you believe once again      He is Alive John S. Carpenter,2019-02-08 When science set forth to explain the historical evidence and miraculous events attributed to the existence of Jesus it expected to find hoaxes a lack of evidence and nothing substantial to support a supernatural belief in God What skeptical scientists did discover actually validates the beliefs of Christians And what they could not explain also added even more support for Christian faith The historical accounts eyewitness testimonies and miraculous artifacts provide overwhelming proof that something supernatural and heavenly is in contact with mankind Join John Carpenter a psychiatric therapist on his logical investigation into the divine realm of miraculous evidence through the startled eyes of disbelieving medical and scientific researchers The amazing conclusions from their professional examinations suggest that Jesus Christ must truly be alive and impacting our lives today As with Carpenter's first book Be Not Afraid to Follow the Footprints from Heaven be not afraid of having your current assumptions about God challenged by this historical evidence now under the scrutiny of today's science Open your mind for this fascinating and inspirational

journey     **Lay Saints** Joan Carroll Cruz, 2015 Everyone has dreams and goals that they want to achieve but the foremost and overarching goal for every catholic and the only one that brings true happiness should be to become a saint and enjoy the Beatific Vision It is a momentous task that can often seem overwhelming and unattainable Indeed without the aid of grace it is impossible But confident hope can be placed in God that He will always provide the grace necessary to accomplish such a feat The saints in this volume are evidence of this fact and serve as role models for cooperation with the action of God's grace Within this volume are fifty eight saints who achieved holiness as husbands wives parents or youth Some lived in marital bliss with never a quarrel others suffered greatly at the hands of their spouse and many became saints while still at a tender young age Each of these saints have qualities to be emulated in living as a member of a family whether patience is needed in bearing with the faults of a spouse or temperance is needed to check a natural inclination to anger     **The Stigmata: Those Who Bore the Wounds of Christ** Deacon Albert E. Graham, 2023-08-10 Whether you are an atheist an agnostic or a true believer and disciple of Jesus Christ you will be mystified at what you learn from The Stigmata The Stigmata examines such other worldly phenomena one could liken it to a spiritual X files episode Christ's death and resurrection was not the end but the beginning for us all Jesus agonizing suffering sacrifice and surrender of his own life opened the gates of heaven to all those willing to follow Him The stigmatics serve as an earthly human reminder of the Divine Jesus obedient holy and sacrificial offering to us The Stigmata is a compilation of some 657 individuals from the 13th to the 21st centuries who have incomprehensibly borne the wounds suffered by Christ The Stigmata discusses many of the stigmatics in biographical detail Some stigmatics are recognized saints such as St Padre Pio and St Therese Neumann Sainted or not all stigmatics suffer in some way like Christ bearing evidence of nail piercings to the hands and feet the crown of thorns and sword laceration near the heart Have there been fraudulent stigmatics Yes and The Stigmata discusses the fakes separating them like wheat from chaff Aside from the painful and bloody wounds these individuals suffer many stigmatics exhibit other miraculous mysteries from levitation and bi location to reading of souls and other human impossibilities The pain the stigmatics have endured is real the phenomena they've experienced is mystical and their complete impact on the world is known only to God     **Lay Saints** Joan Carroll Cruz, 2015-10 These are the footprints that the saints on ascending to heaven left behind upon our earth in order that we following after might attain to the same reward The Venerable Bede In Lay Saints Ascetics and Penitents Joan Carroll Cruz guides you through the lives of fifty eight lay men and women who achieved the heights of sanctity These inspiring biographies present saints who seemed destined for sainthood as well as those who led sinful lives prior to a conversion of heart Find a role model from among these saints as Joan Carroll Cruz explores the acts of charity that you can imitate ascetical practices that lead us closer to God stories of conversion effective acts of penance to atone for prior sins the stories of pilgrims who spent their lives searching for closer union with God Both those who have just begun their spiritual journey and those well advanced on the road to perfection will

find a saint to help them take that next step closer to God Through their examples these saints will inspire ever greater acts of charity and remind sinners that there is yet hope for salvation      **The Fatima Prophecies** Thomas W.

some saints and holy people who have had private revelations about or visits from souls in purgatory hell or heaven Another chapter and several of the appendixes are devoted to Marian Apparitions to include those that are approved not approved and those appending a decision by the Church By far one of the greatest strengths of this undertaking is the identification of some 43 categories of concomitant extraordinary phenomena and some of the saints and holy people who have experienced them Color paintings by artists are depicted of some saints experiencing such mystical phenomena Another unique feature of the book is a listing of some 600 individuals from the 13th to the 21st centuries who bore the stigmata By knowing that God is present and alive to His people this book may help bring others to a deeper faith in God     Angels And Devils Joan Carroll Cruz,1999-12-01 The most thorough book about the Angels yet written Here bestselling author Joan Carroll Cruz expounds upon the traditional definitions and delineations of the Angels and Devils asking and answering virtually every conceivable question about them Among the many recent books about Angels this has to be one of the very best if not the very best yet Definitely another Mrs Cruz bestseller Impr     **The Feast of St. Gerard Maiella, C.Ss.R.** Thomas D. Nicastro,2012-10-09 In the late nineteenth century many Italian immigrants settled in Newark For these newcomers the Church became a source of community and strength Feasts of Patron Saints from their paese or village in Italy were a tradition that helped make the new country feel more like the old At St Lucy s Church parishioners held the first Feast of St Gerard Maiella the unofficial patron of mothers children and the unborn in October 1899 and it has been held every year since As the decades have passed generation after generation of Italian Americans return annually to celebrate their heritage and Catholic faith and express their gratitude for St Gerard s powerful intercession In this way the Feast of St Gerard the treasure of their grandparents has become part of their descendants heritage
