### **Mysteries Of Montreal Memoirs Of A Midwife By Charlotte Fuhrer:**

*The Mysteries of Montreal* Peter Ward, 2011-11-01 During a long practice of over thirty years I have seen many things enacted here in this city of Montreal which if told with the skill of a Dumas or a Collins might not only astonish but startle the sedate residents of this Church going community With these words Charlotte Fuhrer introduces her memoirs Fuhrer a midwife in Montreal during the second half of the 19th century wrote her recollections in the form of highly scandalous moral tales The stories offer vignettes of the course of love faithful and illicit in late 19th century urban Canada Fuhrer s stories are headed with such titillating titles as A Just Retribution the story of a prominent businessman s mistress who after giving birth to her lover s child went from bad to worse and finally took to smoking opium as a means to relieve her gnawing conscience ending her days prematurely Fuhrer was at the service of the high and mighty and desperate and from her vantage point in the delivery room she offers remarkable insight into the most intimate life of Montreal Originally published in 1881 *The Mysteries of Montreal* is fully reprinted with an introduction by Peter Ward Ward illuminates the life of Fuhrer and of midwives in Victorian Canada He traces the role of the midwife through the ages and placing Mrs Fuhrer in the context of her times discusses birth practices in a Canadian setting As well he examines the memoirs as a form of Canadian literature assessing their reflections on 19th century society As a result the book operates on more than one level It is not only a midwife s recollections but also an assemblage of gossip moral tales stories of courtship and birth practices and even mild pornography Students of Canadian social history will be interested in the memoirs for their information on 19th century morals and values The book will also appeal to students of medical history women s studies and Canadian literary criticism

**Petticoats and Prejudice - Women's Press Classics** Constance Backhouse, 2015-02-01 Drawing on historical records of women s varying experiences as litigants accused criminals or witnesses this book offers critical insight into women s legal status in nineteenth century Canada In an effort to recover the social and political conditions under which women lobbied rebelled and in some cases influenced change *Petticoats and Prejudice* weaves together forgotten stories of achievement and defeat in the Canadian legal system Expanding the concept of heroism beyond its traditional limitations this text gives life to some of Canada s lost heroines Euphemia Rabbitt who resisted an attempted rape and Clara Brett Martin who valiantly secured entry into the all male legal profession were admired by their contemporaries for their successful pursuits of justice But Ellen Rogers a prostitute who believed all women should be legally protected against sexual assault and Nellie Armstrong a battered wife and mother who sought child custody were ostracized for their ideas and demands Well aware of the limitations placed upon women advocating for reform in a patriarchal legal system Constance Backhouse recreates vivid and textured snapshots of these and other women s courageous struggles against gender discrimination and oppression Employing social history to illuminate the reproductive sexual racial and occupational inequalities that continue to shape women s encounters with the law *Petticoats and Prejudice* is an essential entry point into the gendered treatment of

feminized bodies in Canadian legal institutions This book was co published with The Osgoode Society for Canadian Legal History National Library of Medicine Current Catalog National Library of Medicine (U.S.),1989 **The Nature of Their Bodies** Wendy Mitchinson,1991-01-01 In documenting the changing nature of interventional medicine Mitchinson considers the medical treatment of women within the context of what was available to physicians at the time Giving Birth in Canada, 1900-1950 Wendy Mitchinson,2002-01-01 A fascinating account of childbirth rituals in the first half of the twentieth century from the initial diagnosis of pregnancy through childbirth who was present and where it took place to the definition of what constituted a normal birth **Cultures of Darkness** Bryan D. Palmer,2019-02-15 Peasants religious heretics witches pirates runaway slaves prostitutes and pornographers frequenters of taverns and fraternal society lodge rooms revolutionaries blues and jazz musicians beats and contemporary youth gangs those who defied authority choosing to live outside the defining cultural dominions of early insurgent and later dominant capitalism are what Bryan D Palmer calls people of the night These lives of opposition or otherness were seen by the powerful as deviant rejecting authority and consequently threatening to the established order Constructing a rich historical tapestry of example and experience spanning eight centuries Palmer details lives of exclusion and challenge as the night travels of the transgressors clash repeatedly with the powerful conventions of their times Nights of liberation and exhilarating desire sexual and social are at the heart of this study But so too are the dangers of darkness as marginality is coerced into corners of pressured confinement or the night is used as a cover for brutalizing terror as was the case in Nazi Germany or the lynching of African Americans Making extensive use of the interdisciplinary literature of marginality found in scholarly work in history sociology cultural studies literature anthropology and politics Palmer takes an unflinching look at the rise and transformation of capitalism as it was lived by the dispossessed and those stamped with the mark of otherness *White Unwed Mother ; The adoption mandate in postwar Canada* Valerie J Andrews,2018-11-01 In postwar Canada having a child out of wedlock invariably meant being subject to the adoption mandate Andrews describes the mandate as a process of interrelated institutional power systems which together with socio cultural norms ideals of gender heteronormativity and emerging sociological and psychoanalytic theories created historically unique conditions in the post WWII decades wherein the white unmarried mother was systematically separated from her baby by means of adoption This volume uncovers and substantiates evidence of the mandate ultimately finding that at least 350 000 unmarried mothers in Canada were impacted Wife to Widow Bettina Bradbury,2011-05-01 This monumental study of two generations of women who married either before or after the Patriote rebellions of 1837-38 explores the meaning of the transition from wife to widowhood in early nineteenth century Montreal Bettina Bradbury weaves together the individual biographies of twenty women against the backdrop of collective genealogies of over 500 to offer new insights into the law politics demography religion and domestic life of the time She shows how women from all walks of life interacted with and shaped Montreal's culture customs and institutions even as they laboured under the shifting

Canada and elsewhere the tourist was a new phenomenon at the beginning of the period but an accepted part of the modern world by the end of it Canadian Travellers in Europe will be required reading for devotees of travel writing but it is also a significant contribution to nineteenth century Canadian history      **Bibliography of the History of Medicine** ,      *Current Catalog* National Library of Medicine (U.S.), First multi year cumulation covers six years 1965 70      **The Mysteries of the Cities** Stephen Knight,2011-11-08 A popular crime genre in the nineteenth century urban mysteries have largely been ignored ever since This historical and critical text examines the origins of the innovative genre which grappled with the rise of enormous anonymous cities beginning in France in 1842 then spreading rapidly across the continent and to America and Australia Writers covered include Eugene Sue George Reynolds Paul Feval George Lippard Ned Buntline and Donald Cameron      **Canadiana** ,1985      **Changing Women, Changing History** Diana Pederson,1996-10-15 Changing Women Changing History is a bibliographic guide to the scholarship both English and French on Canadian s women s history Organized under broad subject headings and accompanied by author and subject indices it is accessible and comprehensive      **Documentation Sur la Recherche Féministe** ,1985      **Feminist Studies** ,1985
