Mysteries Of Clear Light A Timeless Legacy:

The Mysteries of Clear Light, A Timeless Legacy, First Trilogy Thespian Michaels, Esmi Fernau, 2002 These candid Teachings of the Ages are a first in describing the dynamic role humanity is invited to play in the Cosmos They also explain and prepare us for the global shift **Earth Dream Awakening** David W. Letts, 2012-08 All that has happened in the past all of Earth's history man has created in his dream and the end of time will come when man wakes up and realizes he has been dreaming Suddenly a young family wrests themselves from life in a North American city to seek a rustic existence close to nature and a circle of new friends in mountain valleys of British Columbia But that is only one of the levels to this story For David and Kelly Siofra are a mystic and a psychic on an out of the ordinary quest inspired by higher energy presences Moita and Amar How will their experiment in communication between worlds illuminate the process of planetary rebirth that will accelerate years later in the awakening of 2012 and beyond This time period is at crossroads Paths before you lead into the future some not pleasant some extremely promising We are here to help you choose the road that leads not to destruction but that leads to life and to this change of man and his awareness to the reuniting of our worlds Among facets of this visionary yet down to earth adventure helping persons in crisis to unlock their hearts find their new balance deepening our sense of community as a core group risks old selves in order to truly meet confronting dark energies across lifetimes undoing man's obsession with power seeing that the planet's upheavals now mirror our own as a vast evolution in consciousness comes full circle aided by higher dimensional beings and the Earth Mother voicing her plea for man to awaken as a willing partner We are entering a New Age of humanity Instead of man creating only on his own set apart from the rest of the universe this time he is involved in a co creation and we are the co creators Those who are here have arrived to help found a new world **The Mysteries of Clear Light 2** Thespian Michaels, Esmi Fernau, 2016-09-19 The Mysteries of Clear Light The Emerging Identity is the second trilogy in an open ended series Consider this what if everything you have ever been told about Spirit were incorrect that in fact there is no attainment to reach for no enlightenment to strive towards What if in your pursuit of Spiritual Truths in your zest to embody some mystical ideals you have lost the very path humanity was meant to follow At the heart of timelessness lies the wellspring from which true individuality derives You are eternally in process of becoming you are forever under construction there are no established standards on which to base your earthly life Each of you is a Cosmos in miniature whose course cannot be determined by human standards The very fact of seeking is an acknowledgment of lack whereas just being as you are is a celebration of existence itself We the authors are not anything you cannot be Neither prophets nor gurus we simply relate the story we came to tell Clearly written never didactic at times irreverent and funny eternal yet new the knowledge we share reflects the timeless love of the Entities who bring you this wisdom and gently remind you the reader of your true identity We do not teach for in truth there is nothing to learn The realizations and conclusions you reach are your own we merely present you with a different viewpoint and show you alternatives Your

immortal spirit will help you make your optimal choices and direct you toward the purpose for which you incarnated Your reward is not the enlightenment you have always had it is the freedom to make full use of the powers within you Lunar Mysteries Felicia Dunbar, AI, 2025-02-26 Lunar Mysteries explores the profound impact of the Moon on human culture religion and artistic expression throughout history The book uncovers how ancient civilizations perceived the Moon not just as a celestial body but as a potent symbol of cyclical change renewal and even a divine entity From influencing early agricultural practices and timekeeping to shaping religious rituals and mythological narratives the Moon s presence is deeply interwoven with humanity s understanding of existence Did you know that lunar calendars dictated the timing of sacred sites and festivals in numerous cultures The book journeys through the scientific properties of the Moon and their early observations before delving into specific themes It examines lunar deities in ancient mythologies explores the Moon s influence on religious rituals and festivals and analyzes lunar imagery and symbolism in literature from epic poetry to modern novels By contrasting lunar myths and rituals across diverse societies like ancient Mesopotamia pre Columbian America and Oceania Lunar Mysteries reveals both commonalities and striking differences in how the Moon has been perceived Ultimately the book highlights the Moon s enduring appeal and its continuing influence on contemporary society making it a valuable resource for those interested in the intersection of science religion and cultural history **The Mysteries of Clear Light 1** Thespian Michaels, Esmi Fernau, 2002-10-02 The Mysteries of Clear Light A Timeless Legacy is the first of an open ended series which speaks to you in the words of the Great Beings that have always watched over the development of the Human race Their communication cuts through the misinformation that accumulated throughout ages of ignorance and self interest and helps our species adapt to the vital role it has to play in these stressful times of changes The always unfolding story encompasses all periods passed current and future its message is one of hope and reconciliation The style at times reflects the character of the Being who dictated a given chapter but invariably and effortlessly builds upon itself and gently reminds the reader of all that our spirit has always known We do not teach for in truth there is nothing to learn The realizations to which you awaken are your own we merely show you alternatives Your immortal spirit will assist you in making the best choices for you and help you fulfill the purpose for which you incarnated Your reward is not enlightenment you already have that within you rather it is the freedom to make use of the power you have always had
