Mysteries Of The Bible Now Revealed:

No Longer A Mystery Ralph G. Vestal, 2023-12-07 Without a doubt there are many passages in the Bible which we do not fully understand today and will not until we are in Heaven with the Lord 1 Corinthians 13 9 12 The purpose of this book is not therefore to attempt to answer every question or solve every issue which may arise as we read the Bible In this book we will look at every passage in the New Testament in which the word mystery appears The truths and events which the Bible refers to as mysteries are now revealed and explained for us As we look at each of these we will discover something of God s Plan for the ages and we will see just where we fit into that plan And we will see that the truths and events which in God s wisdom were once concealed are now No Longer A Mystery **Fingerprints of the Holy Spirit** Alisa K.

Collected Tracts Joanna SOUTHCOTT, 1804 **Garden of Eden Found !** William C. Chappell, 2004-08-26 This book entitled Garden of Eden Found is divided into three almost equal parts Part I of the book is exactly what the title says It reveals and explains the exact geographical location of the ancient site of the Garden of Eden This is an absolutely new and a previously undiscovered site People suppose that we must yet wait on a prophet of God to reveal its location but this book explains that God through the prophet Moses said everything he could to explain the location of the Garden of Eden in the second chapter of Genesis It is just that the names of the lands and rivers have changed The original thing in this work however is that the ancient site of the Garden of Eden was located upon the North American continent Note that according to

Genesis 1 10 each land was called earth Thus it could have been on any continent There has never been one fact of evidence to show that the Garden of Eden was located in the Middle East anyway This has only been a supposition of the so called learned even those who write the text books and most of whom do not believe in God or in revelation The author has simply put together the Genesis account of Eden with the latter day revelations concerning Adam on the American continent Part II of this book reveals the ultimate meaning of the six days and the six nights and Sabbath of the creation account in Genesis chapter one No one has ever discovered nor understood their ultimate meaning before this work The author submits that this concept is the greatest concept that can be conceived by the mind of man concerning ultimate reality This concept ties together the law of eternal progression the order of the universes of the cosmos and the days and nights of creation as one and the same thing So the author begins Part II of his book with the following paragraph If I were a scientist and was speaking before my other colleagues then I would name my address The Number and Order of the Universes of the Cosmos If I was a philosopher and was presenting this topic before my fellow philosophers I would entitle my presentation The Law of Eternal Progression to Ultimate Continuum But if I happened to be a theologian and was preaching a sermon to my parishioners I would call my message The Meaning of the Six Days and Six Nights and a Sabbath of Creation This is because these three subjects concern the same ultimate reality The first is scientific the second is philosophical and the third is religious Often the terms for universe and the cosmos are used interchangeably Actually this is the concept of mankind at the present time Most people including scientists the philosophers and the theologians consider that the universe is the cosmos and that the cosmos is the universe However this is simply not the true case of the matter for the cosmos is the sum total of the series of the twelve universes of the cosmos However would anyone have ever entertained the idea that the answer is to be found in the first chapter of the Book of Genesis in the Bible Who would have thought that God had hidden it in the simple account of the six days and the six nights and Sabbath of creation I will attempt to show in plainness and simplicity that this is the true interpretation

SPAN style mso-bidi-font-size: 11pt Part III of this book explains the historic meaning of the symbolism in the Book of Revelation The new truth to understand is that they represent only natural things and historical events of the past two thousand years of Christian history There are three general principles that we must accept in order to understand the symbolism of t
