Everything You Wanted to Know about Sedona in a Nutshell Tom Dongo, 1998-06-01 Topics covered inside include History Sedona Schnebly Geology Climate Oak Creek Canyon Indian Involvement Arts and Culture The Metaphysical Community Sedona's Famous Vortexes UFOs Over Sedona Native Trees and Plants Native Wild Animals and Birds Flowers Rock Climbing Hiking Camping Backcountry Tours Clubs and Churches Restaurants Motels Golf If You Only Have One Day in Sedona Sunrises and Sunsets Off Seasons Rattlesnakes Jobs Rent and Real Estate      **Unseen Beings, Unseen Worlds** Tom Dongo, 1994-06-01 Venture into Unknowable Realms My fervent hope is that this book will spark interest in venturing beyond an accepted perhaps questionable reality and will launch a few fearless ships on a soaring journey into the wonderful and endlessly exciting realms of the Great Unknown Tom Dongo How to communicate with non physical beings How to learn remote viewing Aliens Deadly foes and caring friends Ghosts They are real with instances The Wee People Some examples of their existence The Afterlife What we can expect Spiritual Beings They may not be so different from us Interdimensionals Limitless levels of reality The Gray Zone A place to avoid and much much more      The Quest Tom Dongo, 1993-08-01 This book is a sequel to the first two It contributes an added dimension to my earlier information Sedona seems to reflect the best qualities or perhaps I should say combined qualities the essences and elements of the Great Pyramids Glastonbury Stonehenge Ayers Rock Mount Shasta the South American Pyramids Peru Tibet Nepal India Lourdes and many other power places around the world How can I make such a claim For the reason that I interact on a regular basis with individuals from virtually every corner of the Earth who have spent time in those sacred and mysterious places Through these travelers I have learned that there is simply no other place like Sedona      Merging Dimensions Tom Dongo, Linda Bradshaw, 2020-01-15 On a secluded ranch near Sedona Arizona strange events mysteriously began in 1992 What does it portend for us all Over 100 actual photographs of incredible events otherworldly beings strange flying craft and unexplained light anomalies There have been a myriad of occurrences over the years but I have chosen the most vivid of each type to share with you These are not all that have occurred nor have the experiences stopped After compiling the following data it is only now that I feel free to release it to the world This information is not intended to achieve any hidden agenda It is only to inform those who wish to know Perhaps it may appear a bit far fetched to some and for this I will not apologize This is merely truth and I cannot change the flavor or color of an experience to suit another's belief parameters What is is To the best of my human ability I will share in exact detail all types of incidents that I have to this point experienced in relation to this fascinating area These I believe are indicative of many things to come Join me on my journey I share this with the fervent desire that each reader is inspired in a positive way      **The Alien Tide** Tom Dongo, 1990-01-01 I would venture a guess that if someone were to go to a place such as Syracuse Little Rock San Antonio Key West Pocatello Des Moines or Spokane and dig around for two years as I did here that person would come up with as much material as I have about Sedona The following incidents and encounters

are a broad representation of UFO ET encounters by area residents and visitors My opinion is that many of these incidents resulted in the abduction of the individuals involved I have talked at length with most of these people It s difficult to put into words the sincerity and concern that was reflected in their voices and faces about what they had experienced When a mature man or woman breaks down emotionally over a UFO experience they are reliving in an interview this is to me strong evidence that the person is not lying or simply making up a story I feel fortunate to have shared in their experiences and I share in turn these experiences here with you      *Shining the Light I* Robert Shapiro,Tom Dongo,Arthur Fanning,1994-06-01 The most significant events in Earth s history are happening in secret Despite official denial and tactics of derision inquiring minds are demanding the truth This truth is stranger than all the fictions about ETs alien bases and the secret government This courageous book shines the light to expose truths that will change forever how we view our lives on this planet It asks the reader to join in the investigations ask the questions and think the unthinkable Explore the truth about the controllers of Earth and their alien allies Discover the updated news about what is happening on the third dimension and what it really means from the higher dimensions perspective The revelations are shocking and enlightening A crashed UFO leads to information on The secret government s time travel spacecraft Renegade ETs mining on the Moon The U S peace avatar president Ancient Pleiadian warships The prime directive now Underground alien bases and populations And many more startling facts The battle in the heavens has begun Become aware of the truth and don t get lost in the drama Be the light that you are and you will be forever free      *Mysterious Sedona* Tom Dongo,2000-07-01 It is well known among the curious that Sedona Arizona and its surrounding regions have seen some of the world s all time most intense UFO paranormal and spiritual activity The question is why      *The Mysteries of Sedona* Tom Dongo,1990-01-01 Topics covered inside include Oak Creek Canyon Indian Involvement The Metaphysical Community Sedona s Famous Vortexes UFOs Over Sedona Rattlesnakes
