Peeples, 2018-03-15 Have you ever seriously considered the most difficult and puzzling questions presented to our minds during this mortal sojourn through an often difficult and challenging existence Who am I Where did I come from Why am I here Where am I going And perhaps the most important question of all What is my purpose for living In this ultra modern digital world of today many people have become so preoccupied with the daily pursuits of life and the addictive overuse of time consuming technology that many of them rarely pause to seriously consider what life is actually all about In writing *The Mystery of Life* it has been my hope and my goal to personally challenge each reader to consider many relevant facts and to follow a line of evidence pointing toward a worldview that is often overlooked and too easily marginalized We live in an aggressive technology driven world where the wild pursuit of power prestige possession and pleasure has become the driving influence ruling over many of our lives What does your worldview look like Is there enough evidence to support it beyond reasonable doubt If not then I invite you to consider a vast body of mounting evidence that could lead toward a more accurate discernment of an often confusing existence The view of life that we have each come to know will strongly influence

everything we do say and become in this world Based on a remarkable consensus of evidence perhaps we should consider a worldview understanding that will ultimately avail our hearts and minds of the personal fulfillment and satisfaction we have always longed for and often dreamed of We owe it to ourselves to seriously consider where the evidence is leading us Isn't it about time to discover the answers to our most persistent and pressing questions The Mystery of Life is presented as a literary expose addressing the questions of origin meaning morality and destiny Enchanted Snowflakes Amber Fuentes,2013-11 In just a few short weeks it will be Christmas Every year Chloe and her mommy and daddy go to a special gift store to do some shopping It is an important tradition The store is the place they go to pick out their yearly Christmas ornament and it makes you feel like you are in a Christmas story yourself This is no ordinary shopping trip Back at home something magical happens to a box of Christmas ornaments when the full bright December moon mixes with a magical snowfall The ornaments come to life and start talking to each other One of the ornaments learns a valuable lesson about bullying and all of them learn about being respectful to each other With colorful illustrations Enchanted Snowflakes narrates a Christmas story in which everyone learns about the gift of friendship and that everyone is important everyone matters
